He also mentioned that he had approximately 1,000 rounds of carbine ammunition available to him when he needed it. WILKINSON, GLOVER and [redacted] drove to [redacted] residence, Vidalia, La., to obtain GLOVER's Carbine. They then drove to the levee where the Klan meetings are held and fired it several times.

Serial 471: On 5/15/70 [redacted] FOIA(b)7 - (D) advised subject was present at a meeting of the Sledgling Klan Unit at Concordia Lake, La. On 5/22/70 subject was present at a meeting held on the levee near Lake Concordia Parish, La. On 5/29/70 a meeting was held at the residence of KENNETH NORMAN HEAD. Subject mentioned that there was a white man in Harrisonburg, La., who had accepted money from a church for assistance for his family but had gambled and drank the money up and GLOVER and HEAD wanted to have a group of men call on him. GLOVER alleged that the men were "staked out" and HEAD, GLOVER, BILL BLANEY, DAVID KENNEDY and JOHN COMBS allegedly went to Harrisonburg to locate the man. On 6/5/70 the unit met on the levee near the end of Lake Concordia in Concordia Parish, La., and present during this meeting was RALEIGH JACKSON GLOVER. GLOVER had approximately 5,000 copies of a pamphlet to be distributed. GLOVER advised it would be a good idea if no one carried any guns while putting out the pamphlet.

Serial 477: On 6/12/70 [redacted] FOIA(b)7 - (D) advised a meeting was held of the Klan unit at the residence of BILL RILEY, an attorney in Natchez, Miss., and subject was in attendance. During the meeting BILL RILEY asked that Klan pass several rumors in and around Natchez to the effect that FRED BERGER was holding back by the Negro elements in Adams Co., Miss., and would not be sympathetic toward the problems of any white man. After this meeting another was held at the residence of KENNETH NORMAN HEAD at Vidalia, La., where he was elected EC of the unit.

JN 157-2444

Serial 478: On 7/17/70 [FOIA (b) 7 - (D)] advised a meeting was held on 7/10/70 at the residence of KENNETH NORMAN HEAD in Concordia Parish, La., and subject was in attendance. A discussion was held wherein it was decided that they would put to the meeting of the entire group a plan to split up the membership into the La. faction and the Miss. faction. On 8/5/70 GLOVER and DONALD WILKINSON were overheard discussing the movement of some sort of object or objects from Concordia Parish, La., to somewhere in Franklin Co., Miss. GLOVER was also overheard to state that he had a lot of problems in Kentwood, La., because it was his feeling that the "Feds" were trying to pen the theft and hiding of dynamite that was located near Kentwood, La., during the past week on him. He indicated that he did not have anything to do with it and did not know anything about it.

Serial 479: On 8/10/70 [FOIA (b) 7 - (D)] advised that subject was not in attendance at the meeting held on 8/7/70 on the levee in Concordia Parish, La. Subject had previously contacted members of the unit stating that he had been involved in a wreck at Roxie, Miss., and some man had run into the side of his car. Subject was not in attendance at a barbeque held 8/8/70 at (RNU) TEMPLE's house in Vidalia, La., and it is noted the following individuals were present: BILL BLANEY, BILL DELANEY, CHARLES SMITH, SONNY TAYLOR, (FNU) SMITH (employed at Bluff City Motors), JAMES F. LEE, KENNETH NORMAN HEAD, DONALD WILKINSON, GERALD BLANEY, BUD SPINKS and three others. Subject was later seen that night drinking at the Barbeque Pit with [REDACTED]

[REDACTED] On 8/10/70 subject and DON WILKINSON were overheard discussing with KENNETH NORMAN HEAD the moving of some explosives from someplace in Ferriday, La. HEAD made the statement that "too many people knew about it" but no definite plans were made. On 8/31/70 subject was overheard talking with several individuals and at that time indicated that "the Feds were really bothering him." He indicated also during the conversation that he is presently residing at Route 3, Kentwood, La., while Armstrong Tire and Rubber is on strike.

Serial 480: On 9/16/70 [FOIA (b) 7 - (D)] advised that on 9/15/70 subject was seen talking to DON WILKINSON at the Barbeque Pit at Natchez, Miss. They were overheard to discuss the Armstrong strike and subject mentioned that he and JEWELL LEE BURT were presently in rather dire financial straights because of the strike. Subject also mentioned that he has been staying at his farm at Kentwood, La., during most of the strike trying to work there.

Serial 481: On 9/25/70 [FOIA(b)7 - (D)] advised there have been no known meetings of the minutemen in the Natchez-Ferriday area for quite sometime, of which subject is a member. On 10/16/70 DONALD WILKINSON and subject were overheard talking at the Barbeque Pit located on North Highway 61 in Natchez, Miss. Subject was overheard to say that he was planning on returning to the Natchez area in the near future but that he would maintain his permanent residence in Kentwood, La. Subject indicated that he is being harassed by local law enforcement officers as well as "the Feds" in the Kentwood area and stated that apparently they suspected him as being tied-in with several caches of dynamite that have been located in the Kentwood area. GLOVER expressed surprise that they would even consider him being involved in such activities.

Serial 482: On 10/29/70 [FOIA(b)7 - (D)] advised there have been no meetings of the UKA unit since JOHN KAHL, the EC of the unit, was contacted by the ATFD Agents. The membership of the UKA unit is apparently very nervous. Subject was overheard on 10/27/70 talking to several individuals at the Barbeque Pit, Natchez, Miss., and made the statement to the group that he did not want any activities or any actions by either the Minutemen unit or by the Klan unit. He stated that ever since the ATFD Agents had mentioned getting subject and DON WILKINSON, he, GLOVER, was rather nervous about the whole situation.

Serial 483: ON 11/19/72 [FOIA(b)7 - (D)] advised that subject was overheard to tell DON WILKINSON that he thinks the entire unit ought to lay low due to the "Feds" snooping around the area of his residence in Kentwood, Louisiana. The subject of [REDACTED], Vidalia, has been observed to have the green Ford pickup belonging to R. J. GLOVER parked in front of it on several occasions. Also present was a white over blue 1970 Cadillac, Louisiana license 72E564.

Serial 485: [FOIA(b)7 - (D)] advised that subject was seen talking to several individuals at the Bar-B-Que Pit at Natchez, Miss. He was all shook up and stated that the "Feds" had questioned him and he seemed to be of the opinion that JOHN CAHL was the one who had furnished information to the "Feds" because he had seen a machine gun at the residence of E. D. MORACE prior to his death.

Serial 486: FOIA(b)7 - (D) advised that STEVE AUCOIN and JOHN KAHL were overheard talking at Woolco in Natchez, Miss., concerning their recently being interviewed by the FBI. Both mentioned how RED GLOVER seems to be avoiding everyone in the organization and the other men at Woolco, J. D. MONTGOMERY, WILLIAM HENSON and KENNETH RAY PENNINGTON have all stated that they do not wish to become any further involved at this time with any Klan unit.

Serial 487: FOIA(b)7 - (D) could furnish no information pertaining to the subject.

Serial 488: FOIA(b)7 - (D) advised that a meeting was held at the residence of Attorney BILL RILEY on or about 4/2/71 and present during this meeting was the subject. The purpose of the meeting was to defeat the present board of supervisors who might be running for re-election in Districts 2, 3 and 5.

Serial 489: FOIA(b)7 - (D) could furnish no information pertaining to the subject.

Serial 490: FOIA(b)7 - (D) advised on 5/19/71 RED GLOVER and DON WILKINSON were overheard talking at the barbeque pit located on Highway 61 North. At that time GLOVER turned over to WILKINSON several items, mentioning that he was wanted on a traffic violation from Wilkinson County, Miss., and he did not want to get caught with the items. He also then left with WILKINSON and went by CHARLES D. SMITH's house and picked up a toolbox.

The next day WILKINSON was seen to take GLOVER to Roxie, Miss., at a service station where a 1967 or 1968 light blue GMC truck was parked. GLOVER then left in the truck and headed toward Kentwood, Louisiana.

On 5/21/71 DONALD WILKINSON, RED GLOVER, and were seen talking at Bob's Eats, Highway 61 North, Natchez. GLOVER was overheard to be asking WILKINSON for the items that he had previously furnished him, and WILKINSON told him that he had disposed of the candy.

JN 157-2444

Further, WILKINSON was overheard to tell GLOVER that he had been approached by DUB GETER, a constable and deputy sheriff with Wilkinson County Sheriff's Department, Woodville, Mississippi, and he mentioned that GETER had told him that the Woodville SO had recently had RED GLOVER arrested, charging him with burglary. GETER allegedly told WILKINSON, according to the conversation overheard, that the sheriff of Wilkinson County was willing to accept a reduced sentence for GLOVER if he would turn back the items that he had stolen, specifically a Fox 20-gauge double-barrel shotgun, two broadaxes, one double-bladed ax, and a sack full of shotgun shells. GLOVER was overheard to ask WILKINSON again about the "candy," and WILKINSON said he had stashed it because he was under surveillance, as were several of GLOVER's associates, such as CHARLES SMITH, "CHICKEN FOOT" ROBERTSON and others.

The source provided a list of confidential numbers with corresponding members' names and the subject's name appeared on this list with corresponding number 007.

Serial 491: [FOIA(b)7 - (D)] advised on 5/21/71 that subject and others were seen meeting at Bob's Eats, Highway 61 North, Natchez, Miss. Subject was overheard to tell the group that ADRIAN LEE from Natchez and GORDON VINES from Centreville, Miss., had met with the sheriff of Wilkinson Co., Miss., and his girl friend, [redacted], had put up the money that resulted in his bond. DON WILKINSON was overheard to ask GLOVER if he wanted him to mention his trouble at the state meeting that he was planning on going to, but GLOVER stated he did not want any action taken at this time.

GLOVER said that he expected the old Silver Dollar Group to take some type of action but did not make any type of statement as to what this action might be. WILKINSON mentioned to GLOVER that he had been approached by BUD GETER, Deputy Sheriff, Wilkinson Co., and had been told to pass the word to GLOVER that he (GETER) could possibly get the burglary charges dismissed against him if he would return the items that were stolen. GLOVER then appeared to become angry and said he knew too much about

JN 157-2444

BUD GETER

GLOVER also said that he was planning to have some klan material printed on H. B. MC GRAW, the sheriff of Wilkinson Co. and put out.

On 5/24/71 CHICKEN FOOT ROBERTSON obtained a message from RED GLOVER which said "call the one who made the little children sad." "He is ready for the bell to ring and cheer them up." This allegedly is a message to JAMES SCARBOROUGH to get in touch with RED GLOVER.

CHICKEN FOOT ROBERTSON and JEWEL LEE BURT were overheard talking and it seemed they were upset over BILL RILEY charging RED GLOVER \$500 to represent him.

They decided not to conduct any type of contact as far as RILEY is concerned until they found out what RED GLOVER had in mind.

ROBERTSON was overheard talking to DON WILKINSON and ROBERTSON mentioned that he was involved with a collection being taken up for GLOVER out at the tire plant.

JAMES SCARBOROUGH was overheard talking at the Barbecue Pit and mentioned something to the effect "It is time for the bells to ring." This allegedly means that the Silver Dollar Group is supposed to respond to a call for help from one of its membership, RED GLOVER.

On 5/25/71 JAMES FREDRICK "RED" LEE is alleged to have received a message for RED GLOVER which said "the bad little children have been at my door; they wanted the candy that is never more." "If they eat that candy they will have to swim to and fro."

Serial 492 : [FOIA(b)7 - (D)] advised on 6/21/71 that subject thought that JEWEL LEE BURT might be the one who stole some stuff that he had stashed at a graveyard. GLOVER went on to say that at about that time BURT gave a roll of detonating cord to "CHICKEN FOOT" ROBINSON to get rid of and about that time several rolls of detonating cord that he had stashed disappeared from a graveyard.

Serial 493: [FOIA(b)7 - (D)] advised on 7/6/71 that the individual that WALLY JACKSON GLOVER intends to use as an alibi witness for his burglary in Wilkinson County, Mississippi, is one "WOODENHEAD," a nickname, whose true name he has been unable to obtain. He stated that he had ascertained that "WOODENHEAD" is employed as one of the three mechanics who work at White's Auto Shop in Kentwood, La., and furnished his description as follows:

Race	White
Sex	Male
Age	33 years
Height	6 feet
Weight	200 pounds
Hair	Light brown to blond (crew cut)

Serial 495: [FOIA(b)7 - (D)] indicated that he would write to all the EC's in the state and also contact the national office and see if they can get GLOVER some money for his defense. It is noted that no members of Adams County Unit #1 were observed to be present at this meeting.

Source stated that RED GLOVER sold his farm in Kentwood, La., and is telling everyone that he has purchased a home in Vidalia, La., near the Lewis Food Store.

Serial 496: [FOIA(b)7 - (D)] advised on 7/23/71 RED GLOVER has been attempting to recruit members of the UKA Unit Number 1 into Unit Number 2, which is headed by DON WILKINSON. CHARLIE SMITH has told RED GLOVER that he and several others are unhappy because Unit Number 1 is not meeting anymore and they are considering transferring to Unit Number 2.

Subject attended a Klan rally at Mc Comb, Miss., on 7/9/71. "CHICKEN FOOT" ROBERTSON, during this meeting stated that he was trying to get the EC at McComb and the EC at Liberty, Miss., to assist RED GLOVER with his problem down at Woodville, Miss. GLOVER has allegedly requested help from the Minutemen but was told by the unit commander that he could get no financial aid because the Minutemen did not have any money.

On 7/15/71 JAMES FREDERICK LEE told several individuals at the Bar-B-Que Pit that he had heard that SONNY TAYLOR from Harrisonburg, Louisiana, was injured in an accident in Arkansas. According to LEE, TAYLOR sustained a brain injury with one eye put out, and is not expected to live. Allegedly a building block fell on him. LEE was attempting to collect money to go to Arkansas but the only one that gave him any money was allegedly RED GLOVER.

During this same time, RED GLOVER was overheard to say he was very unhappy about the situation with BILL RILEY taking \$250 from him and wanting \$250 more concerning his, RILEY's, representing GLOVER at his trial in Wilkinson County concerning the burglary.

"CHICKENFOOT" ROBERTSON told the group that he, RED GLOVER, and MELVIN HARDY traveled to Kentwood, La., during the latter part of June, 1971, to talk to "WOODEN HEAD" who is employed at White's Auto Store at Kentwood, La.,

ROBERTSON indicated they were talking to an old man there, and RED GLOVER mentioned there was a good man at the other service station in Kentwood.

JN 157-2444

A few minutes later, according to ROBERTSON, he called the EC of the McComb unit, a man by the name of FLEMING, and FLEMING met the group in Kentwood, La. FLEMING was in the company of a man named "RED" and two others, one of whom was allegedly an insurance salesman.

After they arrived, ROBERTSON and several others stood around at the service station cleaning their fingernails with long knives. ROBERTSON, at GLOVER's request, took a calendar with the date 5/12/71 marked on it to the White's Auto Store in order to scare "WOODEN HEAD" but "WOODEN HEAD" had ducked out on them. ROBERTSON indicated that he believes GLOVER is trying to use "WOODEN HEAD" and an old man at a service station as an alibi for the burglary in Wilkinson County, Miss.

RED LEE, DON WILKINSON, TOMMY LOVE, and RED GLOVER all had a misunderstanding due to TOMMY LOVE telling DON WILKINSON that he had heard from RED LEE that he, WILKINSON, was trying to get RED GLOVER out of the Klan unit. WILKINSON hunted up RED LEE and told him to give him the straight story, and they got it all straightened out because TOMMY LOVE had been drunk when he heard the information and got it messed up.

Serial 498: FOIA(b)7 - (D) advised a Klan rally was held at Hazlehurst, Miss. During the rally the prime topic of conversation was the teaching of sex in the schools, the Jewish problem, the communist problem and a film on the killing of policemen was shown. JEWEL LEE BURT allegedly advised that DURRELL FONDREN told him that the State Organization would give \$150 to the Defense Fund for RED GLOVER. Everyone at the meeting was encouraged to attend the Klan rally at Bastrop, La., on 8/14/71. RALEIGH JACKSON GLOVER has moved to a new address of 2036 Eleanor, Vidalia, La., which house he is alleged to have purchased from the owner. Further, it is noted that JOHN KAHL, who went to Morgan City, Louisiana, approximately five months previously has returned to the Ridgecrest, La., area.

At a state rally in Lake, Miss., DURRELL FONDREN told CHICKEN FOOT ROBERTSON that he had a \$300 check for RED GLOVER and if he needed more, they would have to get in touch with ROBERT SHELTON.

Subject attended the unit in Bastrop, La., on 8/14/71. When asked about the meeting GLOVER would only say that it was a very good meeting and rally but would not elaborate. He had quite a bit of material which is standard plan material.

Serial 503: [FOIA(b)7 - (D)] advised on 11/8/71 that RED GLOVER and his wife have had argument and that she was recently seen at the Bar-B-Q Pit located on Highway 61 North, Natchez, Miss., looking for him. She did not find him and proceeded to get drunk which was a surprise to most of the Klansmen coming into the Bar-B-Q Pit.

R. J. GLOVER attended the rally at Washington, Miss., on 10/8/71 and belongs to UKA Unit #2, Adams Co., Miss.

Serial 504: [FOIA(b)7 - (D)] advised on 11/16/71 that it is believed that sometime around 11/1/71 a white female who is somehow involved with the Stardust Club on Highway 80 near Jackson, Miss., has become romantically involved with RED GLOVER and that he on one occasion, took his M-2 carbine to scare "them" with the carbine, believed to be the former or present boyfriend of the white female. GLOVER has allegedly met this woman on an occasion when he was at BILL RILEY's office in Natchez, Miss., and the woman was also there because she was involved in some thefts around Brookhaven, Crystal Springs, or Hazlehurst, and RILEY was representing her. At that time, she was going with a man involved in some thefts around Brookhaven, Crystal Springs, or Hazlehurst, and RILEY was representing her. At that time, she was going with a man involved in burglaries in that area, along with the white female, and GLOVER tried to take the white female, name unknown, away from the man.

GLOVER has been overheard making statements to the effect that he also on one occasion, took JIMMY SCARBROUGH from Concordia Parish, La., with him to Jackson, Miss., when he threatened the boyfriend of the girl. It is noted that SCARBROUGH refused to go with him any more because of the incident that occurred. GLOVER has allegedly left the M-2 carbine at the residence of JEWEL LEE BURT. It is believed that GLOVER is attempting to get Klansmen involved in his romantic escapade and possibly burglaries because he wants the Klan to furnish him financial support. It is further noted that CHICKENFOOT ROBERTSON has reportedly refused to co-sign a note for \$350.00 for GLOVER but that GLOVER may have borrowed money from ROBERTSON.

On or about 11/1/71 it is reported that RED GLOVER brought this white female, previously mentioned to CHICKENFOOT ROBERTSON's house along with two white men. It is noted that all of them were drunk and RED GLOVER asked ROBERTSON to get rid of some stuff which was subsequently done. The goods, the exact nature of which are unknown, were sold to an unknown individual in Louisiana, who came from Louisiana, to CHICKENFOOT ROBERTSON's house, paid \$100 for the goods of which \$25 went to JACK GLOVER and \$75.00 to the white female and the two white males.

On another occasion, it is reported that ROBERTSON also sold some items for this same group and GLOVER requested more than \$25 but ROBERTSON refused to give it to him. It is reported that ROBERTSON then decided he wanted nothing more to do with the whole situation and decided to get out of it; however, it was later reported that CHICKENFOOT ROBERTSON had shown several people a suitcase full of blue Smith and Wesson boxes containing .38 specials and .22's which he was selling for \$50 each. One specific gun was seen which was not in a box and seemed to be used was a Smith and Wesson .38 special lightweight, serial number 150291.

A meeting was held on 11/14/71 of UKA, Unit Number 2, and RED GLOVER was in attendance.

JN 157-2444

Serial 505: [FOIA(b)7 - (D)] advised on 12/9/71 that ELDON GLEN HESTER has contacted RED GLOVER and has told him to quit fooling around with the stolen merchandise. It is believed that HESTER might be the "chicken thief" who has been selling chickens to several Klansmen in and around the Natchez, Mississippi, area and also might be the individual involved with RED GLOVER when he, GLOVER, was involved in a burglary in Wilkinson County, Miss.

"CHICKENFOOT" ROBERTSON bought a .38 Special pistol from JAMES WATTS, stepson of RALEIGH JACKSON GLOVER. He still has approximately ten Smith and Wesson firearms in the original blue boxes but it is believed that he has moved these guns from his house to someone else at the tire plant.

"CHICKENFOOT" has told several individuals he does not intend to sell any more goods for anyone including RED GLOVER.

EM - KLAN;
EM - MINUTEMEN;

Re report of SA FREDERICK D. MILLER dated 10/6/71, at New Orleans.

For information of New Orleans, H. BURNELL MC GRAW, Wilkinson County, Woodville, Miss., advised SA NORMAN H. STUTTE that the trial of RALEIGH JACKSON GLOVER has been set up to the March, 1972, term of the Circuit Court upon motion of GLOVER's attorney, WILLIAM F. RILEY.

MC GRAW advised that RILEY made the motion due to GLOVER undergoing removal of malignant skin cancers from his face and arms.

The Circuit Judge, LENNOX FORMAN, granted the request for additional time. Subsequently, the trial will not be held until March, 1972, at Woodville, Miss.

For further information of New Orleans, RED GLOVER was seen in possession of a 1967 green GMC or Chevrolet pickup with white trim bearing what appears to be Louisiana license 198-657 with a weight factor of 3500 pounds. This vehicle previously bore Adams County license plates at the time of the burglary in Wilkinson County, Miss., but an inquiry with the Louisiana State Police through the Adams County Sheriff's Office at Natchez, Miss., indicates that 198-657 is registered to a BOBBY R. HAYLES, Post Office Box 194, Boyce, Louisiana. However, it is determined through FOIA(b)7 - (D) that this vehicle is in fact the vehicle belonging to RED GLOVER.

III. INTERVIEW OF SUBJECT

FEDERAL BUREAU OF INVESTIGATION

Date 6/24/70

Mr. RALEIGH JACKSON "RED" GLOVER was advised of the identity of Special Agents JOHN A. PFEIFER and JAMES A. WOOTEN, and Special Agent PFEIFER advised him of the nature of the interview, after which Mr. GLOVER furnished the following information.

He has lived now and for the past two months at a furnished apartment at the end of Ashburn Avenue in Natchez, Mississippi, and his landlady is Mrs. H. K. WILKERSON. He still works at Armstrong Tire and Rubber Company, Natchez, Mississippi, on the midnight to 8:00 a.m. shift, and he usually goes home on weekends to Kentwood, Louisiana, where his real home is located. His wife's son is JAMES WATTS, whose family lives in Natchez, Mississippi. They have only one child of school age, a boy, but he was not able to start school because he put out one of his eyes in an accident while playing with a pen-knife.

He has only heard vaguely about the recent fires in Ferriday, Louisiana, and does not believe he has heard about any fires in Sicily Island, Louisiana. It has been six years since he has been in Sicily Island, and he usually does not go near Ferriday, for he has no interest in the place or in what the whites or blacks do there.

He knows "BILL" BLANEY as the son-in-law of the deceased ED MORACE, but he has not seen BLANEY for "quite a while." He usually sees KENNETH NORMAN HEAD about once a week. The last time he saw him was about one week ago, at J. B. TEMPLE's store, Temple Auto Parts, in Vidalia, Louisiana. HEAD made no mention of the fires in Ferriday or Sicily Island, then or previously.

He still buys auto parts from J. B. TEMPLE, and in the past month or two has bought about \$300 worth of auto parts from him.

He stated he believed the Federal Bureau of Investigation (FBI) had tried to implicate him in a burglary at

Tumminello's Grocery in Ferriday two or three years ago, that he is being spied on by personnel at his place of employment, and that he is sure they are writing down his car license numbers and the identities of his associates and that the FBI is "always talking to me every time a nigger gets burned up or blown up." Special Agent PFEIFER assured Mr. GLOVER he was mistaken about the above assumptions.

Mr. GLOVER stated he works with blacks and does not cause them any trouble, but because they always seem to make trouble for him one way or another if he associates with them, he tries to stay clear of them at all times.

He denied belonging to any Minutemen or klan type organization and stated he has no interest in what the whites or blacks do to each other.

Mr. GLOVER was observed to be a white male, aged about 48, five feet nine inches tall, blue eyes, 165 to 170 pounds, reddish hair, balding forehead, pale complexion, wearing clear plastic lensed glasses.

FEDERAL BUREAU OF INVESTIGATION

Date 8/10/701

RALEIGH JACKSON GLOVER was located on his farm which is situated between Louisiana Highway 1055, and the Mississippi State Line. Upon arriving at GLOVER's residence, GLOVER was observed to appear from a corn field.

He was reminded of the identity of Special Agent and advised that inquiry was being made to determine whether he had been in Louisiana on the weekend of July 25 and 26, 1970. GLOVER replied, "I could have been". He then asked why his whereabouts were of interest to the FBI. He was advised that inquiry was made as to whether he had any knowledge of dynamite stolen in the Hammond area over the prior weekend. GLOVER replied that he did not know anything about that dynamite or any other dynamite. He thereupon started upon a tirade, accusing the Agent of spreading false information about him. When the Special Agent had rebutted his allegations, GLOVER stated that unless the Agent had a warrant for his arrest he should get off his property. The interview was terminated at this point.

During the course of the interview, it was noted that GLOVER still owned his old Ford Pickup truck currently bearing Louisiana privately owned truck license for the year 1970, number 298-436.

IV. MISCELLANEOUS

On July 28, 1969, Mrs. L. E. STRICKLAND, Route 3, Kentwood, Louisiana, and LEROY DICKERSON, Route 3, Box 350, Kentwood, were contacted in an effort to obtain the activities and whereabouts of RALEIGH JACKSON GLOVER. Both advised the subject has not been seen recently and his activities are unknown to them.

The following persons advised they seldom see the subject at his Kentwood, Louisiana farm, and at no time more than twice a month. He is considered to be a good neighbor, and they have no unfavorable information concerning him. They were all contacted on August 27, 1969:

Mr. W. A. POTTS,
Route 3,
Kentwood, Louisiana

Mrs. I. M. MC GHEE,
McGhee's Store,
Route 3,
Kentwood, Louisiana

On November 18, 1969, Captain CHARLES BINDER, Tangipahoa Parish Sheriff's Office, advised telephonically that he had no information concerning the allegation that subject had indicated an intention to burn the house of Negroes in the vicinity of Kentwood who were sending their grandchildren to school on a bus formerly used only by white children.

Date December 5, 1969

1

LEROY DICKERSON, Route 3, Box 350, Kentwood, Louisiana, was contacted at his residence. He volunteered the following information:

His married daughter MYRTLE MAE DICKERSON, a resident of New Orleans, Louisiana, has two sons who reside with him. At the beginning of school this fall, they began riding a public school bus carrying mostly Negro children. A neighbor, AUBREY SANDERS, a white school bus operator, advised DICKERSON that he was disappointed that DICKERSON had not chosen to send his grandchildren to the newly integrated public school on his bus. DICKERSON stated that SANDERS is not paid on the basis of the number of pupils carried, but he seemed genuinely hurt that DICKERSON did not send his grandchildren on his bus. Therefore, DICKERSON, at some inconvenience because of the earlier time that SANDERS' bus left that area, started sending TERRY and REGINALD, ages 8 and 6 years respectively, on SANDERS' bus. DICKERSON said he had not received any threats from anyone for any reason. He knew of no one who would burn his house down.

DICKERSON stated that he knew RALEIGH GLOVER as a distant neighbor and had heard of GLOVER's alleged involvement in racial violence in the Natchez area, but they did not know each other personally.

DICKERSON stated that the only store in that area for a great distance is IVY MC GEHEE's store, where he has been a customer for many years. MC GEHEE has never expressed any concern or opposition to DICKERSON's grandchildren riding the school bus.

DICKERSON stated that he would advise the FBI should he receive any threats or pertinent information. He volunteered the following description of himself and personal data:

MC GEHEE agreed to orally furnish the following information:

He had not heard of any conspiracy to burn anyone's house down and was not a party to any such plot. On December 3, 1969, Deputy Sheriff ROGER DALE SANDERS, Tangipahoa Parish Sheriff's Office (TPSO), advised that he had conducted an investigation as a result of information furnished to him by Captain BINDER. He stated that his inquiry and personal knowledge of the community indicated that the details apparently applied to LEROY DICKERSON, a Negro who resides within sight of SANDERS' residence. Deputy Sheriff SANDERS stated that he would remain alert for any possible violence.

Mr. KENNETH NORMAN HEAD was advised of the identities of Special Agents JOHN A. PFEIFER and JAMES A. WOOTEN, and Special Agent PFEIFER advised him of the nature of the interview after which Mr. HEAD furnished the following information:

He knows nothing about what caused the fires in Ferriday, Louisiana, and Sicily Island, Louisiana, but he is sure the blacks started them and has furnished the Fire Marshal with a list, which is about two years old, of the blacks that are trouble-makers in Ferriday. The source of this list was "investigation" conducted by "some of his friends."

He stated he has one child that attends school, and this child goes to the Concordia Christian Academy. This costs him about \$68 per month, and is a severe economic problem for him. His daughter is married to JOHN KAHN, and they live on the Ferriday-Vidalia Highway, but they do not have any children of school age as yet. He, himself, continues to work at New and Hughes Drilling Company in Natchez, Mississippi, and he and his family live on Lake Concordia, outside Ferriday.

He and several of his friends have decided to take precautions to protect themselves and their families in the event the blacks in Ferriday run wild, and he is sure this is going to happen "sooner or later," because of the way the Communists are taking over the country. He and his friends are not Minutemen, nor is their group really organized or to be considered a klan group. He has passed out rigid orders to all of them that they are not to be involved in any trouble between blacks and whites, but are to protect themselves and their families if directly endangered. He has no faith in the ability of the Sheriff's Office and the City Police to keep order, and when the blacks "run wild," they are expected by him "to run right over the Ferriday Police and the Sheriff's deputies."

He knows RALEIGH JACKSON "RED" GLOVER and sees him every now and then, but he is certain GLOVER has had no connection with the fires.

He has a number of ancient, inoperative cars at his home, but the ones he and his family use are as follows: his vehicle is a New and Hughes Drilling Company truck, dark gray-sih brown in color, with a flatbed and a winch on the back, which he uses to go to and from work. He also drives a 1968 yellow Ford pick-up truck with white top and open bed. (This vehicle was observed to have 1970 Louisiana license 268-445.) His wife uses a 1965 Oldsmobile Starfire, four-door sedan, navy blue in color with a silver stripe. (This vehicle was observed to bear 1970 Louisiana license 69 E 623.)

He advised he has never owned a Volkswagon sedan and has no friends with such an automobile.

Mr. HEAD was observed to be a white male, aged about 41 years, five feet eleven inches tall, 150 to 160 pounds, slender build, brown hair and brown eyes.

Mr. HEAD's house was observed to be a pink asbestos shingle house on the edge of Lake Concordia, Louisiana, with several junked cars in front as well as a large, silver painted anchor set on a gravel base.

On July 7, 1970, Mrs. JESSIE SANDERS, Sanders Road, Kentwood, Louisiana, advised that she observed the GLOVERs at their Kentwood house over the 4th of July weekend, but she has no recollection of having seen them for the three or four weeks prior to the 4th of July.

On July 7, 1970, Deputy Sheriff ROGER DALE SANDERS, Tangipahoa Parish, advised that he has not observed the subject in the Kentwood area for the past two months. When in that area GLOVER's activities appear to be limited to maintenance of the farm.

On September 18, 1970, NO T-6 advised GLOVER was in financial straits because of a strike at his place of employment, Armstrong Tire and Rubber Company, and that he was staying at his farm at Kentwood, Louisiana.

On July 27, 1971, NO T-2 advised RED GLOVER sold his farm in Kentwood, Louisiana, and is telling everyone that he purchased a home in Vidalia, Louisiana, near the Lewis Food Store.

On August 19, 1971, a spot check was made during the late afternoon at 2036 Eleanor Street, Vidalia, Louisiana, at which time a recently-painted, light green GMC pickup truck with white trim was observed parked in the driveway at that location. This vehicle bore 1971 Louisiana truck license 98-657. Deputy WAYNETTA COCHRAN, Concordia Parish Sheriff's Office, Vidalia, advised she had no record of this license plate, which had not been issued at Concordia Parish.

On August 20, 1971, Dispatcher RICHARD HONEYCUTT, Troop E, Louisiana State Police (LSP), Alexandria, Louisiana, was requested to search the above license through the Motor Vehicle Bureau, Baton Rouge, Louisiana. He advised that license was registered to Scallan Brothers Construction Company, Inc., 1230 Veterans Boulevard, New Orleans, Louisiana, on a 1970 Ford F-100 pickup truck, Vehicle Identification Number (VIN) F10YL835606.

On September 21, 1971, ROY LA BORDE, Office Manager, Scallan Brothers Construction Company, 1230 Veterans Boulevard,

NO 167-3489 - ktg

Kenner, Louisiana, was contacted and advised that on August 19, 1971, a vehicle belonging to Scallan Brothers, bearing Louisiana truck license 98 657, was being driven by LOUIS SCALLAN. The truck was a 1970 red and white Ford F-100 pickup. LA BORDE described SCALLAN as a white male, age 35 to 36 years, six feet tall, 190 pounds, who resides in Metairie, Louisiana. He stated he had no information as to where SCALLAN was with his truck that day.

ORIGINAL KNIGHTS OF THE KU KLUX KLAN
(LOUISIANA) (OKKKK)

A source advised on March 29, 1971, that an organization known as the Original Knights of the Ku Klux Klan (OKKKK), had been organized in the state of Louisiana at Shreveport, Louisiana in December of 1950.

A second source advised on March 29, 1971, that the OKKKK continues to be active within the state of Louisiana, and that the aims and purposes of this organization continue to be to promote Americanism, the supremacy of the white race and the furtherance of segregation between the races.

WHITE KNIGHTS OF THE KU KLUX KLAN
OF MISSISSIPPI (WKKKKOM)

A source advised that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan from the State of Mississippi met at Brookhaven, Mississippi. Those present decided to defect from the Original Knights and to form their own Klan group in Mississippi to be known as the White Knights of the Ku Klux Klan of Mississippi.

This source advised that the aims and purposes of the WKKKKOM are to preserve Christian civilization, protect and promote white supremacy, and the segregation of the races, to fight communism, and to extend the dignity, heritage, and rights of the white race of America.

This source advised on May 12, 1969, that the WKKKKOM is an unincorporated, secret organization existing in the State of Mississippi and formed for the purpose of preserving white supremacy regardless of the cost and including the use of force and violence. The WKKKKOM is controlled by the Imperial Wizard and state officers. The organization is divided into districts and provinces. There is an estimated membership as of May 12, 1969, of 100 members of this organization. The aims and purposes of the organization continue to be the same as when the organization was formed in February, 1964. L. E. MATTHEWS, JR., of Brookhaven, Mississippi, was elected February 11, 1968, at a state meeting to succeed SAM HOLLOWAY BOWERS, JR. as Imperial Wizard.

SILVER DOLLAR GROUP

A source on April 4, 1967, and a second source on May 3, 1967, characterized the Silver Dollar Group as a hard-core action group made up of present and former members of the White Knights of the Ku Klux Klan of Mississippi (WKKKKOM); the United Klans of America, Incorporated (UKA); and Original Knights of the Ku Klux Klan of Mississippi and Louisiana.

On August 15, 1967, a third source advised that the Silver Dollar Group was formed approximately in May or June, 1964. The secret group within the Klan was formed to further Klan activities involving the promotion of Americanism, white supremacy, and maintaining total segregation. Klansmen were dissatisfied with the inactivity in their respective Klan groups. The members of the new secret action unit had to be trusted Klansmen and had to vouch for each other.

A fourth source advised on May 26, 1969, that there is no formal organization in the Silver Dollar Group, but membership is obtained by invitation only, and upon receipt of a silver dollar from the group organizer, Raleigh Jackson Glover, membership is acquired. There have been no formal meetings or group sponsored activity by the Silver Dollar Group during the past year; however, those holding silver dollars still claim membership in the organization.

It is reported that RED GLOVER has been attempting to find out who is, in his belief, informing on the UKA, organization in Adams County, Miss. He has narrowed the people that he suspects down to JAMES FREDERICK "RED" LEE, CHARLIE SMITH, and JEWEL LEE BURT. He thinks that RED LEE is the man that has been doing the informing because he is probably moving to Lafayette, Louisiana, suspects JEWEL LEE BURT because he has attended all of the rallies and state meetings, but could give no reasons as to why he suspects CHARLES SMITH of being an informant.

It is reported that RED LEE tried to borrow \$300 but no one determined why he wanted this money. RED LEE held a party which was a type of going away party and did not invite RED GLOVER to it which upset GLOVER greatly.

GLOVER is disturbed with BILL RILEY because he thinks RILEY has not helped him in any way in the representation of his burglary case in Wilkinson County, Miss.

Several individuals, among which were JEWEL LEE BURT, DONALD WILKINSON, RED GLOVER, W. L. ROBERTSON, and TOMMY LOVE, were overheard discussing Klan rallies at the Barbeque Pit in Natchez, Miss. The indications from the conversation indicated that they are attempting to have a Klan rally at Natchez, Miss., on 10/8/71, one at Vicksburg on 10/9/71, and then a rally at Mc Comb, Miss., on or about 10/15/71. RED GLOVER indicated that he had been trying to get the land across from Jordan Auto in Natchez, Miss., for the Klan rally, but has been unable to do so because ERNEST PARKER will not give him the land.

The indications are that C. D. FREEMAN and JAMES JACKSON are going to try to either get the Liberty Ballpark or contact TULLY SEALE regarding getting some land from him. It is further noted that it was determined that DONALD WILKINSON, the EC of Unit Number Two, stated that he was against having a rally in Natchez, Miss. He indicated to the group that he was against this because if the membership "robed out", then the Feds would identify all of them and know exactly how many of them would be in the area.

It is further noted that the group discussed the shotgun to be given away by the local UKA. It was determined that the shotgun would be won by the MOAK boy inasmuch as they wanted to keep the shotgun in the Klan organization.

TOMMY LOVE is reported to have three sticks of plastic explosive and is suppose to furnish this plastic explosive to DONALD WILKINSON.

W. L. ROBERTSON and JEWEL LEE BURT were overheard to indicate that the following names and numbers are members of the UKA, Unit Number Two:

008 is MONROE WALLACE

00309 is JOHN C. BOSTICK

00312 is ELMER JOHNSTON.

Re discussion of 8/19/71 at Natchez, Mississippi.

Based upon information developed at referenced discussion that subject has moved to 2036 Eleanor St., Vidalia, Louisiana, and continues to work at Armstrong Tire and Rubber Company, Natchez, Mississippi, the following investigation was conducted by SA JOHN A. PFEIFER.

On 8/19/71, a spot check was made during the late afternoon at 2036 Eleanor St., Vidalia, Louisiana, at which time a recently-painted light green GMC pickup truck with white trim was observed parked in the driveway at that location. This vehicle bore 1971 Louisiana truck license 98-657. Deputy WAYNETTA COCHRAN, Concordia Parish SO, Vidalia, Louisiana, advised she had no record of this license plate, which had not been issued at Concordia Parish.

On 8/20/71, Dispatcher RICHARD HONEYCUTT, Troop E, Louisiana State Police (LSP), Alexandria, Louisiana, was requested to search the above license through the Motor Vehicle Bureau, Baton Rouge, Louisiana. He advised that license was registered to Scallon Brothers Construction Company, Incorporated, 1230 Veterans Highway, New Orleans, Louisiana, on a 1970 Ford F 100 pickup truck, VIN FLOYL835606.

SILIVER DOLLAR GROUP

There have been no meetings held of the Silver Dollar Group during the past year in the Natchez area. As far as is known, there has been no contact with GORDON DAVIS VINES of Centreville, Miss., by any member of the unit.

KLAN UNIT
FERRIDAY, LA.

JAMES HARBER AND DAVID KENNEDY have not attended the last few meetings of the UKA Unit and several of the members are beginning to ask questions why they are not in attendance. On one occasion, it was discussed during the meeting

whether or not to expell both of them for non-attendance and non-support.

On 9/25/70, no meeting was held of the new unit. C. B. TODD and others were seen talking at the Barbeque Pit located on North Highway 61 in Natchez, Miss. TODD was overheard to mention that he had finally separated from his wife because she was running around on him.

On 10/2/70, a meeting was to be held at the Levee in Concordia Parish, La. However, JOHN KAHL, the EC of the unit, as well as STEVE O'QUINN, WILLIAM HENSON, J. D. MONTGOMERY, and DONALD WILKINSON were overheard to hold a meeting in front of the Woolco Store in the early afternoon of that date. KAHL told the group that he had been contacted the previous day by two Agents with the Alcohol Tobacco and Firearms Unit of the Internal Revenue Store in the early afternoon of that date. KAHL told the group that he had been contacted the previous day by two Agents with the Alcohol Tobacco and Firearms Unit of the Internal Revenue. KAHL told the group that the two Agents had wanted to discuss with him any knowledge that he might have concerning the possibility of individuals in the Natchez, Miss. area being in possession of automatic weapons. KAHL indicated to the group that he was very concerned as to how they might have obtained his name and indicated that he did not want to have any meetings in the near future and that he would contact the people of the unit when he wanted a meeting to be held.

KAHL mentioned that he recently had taken a trip to Morgan City, La., to see his father-in-law, KENNETH NORMAN HEAD, but made no mention as to whether or not HEAD had furnished to him any information concerning the possibility of his, HEAD's, returning.

On 10/16/70, DONALD WILKINSON and RED GLOVER were overheard talking at the Barbeque Pit located on North Highway 61 in Natchez, Miss. GLOVER was overheard to say that he was planning on to returning to the Natchez area

in the near future but that he would maintain his permanent residence in Kentwood, La. GLOVER indicated that he is being harassed by local law enforcement officers as well as "the Feds" in the Kentwood area and stated that apparently they suspected him as being tied-in with several caches of dynamite that have been located in the Kentwood area. GLOVER expressed surprise that they would even consider him being involved in such activities.

Insofar as is known, none of the members of the UKA Unit in Ferriday, La., are planning to attend the 1970 National Klonykation at Tuscaloosa, Ala., during late November, 1970. No recruiting activities insofar as is known have been carried on by any UKA members with the exception of during the month of August, 1970, the EC of the unit, JOHN IRVIN KAHL, had read a letter to the unit from W. J. KIDD, P. O. Box 188, Swartz, La., who alleged to be the Grand Dragon of the Realm of La.

MAY 18, 1970
CONTINUING VANDALISM

On June 17, 1970, Louisiana State Fire Marshals Lloyd Perkins and Lawrence Roberts advised they had determined that J. M. Blaney, an uncle of Wesley J. Blaney and James Edward "Bill" Blaney, has a white Volkswagon automobile and that he lives on the Doty Road, which is a gravel road just outside Harrisonburg, Louisiana, on the highway between Harrisonburg, Louisiana, and Sicily Island, Louisiana. They have also determined that Dewey Blaney, another uncle, who also lives on the same road as J. M. Blaney, owned a white or light-colored Volkswagon sedan until about one week after the fires at Sicily Island, for his wife wrecked the vehicle at that time. Dewey Blaney suffers from severe mental problems and is incoherent much of the time.

Later on the same date, they advised they had interviewed Wesley J. Blaney, James Edward "Bill" Blaney, and Kenneth Norman Head, pursuant to subpoena, and that all of these men denied any knowledge of who set the fires in Ferriday or Sicily Island recently, denied using any white or light-colored Volkswagon belonging to anyone, and Head furnished a list of what he considered were black suspects for the arson at Ferriday.

On June 18, 1970, Lloyd Perkins advised he would have subpoenas issued to Dewey Blaney, J. M. Blaney and possibly others to appear next week for interview regarding the fires at Sicily Island, Louisiana. As yet, no specific evidence has been developed to indicate who is responsible for the fires at Ferriday or at Sicily Island, Louisiana.

The following were interviewed by Agents of the Federal Bureau of Investigation regarding the fires as well as other matters

Mr. WESLEY J. BLANEY was advised of the identity of Special Agents JOHN A. PFEIFER and JAMES A. WOOTEN and Special Agent PFEIFER advised him of the nature of the nature of the interview, after which Mr. BLANEY furnished the following information:

He still lives at Route 1, Clayton, Louisiana, at the home of his mother, which is located in Catahoula Parish on a gravel road between Clayton and Sicily Island, Louisiana. He remains single, and he works at Fortenberry Drilling Company, Natchez, Mississippi, as an oil field worker. His brother, JAMES E. "BILL" BLANEY, who lives in Natchez, Mississippi, also works for Fortenberry. He advised his mother has a telephone at her house, which is 318-389-5885. His personal car is a 1969 white Pontiac Catalina, four-door sedan, with current Louisiana license, number unrecalled. His mother's vehicle is a 1963 white Chevrolet pick-up truck with current Louisiana license plate. This vehicle has cattle racks, but these racks have not been used in the truck for several months. He has two uncles who live between Sicily Island and Harrisonburg, Louisiana, on the Doty Road. One of these is DEWEY BLANEY, his father's brother, whose car is a 1966 Pontiac sedan, white in color, and according to his mother, DEWEY BLANEY also had a Volkswagon sedan, color unknown, which DEWEY BLANEY's wife wrecked recently. The other uncle is a half-uncle, his father's half-brother, J. M. BLANEY, who drives a pick-up truck and some type of automobile, but he is unaware of what kind. He has never borrowed any vehicles from J. M. BLANEY or DEWEY BLANEY, and it has been four or five months at least since he has seen either of them. He hasn't been to or through Sicily Island, Louisiana, since them either.

He recalls the fire in Ferriday when the Cornet Restaurant was burned, for he had been at home, which can be vouched for by his mother, when the fire took place. He usually leaves home at about 5:30 a.m. to go to Natchez to work, and as he passed Cornet Restaurant, he noticed a

number of officers and people at the place and learned it had been burned. He has no idea who burned the restaurant, but assumes that blacks did so, and he knows of no motive any whites would have for burning the restaurant.

On or about May 22, 1970, he was in Ferriday for the graduation held at the Ferriday stadium, and after the graduation, he went to a cafe or two, had some drinks, and went directly home, arriving about 10:00 p.m. or 11:00 p.m. Again, his mother can confirm this as well as the fact that he did not leave home after that time until he went to work about 5:30 a.m.

He advised he later heard there was a fire at some black houses in or near Sicily Island, but he does not know who, if anyone, burned these places.

He stated that he had been arrested along with KENNETH NORMAN HEAD and JAMES E. "BILL" BLANEY by Trooper JOHN BLUNSCHI at Ferriday, Louisiana, about two months ago for littering. This was because it was claimed they were throwing klan pamphlets out the window of his car. He does not know if the klan printed these pamphlets or not. A night or two before the incident, a man whose voice he could not recognize asked him to pick up a bundle of the pamphlets on the levee outside Ferriday and to distribute them, and he did. This was because the pamphlets were against Communism, and he is against Communism.

No one has ever asked him to join the Minutemen or any klan organization, and he has never belonged to any such organization.

He has no interest in what goes on in Sicily Island or Ferriday and does not care what the blacks and whites do to each other. He has no information indicating who set any of the fires in those towns.

Following interview, Mr. BLANEY was observed to be driving a 1969 white Pontiac Catalina four-door sedan with 1970-71 Louisiana license 69 E 355.

Mr. BLANEY was observed to be a white male, aged about 27, six feet tall, 150 to 155 pounds, slender and wiry build, green eyes, blond hair, lean features.

JAMES EDWARD "BILL" BLANEY, 508 Monroe Street, Natchez, Mississippi, was interviewed at the Concordia Parish Courthouse, Vidalia, Louisiana, and furnished the following information after having been advised of the identity of the interviewing Agents:

BLANEY is still married to LINDA MORACE, the daughter of E. D. MORACE, and they have one child. They have lived in Natchez, Mississippi, the past two years. BLANEY has lived at his present address in Natchez, the past fourteen months and prior to that lived on the 700 block of Rankin Street, in Natchez. He is employed as a roughneck for Fortenberry Drilling Company, Highway 61, Natchez.

BLANEY owns and drives a 1967 blue Mercury, bearing a Mississippi license plate, the number unrecalled by him.

BLANEY denied knowing anything at all about the klan and denied he has recently or ever attended a klan meeting. He denied knowing anything at all about any house or houses having been burned in the Sicily Island, Louisiana, area. He denied knowing anyone who drives a white colored Volkswagon and said he has never been inside a Volkswagon car.

BLANEY was observed to be a white male, aged about 25, six feet one inch tall, 175 to 185 pounds, dark brown hair, blue eyes and muscular build.

Mr. KENNETH NORMAN HEAD was advised of the identities of Special Agents JOHN A. PFEIFER and JAMES A. WOOTEN, and Special Agent PFEIFER advised him of the nature of the interview after which Mr. HEAD furnished the following information:

He knows nothing about what caused the fires in Ferriday, Louisiana, and Sicily Island, Louisiana, but he is sure the blacks started them and has furnished the Fire Marshal with a list, which is about two years old, of the blacks that are trouble-makers in Ferriday. The source of this list was "investigation" conducted by "some of his friends."

He stated he has one child that attends school, and this child goes to the Concordia Christian Academy. This costs him about \$68 per month, and is a severe economic problem for him. His daughter is married to JOHN KAHL, and they live on the Ferriday-Vidalia Highway, but they do not have any children of school age as yet. He, himself, continues to work at New and Hughes Drilling Company in Natchez, Mississippi, and he and his family live on Lake Concordia, outside Ferriday.

He and several of his friends have decided to take precautions to protect themselves and their families in the event the blacks in Ferriday run wild, and he is sure this is going to happen "sooner or later," because of the way the Communists are taking over the country. He and his friends are not Minutemen, nor is their group really organized or to be considered a klan group. He has passed out rigid orders to all of them that they are not to be involved in any trouble between blacks and whites, but are to protect themselves and their families if directly endangered. He has no faith in the ability of the Sheriff's Office and the City Police to keep order, and when the blacks "run wild," they are expected by him "to run right over the Ferriday Police and the Sheriff's deputies."

He knows RALEIGH JACKSON "RED" GLOVER and sees him every now and then, but he is certain GLOVER has had no connection with the fires.

He has a number of ancient, inoperative cars at his home, but the ones he and his family use are as follows: his vehicle is a New and Hughes Drilling Company truck, dark gray-sih brown in color, with a flatbed and a winch on the back, which he uses to go to and from work. He also drives a 1968 yellow Ford pick-up truck with white top and open bed. (This vehicle was observed to have 1970 Louisiana license 268-445.) His wife uses a 1965 Oldsmobile Starfire, four-door sedan, navy blue in color with a silver stripe. (This vehicle was observed to bear 1970 Louisiana license 69 E 023.)

JOHN KAHL drives a new Ford Maverick, black in color. (This vehicle was observed to bear 1970 Louisiana license 69 E 707.)

He advised he has never owned a Volkswagon sedan and has no friends with such an automobile.

Mr. HEAD was observed to be a white male, aged about 41 years, five feet eleven inches tall, 150 to 160 pounds, slender build, brown hair and brown eyes.

JOHN KAHL, who was observed at the residence of HEAD, was observed to be a white male, aged in his early twenties, five feet eight inches tall, stock build, dark brown hair, and his wife was observed to be a white female, aged in her early twenties, five feet five inches tall, medium build, washed-out blond hair.

Mr. HEAD's house was observed to be a pink asbestos shingle house on the edge of Lake Concordia, Louisiana, with several junked cars in front as well as a large, silver painted anchor set on a gravel base.

Mr. RALEIGH JACKSON "RED" GLOVER was advised of the identity of Special Agents JOHN A. PFEIFER and JAMES A. WOOTEN, and Special Agent PFEIFER advised him of the nature of the interview, after which Mr. GLOVER furnished the following information.

He has lived now and for the past two months at a furnished apartment at the end of Ashburn Avenue in Natchez, Mississippi, and his landlady is Mrs. H. K. WILKERSON. He still works at Armstrong Tire and Rubber Company, Natchez, Mississippi, on the midnight to 8:00 a.m. shift, and he usually goes home on weekends to Kentwood, Louisiana, where his real home is located. His wife's son is JAMES WATTS, whose family lives in Natchez, Mississippi. They have only one child of school age, a boy, but he was not able to start school because he put out one of his eyes in an accident while playing with a pen-knife.

He has only heard vaguely about the recent fires in Ferriday, Louisiana, and does not believe he has heard about any fires in Sicily Island, Louisiana. It has been six years since he has been in Sicily Island, and he usually does not go near Ferriday, for he has no interest in the place or in what the whites or blacks do there.

He knows "BILL" BLANEY as the son-in-law of the deceased ED MORACE, but he has not seen BLANEY for "quite a while." He usually sees KENNETH NORMAN HEAD about once a week. The last time he saw him was about one week ago, at J. B. TEMPLE's store, Temple Auto Parts, in Vidalia, Louisiana. HEAD made no mention of the fires in Ferriday or Sicily Island, then or previously.

He still buys auto parts from J. B. TEMPLE, and in the past month or two has bought about \$300 worth of auto parts from him.

He stated he believed the Federal Bureau of Investigation (FBI) had tried to implicate him in a burglary at

Tumminello's Grocery in Ferriday two or three years ago, that he is being spied on by personnel at his place of employment, and that he is sure they are writing down his car license numbers and the identities of his associates and that the FBI is "always talking to me every time a nigger gets burned up or blown up." Special Agent PFEIFER assured Mr. GLOVER he was mistaken about the above assumptions.

Mr. GLOVER stated he works with blacks and does not cause them any trouble, but because they always seem to make trouble for him one way or another if he associates with them, he tries to stay clear of them at all times.

He denied belonging to any Minutemen or klan type organization and stated he has no interest in what the whites or blacks do to each other.

Mr. GLOVER was observed to be a white male, aged about 48, five feet nine inches tall, blue eyes, 165 to 170 pounds, reddish hair, balding forehead, pale complexion, wearing clear plastic lensed glasses.
