LETTER RECEIVED RE:
"White Peoples March
for Freedom"

Dear Patriotic White Mississippians:

This is to inform you of a movement throughout the state of Mississippi called "White Peoples March for Freedom". It seems marches and demonstrations are the only things our politicians understand in the days in which we live. We need your support to accomplish these marches.

We will go to Washington if necessary and these marches will be peaceful and there will not be sit-ins, lie-ins and fall-outs. Won't you contribute to this cause for our childrens freedom!!

Checks can be mailed to "White Peoples March for Freedom", P.O.Box 1341, Natchez, Mississippi, or Rt. 1, Box 385, Gulfport, Mississippi.

For God and Country,

E.L. McDaniel, Chairman

OFFICE OF THE GRAND DRAGON

I. KLEAGLES

- A. Must be able to lecture to aliens giving history of Klan and the principles it stands for.
- B. Must study and be able to answer questions concerning constitution of Klan.
- C. Never use profanity in meetings.
- D. Must fill out Kleagles report and send in to the State office once weekly if any person is initiated.
- E. Must send one copy of report to Grand Kleagle and one copy to the State office.
- F. Kleagles are entitled to \$3.00 of initiation fee for first 25 members. After charter strength, local units Klokard or (Lecturer) initiates new members.
- G. Kleagles must teach members of un-chartered units KlanKraft and emphasize the necessity of initiation ceremony after chartering.
- H. Kleagles will be given "Fiery Cross" newspapers to sell for 25¢ each. 10¢ will go to Kleagle; 10¢ will go to the State office; 5¢ will go to Imperial office. This will help pay expenses. Kleagles will be given the papers and charged with them. We have got to get some finances in this organization. You may sell to aliens and members. We have been operating as a cheap organization and that is why we are not growing.
- I. Kleagles may keep \$1.00 of the \$2.00 transfer fee of Klansmen in other Klan organizations and send \$1.00 to State office if the transfers are out of their own county.
- J. If a man contacts you from another Klan organization tell him to come and see you and swear him in then tell him to go back home and swear in 24 other men and let you know so we can go charter these men. We cannot run all over this State for 2 or 3 transfers.
- K. When starting a new unit try to get the men to set up a public speaking on private property and if so, let the State office know 2 weeks in advance.

E. L. McDaniel, Grand Dragon

Bro Elliott,

Maybe you should call a meeting with all your Kleagles and outline your program of recruiting with them. The recruiting is in your hands. Let's solidify the State of Miss. M?

To All Klengles:

Gentlemen, as you know the Klengles are the organizers of our organization and the ones the State office looks to for this organization to grow and prosper. Therefore, I urge each Klengle to familiarize himself with the Constitution, Kloran and history of the Klan.

Gentlemen, we can and we are determined to build our organization superior to all others. This has to be done through each one of you being dedicated and willing to sacrifice your time to aware men into this organization.

Each Klengle must keep records of the number of men in each area up to 25. The State office will furnish Klengle Reports and as soon as you aware men in, please get your report in -- the State office is financially broke.

Each Klengle is entitled to \$5.00 of the initiation fee and the remaining \$7.00 has been going into the State treasury up to charter strength. At our State Klonvocation, May 15th and 16th, 1965 a resolution was adopted to place \$5.00 of the initiation fee above chartered strength in the local unit and \$5.00 into the State treasury. Once we get large enough that the State office can operate on dues only then the entire \$10.00 after charter strength will remain in the local unit.

You conduct yourself in a business-like manner. Keep up the good work and may God bless you.

OFFICE OF THE GRAND DRAGON

I. PROGRAM AND MANDATES OF ORGANIZATION:

- A. Each unit must set up place for public speaking and contact the State office.
- B. Each unit must start preparing now to elect delegates from their respective county to send to State convention for coming elections.
- C. Each unit must set up their meetings by the "Klan in Action" book.
- D. Each unit must help raise funds for State office if we are to continue to operate. Everyone in doubt of money coming to State office may contact Grand Dragon and he will show them what is coming into the State office.
- E. Anyone willing to robe out and go into other towns and pass out literature should contact Grand Dragon's office.
- F. We are gaining public support and we must conduct ourselves in a manly manner at all times. Anyone who cannot do this, please resign from this organization. Gentlemen, you wanted teeth in this organization and now we have it and a few have criticized. We need every man's support and backing if we are to prosper. Friction will only destroy your unit and therefore give the communists and niggers a victory. We cannot and will not tolerate friction any longer. Either go along with the majority or quit. I sincerely hope every man realizes this is our last chance for survival.

II. FUND RAISING CAMPAIGN FOR STATE OFFICE:

- A. Take donations at all public speakings.
- B. Each unit set up fund raising committees in their vicinity to go to help State office. This can be done as follows:
 1. Solicit funds from business people in your area.
 2. Organize women to have cake walks, bar-b-que, fish fries, etc.
 3. Place men and/or women on streets like other organizations to take donations.
