July 19, 1964

The Copiah County Rod and Gun Club, located on the Bankston Road Route 1 Crystal Springs, Miss. as of July 19, 1964 has completed the concrete block club house, on the property of H. L. Uptow, with the exception of putting window frames and casings in the two small windows.

Since about the first of July 1964, the road, Bankston Road, which runs in front of the club house, has been under heavy construction, and this has prevented access to the club and no meetings have been held there.

During this time each Thursday night, according to Dick Wilson, a Negro who lives near the club house, meetings of the Rod and Gun Club have been held at 7 PM in the vacant house belonging to James Donnely located $1\frac{1}{2}$ miles east of Parson's store, on Henry Road.

Donnely is white, male, age about 50, height 5'9", and weighs 150-155 pounds. He works for Kuhlman Electric Co. in Crystal Springs. He is a member of the Rod and Gun Club.

When the Rod and Gun Club met in the Club House in the last meeting Thursday night, June 18th, 1964, Donnely directed traffic into this club area and about 20 cars were there.

James Spears, who works as a lineman for Mississippi Power and Light Co., and lives in Crystal Springs is active in the Rod and Gun Club. He is white, male, age 45, ht. 6', weight 180, and rugged face.

Apparently, the Rod & Gun Club will again meet at the Concrete Block Club house when the road is completed.

Attached hereto is a pamphlet titled "The Klan Ledger" dated July 4, 1964. This is being made a 1A exhibit.

On 7/31/64 the writer, while interviewing in connection with another master, received the pamphlet from Miss CAROLYN SEALS, a NF, age 17, who resides in the Pleasant Grove Community, Route 4, Jackson, Mississippi.

She advised that about two weeks previously a white 1962 Chevrolet four door, occupied by two white males, drove through the community and the white man on the passenger side was throwing out these pamphlets. She stated this occurred about 7PM and she did not get a good look at the men in the car and would be unable to identify them. She did not observe the license plate or anything about the car which might aid in identifying or locating it.

She related should she see the car again, or a car she believes is identical to the car she will try to get the license number and contact the Jackson Office.

Re: White Knights of the Ku Klux Klan
of Mississippi

A confidential source, who has furnished reliable information in the past, furnished information on July 23, 1964, regarding a meeting of the Bogue Home Hunting and Rifle Club (Laurel Klavern) of the White Knights of the Ku Klux Klan of Mississippi held on July 21, 1964, near Laurel, Mississippi.

This source stated that it was mentioned at this meeting by some of the members that they had been cursed by some teenage Negroes on South Fourth Street, Laurel, Mississippi, on the evening of July 18, 1964.

As a result, a plan was formulated by the members to have four pickup trucks containing Klansmen riding in the rear of these trucks traveling around Laurel, Mississippi, and in the event a Negro threw a rock or some other object at these trucks, the Klansmen would get out and beat up the Negro.

It was also reported at this meeting that Negroes were alleged to have been forcing white women drivers off of the roads and thereby forcing them to stop. As a result of this report the Klansmen will have four cars traveling on the roads using women drivers for decoys.

The above information was provided to Chief of Police L. C. Nix, Laurel, Mississippi, Police Department, and to Robert W. McMinn, Chief Deputy Sheriff, Jones County, Mississippi, on July 23, 1964.

A characterization of the White Knights of the Ku Klux Klan of Mississippi is set forth on the attached page.

This memorandum is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

WHITE KNIGHTS OF THE
KU KLUX KLAN OF MISSISSIPPI

A source advised that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan (OKKKK) from the State of Mississippi met at Brookhaven, Mississippi. Those present decided to defect from the OKKKK and to form their own klan group in Mississippi to be known as the White Knights of the Ku Klux Klan of Mississippi.

This source advised that the aims and purposes of the White Knights of the Ku Klux Klan of Mississippi are to preserve Christian civilization, protect and promote white supremacy and the segregation of the races, to fight communism and to extend the dignity, heritage and rights of the white race of America.

On July 27, 1964, Mrs. RICHARD G. KING who operates the city cleaners and resides next door to it on U. S. Highway 84 in Meadville, Mississippi, appeared at the Jackson Resident Agency Office, 226 Post Office Building, and furnished the following information. On the night of July 21, 1964, she said her yard at home was "literally covered" with copies of the following listed items: The Klan Ledger issue of July 4, 1964, a memographed sheet "A Plaintive Cry" and a memographed sheet titled "Citizens of Franklin County." She furnished one copy of each of these documents which are being identified and made a 1-A exhibit.

Mrs. KING said that on July 22, 1964, several friends had told her that her cleaning establishment would be burned this week unless she fired the Negro employees and particularly AUGUSTINE SHORT. Mrs. KING said that she lives next to her cleaning establishment and if it burned her house will burn also. She says that she has four small children and is afraid of what might happen to them. She says that she has been "night watching" every night for several nights with weapons and as she does not intend to fire the Negroes she anticipates she will have trouble. She said that she preferred that the above information not be revealed outside of the FBI. She said she had told WAYNE HUTTO, the Sheriff, about the pamphlets being thrown in her yard and asked if he was going to try to find out who did it. She said he told her he could not do any more than he was doing as he had only one deputy. She interpreted this as meaning that he did not intend to do anything about it. She said she told HUTTO she was going to set up and "night watch" and he told her this might be a good idea. She said she owned a store known as the "Leesdale Store" just across the Franklin County line in Adams County which burned about 4 or 5 months ago and it was investigated by the State Fire Marshal who did not find out anything. She said also on July 18, 1964, at Crosby, Mississippi, the Hilltop Inn was burned and while she and her husband did not own this store they owned the equipment in it and had a brand new juke box in it, all being destroyed. She said she and her husband also had a juke box in JOHN CLARKS' cafe which was bombed in Bude, Mississippi, recently and the juke box was demolished. She said she suspects the following persons are probably members of the KKK but regardless of this she believes they are all involved in the violence going on in Franklin County: JAMES SEALES

Memo to SAC, Jackson

who lives 12 miles south of Meadville in the Bunkley community who reportedly beat ALTON ALFORD with a belt or strap so badly ALFORD went to the hospital. She said SEALES himself reported this incident to the Sheriff and claimed that ALFORD shot at him and his act was in self defense. She likewise said on the night the cafe was bombed in Bude her husband and a Negro man drove to Bunkley and at 4 a.m. the morning of the bombing saw a light on the porch of JAMES SEALES' house, saw a number of cars parked near his house and a group of men on the porch. She said she feels certain SEALES had a hand in the bombing.

ARCHY PRATHER - who lives in the same area as SEALES and whom she believes is likewise involved in the violence.

JESSE HALFORD who resides in Meadville and associates with SEALES and PRATHER.

DICK CRIMM, Pure Oil Station, Meadville, Mississippi. She stated there is a great deal of activity around this station after it closes for the night and she has noted this activity ~~preceding~~ the distribution of material as discussed above. She said a Highway Patrolman last name BEASLEY of the MHSP hangs around this service station. She said she had information that Tuesday night July 21, 92 cars were parked at the "Old Ward Place" in Franklin County and she believes this was a KKK meeting. She said that she had been told that the HALTOM Lumber Company in Franklin County had to fire all the Negro employees or be burned out. She said she heard the Negroes had been fired. Mrs. KING said she would be glad to furnish any information she could to the FBI and she had no objection to going to Natchez to the RA there or having an Agent contact her at their place of business. She said she is on a straight line both at her business and home and has no fear of any eavesdroppers to her telephone calls. She said her husband was "not well" and he looked out after the music machine business and she attended to the dry cleaners. She likewise stated she was a cousin of former SA GEORGE A. EVERETT who has retired.

The above information was furnished telephonically to SA C. G. PROSPERE at Natchez and it was suggested that he contact Mrs. KING as she apparently would be a good source of information on affairs in Franklin County. He said he would do so immediately. It is suggested that this memorandum be routed to SA CALLANDAR in New Orleans for his information and channeling to the appropriate file.

On 7/28/64, informant contacted the Hattiesburg RA at 9:18 a.m. and requested he be met by contacting Agents at 6:30 p.m. that date at a previously arranged location.

At 5:50 p.m., he called the RA and advised he would be unable to keep the above appointment.

Later, at 6:45 p.m., he recontacted the RA and requested that he be met at a different location. He was contacted at 7:25 p.m., under secure conditions ten miles South of Hattiesburg on Interstate Highway 59.

Informant advised that the following changes had been made in the organizational structure of the Forrest County, Miss., KKK Klavern:

DAYTON GILLESPIE has been named the head of the Forrest County Klavern and HERMAN G. KELLUM now holds the position of secretary of this klavern.

The following named individuals are also members of this klavern:

DEAN EVANS
LLOYD LEFAN
JIMMIE GRAYSON
HUBERT JORDAN.

In addition, informant has learned from other klan members that the following individuals are members of the Forrest County Klavern but he does not know this of his own knowledge:

THERON LYND, Circuit Clerk of Forrest Co.
JIMMY WATTS
JOE ALBRITTON
HENRY HENNINGTON

Informant advised that Forrest County Klavern, of which he is a member, has assigned klan members to take up positions at recently integrated lunch counters in W. F. Woolworth and S. H. Kress department stores, Hattiesburg, Miss., for a one week period, commencing 7/29/64. The purpose of the above is to conduct a survey to ascertain the time

when the most Negro customers frequent these lunch counters. Two klan members will be present on two-hour shifts throughout the day during this period. When the klan determines the day and time when the largest number of Negroes patronize these lunch counters, they intend to raid both lunch counters in force on a date to be chosen after the survey is completed. The raid will be conducted with the intention of "beating and whipping" the Negro customers present.

Informant is participating in the above-described survey and has been assigned by the klan to the 1:00 p.m. to 3:00 p.m. shift at S. H. Kress store on Saturday, 8/1/64. He was unable to furnish the identity of the other person who will take part in the survey with him and has no knowledge as to the identity of those members assigned to carry out the beating.

During this contact, informant was offered payment of \$50 for the information furnished and he stated that he would later discuss that situation at another time. Contact with him was brief due to the fact that he had prior commitments, however, he stated he wanted to get this information to us at the earliest possible time. He advised that he has an excuse for not participating in the actual beating, if this does occur, which will not arouse any suspicion.

Informant advised that he could not be contacted during the morning hours at his place of business and could not be contacted at home.

[redacted] advised that on a previous meeting with ERNEST PARKER that PARKER made the comment regarding the three missing workers at Philadelphia, Mississippi, that they had been taken care of. [redacted] stated PARKER had a peculiar grin on his face when he made this statement, however, [redacted] attached no significance to this statement when it was made as he felt PARKER was merely expressing his opinion. [redacted] stated that on 7/18/64, he was in conversation with DOUGLAS A. BYRD and BILLY BUCKLES and that BUCKLES made the statement that DEES was a victim of circumstances if they had to get them both. BUCKLES made the statement that he lived within "spitting distance" of MOORE's home.
[redacted] pointed out that BUCKLES and PARKER are close associates and he therefore believes that PARKER may have had definite information which lead him to make the statement that the three workers had been done away with. [redacted] pointed out that ERNEST PARKER was a millionaire who owns his own private plane and numerous automobiles and trucks, and could therefore have easily been involved in the doing away with the three missing workers and removing them to the areas of Yucastan Island in the Mississippi River which he owns.

and desires to locate another klansman, the first klansman will inquire regarding a family or a manufacturer or a street or product by the name of "KAMIN". If the second individual is a klansman, he will reply that he knows of no such family, etc. by the name of "KAMIN" but he does know such a family, etc. by the name of "CAMIN".

In addition, if a klansman sees an individual and wishes to determine by signal if this individual is a klan member, he scratches the bridge of his nose with his right index finger in a horizontal position. If the individual being signaled is a klansman, he will answer the first signal by scratching his nose in a similar manner with his left index finger.

According to informant, there is no association at the present time nor is there a working agreement between the different groups of klansmen in the state of Mississippi. He stated, however, BILLY BUCKLES, the Grand Giant at Meadville, Miss., is attempting to work out such an agreement. Informant advised there are four separate klan groups operating in the state of Mississippi, namely, the Original Knights of the Ku Klux Klan (OKKKK) (Louisiana); the Mississippi Knights of the Ku Klux Klan (MKKKK) (Gulf Coast of Mississippi); the United Klans of America (UKA) (Tuscaloosa, Alabama), operating in the Pike County area of Mississippi; and the White Knights of the Ku Klux Klan (WKKKK) of Mississippi headquarters located in Laurel, Miss., and operating in 60 counties of Mississippi.

on him. He stated that he would need the Klan to help him this summer when the outside agitators come to town. He came to the meeting in the company of JACK SEALE and DOUGLAS BYRD.

It has been brought to my attention that ED FULLER and his brother and the white male named MC KINNEY that is the leader of SLIGO Unit are the men that shot the colored male in Kingston recently. The colored male is supposed to have been going with the niece of ED FULLER, the daughter of his brother, C. W. FULLER of the Kingston area.

The Sheriff also stated that the law enforcement officers that were Klan members should consider getting out of the Klan for the present. He was of the opinion that they may put the entire group in a dangerous position.

Report from this informant states that the information of the Kingston shooting did not come from Sheriff ANDERS.

In the above report informant advised that a large part of the meeting was taken up with the issue of the SLIGO Unit coming back to the nest. Report states that MC KINNEY stated that State Investigator JOE GILBERT had told him on a visit last week that he, MC KINNEY, was going to hire the best attorney money could buy to get him (MC KINNEY) out of it this time. MC KINNEY stated he and his group may be in trouble again and wanted to know if he could expect help when the time came. MC KINNEY also stated that he thought the Sheriff would arrest him in connection with the above mentioned shooting and further that he was in the area when the shooting occurred.

AMERICANS FOR THE PRESERVATION
OF THE WHITE RACE (APWR)

On July 18, 1964, Mr. GEORGE KEITH, editor of "The Carthaginian," a weekly newspaper at Carthage, Mississippi, advised an Agent of the FBI that he attended the regular weekly meeting of the Americans for the Preservation of the White Race (APWR) at the Leake County Community House, Carthage, Mississippi, on July 13, 1964, at the invitation of some of the members, he himself not being a member. KEITH advised that the principal speaker at this meeting was State Senator PAUL LEE who was elected to the Mississippi State Senate from Leake, Scott and Newton Counties, Mississippi. LEE resides at Carthage, Mississippi. KEITH advised that LEE's remarks were primarily an explanation of the recent legislation passed by the State of Mississippi relative to setting up of a private school system in Mississippi. The principal point in this recent legislation was the setting up of a fund so that school children could obtain \$185 per year for tuition in order to attend a private school. KEITH said that LEE did not get into any controversial matters but was speaking in order to advise the organization of action taken by the State Legislature.

KEITH said the following twelve persons were named as the Board of Governors of the APWR at Carthage, Mississippi:

BLUE GUNN, Beat Number 4, Lena, Mississippi.

ROBERT LEE WEIR, Beat Number 2, residing about three miles east of Carthage, Mississippi.

THURMAN SANDERS, Beat Number 5, Freeny, Mississippi.

RE: AMERICANS FOR THE PRESERVATION OF THE WHITE RACE

PAUL JOLLY (address and occupation unknown).

MILLER FREENY, Beat Number 2, a car salesman at Carthage, Mississippi. KEITH noted that FREENY was absent at this meeting.

BOBBY CHENNAULT, District Number 4, Leake County, Mississippi.

ELVIN HANNAH, Beat Number 5, a retired merchant residing at Walnut Grove, Mississippi.

DEMPSEY LEE JOHNSON, Beat Number 2, manager of a loan company, Carthage, Mississippi.

ROBERT QUICK, whose employment and residence is not known but who hangs around most of the time with Sheriff RUSSELL EDWARDS at the Leake County Sheriff's Office, Carthage.

JACKIE HENRY, who is employed at Vickers Plant, Jackson, Mississippi, and resides at Carthage, Mississippi. KEITH noted that HENRY was absent from this meeting.

JOE SANDERS, believed to be a farmer but address not known.

BARNEY ELLIS, Beat Number 5, a barber at Carthage, Mississippi.

KEITH advised that it appears that the organization will rely on the above twelve persons to guide and direct their activities, however, no specific assignments or activities were discussed at the meeting.

KEITH advised that the publicity committee of the APWR was named at this meeting on July 13, 1964, and the committee is as follows:

BILLY GANNANN, a rural mail carrier at Carthage, Mississippi.

HAYWOOD HARPER, address and employment unknown.

RE: AMERICANS FOR THE PRESERVATION OF THE WHITE RACE

JOE C. FAULKNER of the Singleton Community north of Carthage, Mississippi.

KEITH advised that the committee of the APWR which has been interested in following school desegregation in Leake County, Mississippi, which matter is being heard in Federal Court at Jackson, Mississippi, was renamed at the meeting on July 13, 1964, and the committee is now called "Committee to Work with the Superintendent of Education" (Leake County). This committee is composed of the following: O. W. DAVIES, JIMMY FOSTER, JACK SESSUMS, AUSTIN HOWARD.

KEITH also noted that the following persons were present at the July 13, 1964, meeting: J. E. HANNAH; BILL LOFTIN; JACK CHENNAULT, employed at the Co-op at Carthage, Mississippi; WARNER JOLLY and TALMADGE WATKINS, who operates a milk route for the Mosby Dairies of Canton, Mississippi.

KEITH noted that neither RAY HENDERSON, PURVIS CULPEPPER or any of several persons suspected of klan organization membership in Leake County, Mississippi, were present at the APWR meeting on July 13, 1964. KEITH pointed out this is a little unusual since some of these people were the ones who organized the APWR at Carthage, Mississippi, originally.

KEITH advised that DEMPSEY LEE JOHNSON, manager of a loan company, Carthage, Mississippi, gave a report to the meeting for the Board of Governors. DEMPSEY indicated the Board of Governors met on Tuesday, July 7, 1964, and only three members of the Board showed up for the meeting. DEMPSEY's principal remarks were to the effect that some of the members of the APWR "don't believe in what we are trying to do," and DEMPSEY urged action to strengthen the membership requirements. It was suggested that if a person misses three meetings he should be dropped from membership in the APWR but no action was taken on this suggestion.

KEITH said immediately after DEMPSEY finished speaking LEE GILMER, a young man who is a welder for the Henderson South Plant at Carthage, Mississippi, spoke up. GILMER said "the reason we don't have any interest in this organization is because we don't have any action." When GILMER made this remark he got the

RE: AMERICANS FOR THE PRESERVATION OF THE WHITE RACE

loudest applause of the night and the members present apparently approved of GILMER's call to action. GILMER mentioned that the Negroes who are mentioned in the pending Federal suit relative to integration of the schools in Leake County are known publicly since their names have been in the newspapers. GILMER suggested that possibly these were the people against whom some action should be taken but did not suggest any specific action.

KEITH said immediately after GILMER spoke, RAY COCHRAN, operator of an electric motor shop, Carthage, Mississippi, got the floor and mentioned that one of those "who they ought to get" is S. O. "OGIE" WILLIAMS, a Negro store owner in the Harmony Community of Leake County, Mississippi. KEITH provided background information on WILLIAMS indicating that he is doing a thriving business in the Harmony Community which is populated primarily by Negroes and some of the white merchants in that section of the county are upset because their business has dropped off sharply in recent months. KEITH also pointed out that S. O. "OGIE" WILLIAMS is half white and half Negro and possibly this has caused some antagonism toward him. KEITH said no action was proposed relative to WILLIAMS other than that mentioned above.

KEITH said that in general conversation around Carthage, Mississippi, during the past week he learned through JOHN GROSS, owner of the Pepsi-Cola Bottling Company, that several route salesmen in Leake County, Mississippi, including HAYWOOD HARPER who works for a drycleaning establishment, and JOHN GREGORY who works for the Standard Oil Distributing Company, had been recently told by TROY WILCHER, a white man who operates a country store near the Harmony Community, that if these route salesmen and wholesalers continued to sell goods to S. O. "OGIE" WILLIAMS that the other white rural merchants in Leake County would refuse to buy from these companies. KEITH explained that TROY WILCHER apparently had been told by someone whose identity is not known to pass this word out to all the rural route salesmen to try and "put the squeeze" on WILLIAMS economically. KEITH said he did not know if the APWR was responsible for this action or just who was behind it.

KEITH advised that during the past week he has been in conversation with "CHICK" COGHLAN, operator of a jewelry

RE: AMERICANS FOR THE PRESERVATION OF THE WHITE RACE

store on the east side of the square at Carthage, Mississippi, and COGHLAN seems to know a lot about how klan type organizations operate. COGHLAN explained to KEITH about how the meetings are held and about voting on "jobs" which the klan plans to pull. COGHLAN explained that they would take several klan members from one county and they would then meet other klansmen from a different county and then go to a third county, some distance away from their homes to "pull a job." KEITH said based on COGHLAN's apparent knowledge of how the klan operates he would strongly suspect that COGHLAN is a klan member but COGHLAN has never admitted the same and has never invited him, KEITH, to join a klan organization.

SUBJECT: ANONYMOUS PHONE CALLS, JACKSON,
 MISSISSIPPI, FBI OFFICE, EVENING
 OF JULY 20, 1964

A series of telephone calls were received as set forth in attached letterhead memorandum. An attempt was made through the cooperation of Mr. CLARENCE LOTT, Vice-president and General Manager, Southern Bell Telephone Co., who ordered their supervisors to the office where they remained on duty until midnight to identify the anonymous caller, however it was impossible to keep him on the line sufficient length of time to do so. During this interval, one Agent was operating the FM radio and four agents were on stand by at radio cars ready to move out should the place have been identified from which the call was being made. The only person, under suspicion as a result of agents interviewing Klan Members, having made the call was one PRICE GRAY, a Ku Klux Klan member who was interviewed 7/20/64. A pretext telephone call was made to GRAY's resident at which time SA RICHARD E. LONG who received the anonymous call, listened in and while he could not be positive he believed that GRAY's voice was similar to that who made the anonymous call earlier in the evening.

SUBJECT: TELEPHONE CALLS FROM UNKNOWN
MALE ON 7/20/64 (948-5421)

At 12:39AM a pretext phone call was made by SA COOK to telephone number 355-0679. A woman answered the phone and SA COOK asked to speak with "Price." Eventually a man answered the phone and SA COOK inquired as to what time he closed his service station and whether he had ever been in the Army. The man said he had ^{been in the Army} and wanted to know who was calling. SA COOK told him it was a "friend" and the man said he didn't run a service station. SA COOK then inquired as to his last name and he said GRAY. He was then told by SA COOK that this must be the wrong person.

During this conversation SA RICHARD E. LONG listened in and is of the opinion that the voice of PRICE GRAY is very similar to the voice of the person who made the earlier calls.

FROM : SA SAMUEL E. VIRDEN, II

SUBJECT: WHITE KNIGHTS OF THE KKK

Re your instructions this matter.

On the above date I contacted Atty General JOE T. PATTERSON and asked him if there were any laws of the State of Mississippi relating to the KKK and banning either that or similar organizations. He said that Section 2416 of the Mississippi Code of 1942 titled "Whitecapping" was the only section of the Missiswippi Code which would have application to the KKK as far as he knew. He had three copies of this section Xeroxed out of the code, which are attached.

In regard to the illegality of secret meetings of the KKK he stated there was no law to prevent such meetings, ~~provided that the persons who are~~
~~violations of the other statutes xxxxxxxx~~
He said that in his opinion the freedom to assemble would apply to the KKK as well as to other groups provided no other laws were broken in so doing.

I. ORIGIN AND PURPOSE:

NO T-1 advised on February 19, 1964, that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan from the State of Mississippi, met at Brookhaven, Mississippi. NO T-7 advised on February 17, 1964, that it was announced at a meeting of the WKKKKOM held on February 5, 1964, at Clinton, Mississippi, that the Klan is organized in 35 counties of Mississippi and has a total of 1,800 members.

NO T-1 advised on February 21, 1964, that at a state meeting of the WKKKKOM held on February 15, 1964, at Brookhaven, Mississippi, officials claimed a total membership of 3,000 persons.

NO T-6 advised on May 15, 1964, that the last reported total membership of the WKKKKOM is alleged to be between 5,000 and 6,000 members.

NO T-3 advised on June 14, 1964, that at a state meeting of the WKKKKOM held on June 7, 1964, near Raleigh, Mississippi, HARRINGTON, state organizer, made the statement that the WKKKKOM had approximately 3,000 members.

NO T-4 advised on June 23, 1964, that recruiting of new members of the WKKKKOM is done by the local members of each Klavern and prospective members are "screened" by all of the local members. If two members of the local Klavern vote against admitting the prospective member, this individual is not allowed to join. If one member of the Klavern votes against the prospective member, the Klansman voting against the prospective member consults with the Klavern investigator, and if the investigator agrees with the Klansman that the prospective member should not be admitted, the investigator then notifies the Klavern Exalted Cyclops, and the prospective member is rejected.

NO T-1 furnished on February 19, 1964, an application for membership in the WKKKKOM.

A copy of the above described application is set forth as follows:

NO 157-1962

NO T-1 furnished on March 30, 1964, a copy of the initial ceremony utilized in initiating new members by the WKKKKOM.

A copy of the above described initiation ceremony is set forth as follows:

Step No. 1

The Aliens who are candidates for citizenship in the Invisible Empire are assembled in a secret and secure place. Each of them has previously been advised that this meeting is to consider his candidacy for admission to the Ku Klux Klan and knows that if he is accepted that he will be required to take a binding Oath of Allegiance and pay a Klectoken fee of Ten Dollars on the spot as a condition of admittance to the Order. The candidates are approached by the hooded and robed Kleagle and his assistants if any.

KLEAGLE: Sirs, I am under the assumption that all present are Christian Gentlemen; by that I mean a man who acknowledges the Christ, Jesus as his Savior, and whose word, when freely given, is his bond. Am I correct in My assumption?

Candidates: Yes.

Kleagle: Very well, I am now going to explain some of the details concerning this Order, and I will require from each of you at this point a solemn promise, upon your word of Honor, that, regardless of whether or not you decide to join this Order at this time, you will hold all of the information and facts and circumstances that you learn here absolutely secret and never reveal them to anyone, at any time, in any way. Do each of you so promise and swear?

Candidates: I do.

Step No 2

Kleagle: Sirs, The White Knights of the Ku Klux Klan, is first and foremost a SECRET and SECERE organization of Christian Militants who have dedicated themselves to oppose in every honorable way possible the forces of Satan on this earth, and in particular his agency which is called by the name of "Communism" today. We are sympathetic with, and in some cases loosely aligned with, our fellow Klansmen in our neighboring states, but we are a sovereign Klan to Mississippi, controlled only by our duly elected officers here in Mississippi. The other Klans in the other States have failed to meet our strict standards of SECRECY and Intelligent, Balanced Internal Government with adequate financial safeguards, so we must remain Sovereign until they can raise themselves to our standards. We will not lower ourselves to theirs. You may rest assured that your dignity and security will be protected in this Order by your fellow Klansmen.

Our purpose is to preserve Christian Civilization. We are men who humbly submit to the Will of Almighty God, and who beseech Him for Guidance in our works, but who will not, under any circumstances see this Nation and its Constitution destroyed without violent, Physical resistance to any person who attempts in any way to so weaken or destroy the Foundations of Christian Civilization. This is our basic Philosophy of Christian Militancy which stretches back thru Reconstruction, the American Revolution, and the Days of Christian Chivalry in the Middle Ages when Knighthood was in flower. At this particular stage in our affairs we are concentrating on the Political and Educational spheres, while we are building up our Military preparedness. We make every reasonable effort that intelligent Christians can make to reform those in our society in outside life away from selfish and atheistic ways before we resort to sterner methods. We prefer to win with as little physical action as necessary, but are prepared to exert as much as is necessary. There is room in our organization for all true, responsible Christians. At no time will you be asked to commit any act, or perform any duty which is against your moral scruples, but we need your help, and ask you to come with us and contribute whatever effort you feel that you honestly can. If you join you will be required to pay a Ten Dollar Initiation fee at this time, then when you become a member of a Chartered Klavern, you will be required to pay regular dues which are between Three Dollars and Four and One-Half Dollars per Quarter depending on the vote of the Local Klavern. Within a few weeks after you join you will be supplied with the official white robes of our Order and will be required to pay Ten Dollars upon delivery. However, these robes will remain the property of the Order and will not be worn except as directed, and the Robes and all other property which you may have in your possession must be returned to the Order if you should decide to leave the Order at any time, or be banished. We are very STRICT about these Robes, and require that you observe the utmost secrecy and respect in their use. You may NEVER wear them outside of your Regular Meeting, unless specifically authorized to do so by an Officer of the Klan. Also, you may never take punitive action against anyone, as a member of the Klan, without reporting the case up thru our Regular, Investigative Channels for approval and execution by the Higher Officers. This is a DISCIPLINED, Christian, Militant Organization. We will not tolerate Individual, Unheeded, Foolish Actions by our Members. We will handle all of our problems soberly and intelligently thru channels for MAXIMUM EFFECTIVENESS. We not only intend to FIGHT the Communists; we are going to BEAT them. This can only be done thru discipline.

A man must be a white, Protestant, Christian, Gentle to belong to this Order, and his Spouse must be likewise. You may tell your Spouse that you belong ONLY to keep down Domestic Difficulty, but even then you must NOT reveal any details in connection with the Order or our work. We do not accept Catholics, because they confess and bow to a Roman Dictator in violation of the First Commandment, and the American Spirit of Liberty.

We do not accept Jews because they reject Christ, and are actually the root center of what we call Communism.

We do not accept Negroes, Orientals and people of other races foreign to the Anglo-Saxon culture, and we do not daagn to explain that.

Are there any Questions?

If there are no more questions, I will now ask each of you to sign an application, which will be destroyed before we leave, and present it to me together with your Ten Dollar Klactoken Fee. Those who do not wish to join may step forward, take the withdrawal oath, and leave with our good wishes.

Step No. 3

KLEAGLE: Sirs, The White Knights of the KU KLUX KLAN of Mississippi, as a great and essentially a patriotic, fraternal benevolent order does not discriminate against a man on account of his religious or political creed, when same does not conflict with or antagonize the sacred rights and privileges guaranteed by our civil government, and Christian ideals and institutions. Therefore to avoid any misunderstanding and as evidence that we do not seek to impose unjustly the requirements of this Order upon anyone who cannot, on account of his religious or political scruples, voluntarily meet our requirements and faithfully practice our principles, and as proof that we respect all honest men in their private convictions whether same are agreeable with our requirements or not, we require as an absolute necessity on the part of each of you an affirmative answer to each of the following questions. We expect an emphatic "YES" to each of them.

1. Is the motive prompting your ambition to be a Klansman Serious and Unselfish?
2. Are you, and your spouse, if any, a White, Protestant, Christian, Gentile, American Citizen?
3. Are you absolutely opposed to and free of any allegiance to any cause, people, sect, government or ruler that is foreign to the United States of America?
4. Do you believe in the tenets of the Christian religion?
5. Do you esteem the United States of America and its Lawful Institutions above any other government, civil, political, or ecclesiastical in the whole world?
6. Will you, without mental reservation, take a solemn and binding oath to preserve, protect and defend Christian Civilization, The Holy Writ, and the Constitution of the United States of America?
7. Do you believe in clannishness, and will you faithfully practice same towards your fellow Klansmen?
8. Do you believe in, and will you faithfully strive for the eternal maintenance of White Supremacy?
9. Will you faithfully obey our constitution and laws, and conform willingly to all of our usages, requirements and regulations, as Sovereign and Supreme over any other Klan-type government or jurisdiction at any time or any place?
10. Can you always be depended on to serve faithfully the White Knights of the KU KLUX KLAN of Mississippi, and to defend it a government and your fellow Knights against all their enemies, both Foreign and Domestic?

Step No. 4

KLEAGLE: Sirs, it is indeed refreshing to meet face to face with men such as yourselves, who actuated by manly motives, aspire to all things noble for yourselves and humanity. The lustre of the holy light of Chivalry has lost its former glory and is sadly dimmed by the choking dust of selfish, sordid, gain. Real fraternity, by shameful neglect, has been starved until so weak her voice is lost in the courts of her own castle, and she passes unnoticed by her sworn subjects as she moves along the crowded streets and thru the sin of the market place. Man's valuation of man, is by wealth and not worth; selfishness is the festive queen among humankind and multitudes forget honor, justice, love and Almighty God, and every Christian Principle in order to do homage to her, yet with the cruel heart of Jezebel, she continues to slaughter the souls of thousands of her devotees daily. God grant we Knights the Strength and Grace to continue to reject this demon of selfishness. The unsatisfied thirst for gain is dethroning reason and judgment in the citadel of the human soul, and men maddened thereby, forget their patriotic, domestic, and social obligations and duties, and fiendishly fight for a place in the favor of the goddess of glittering gain; they starve their own souls, and make sport of spiritual development.

KLEAGLE:

Sirs, we congratulate you on your manly decision to forsake the world of selfishness and fraternal alienation and emigrate to the delectable bounds of the Invisible Empire, therein to become Loyal and Devoted Knights of the Ku Klux Klan. A prime purpose of this Great and Ancient Order is to develop character, practice cleanliness to protect the home and the chastity of womanhood, and to exemplify a pure patriotism towards our glorious Nation and its Constitution as Lawfully written. You as Knights of the KU KLUX KLAN must be actively patriotic toward our country, and constantly clamish towards klanmen, socially, physically, morally and vocationally. Will you assume this obligation of Knighthood? _____ You must unflinchingly conform to our regulations, requirements and usages in every detail, and prove yourselves worthy to have and to hold the honors we bestow; do you freely and faithfully assume to do this? _____

Sirs, if you have any doubt as to your ability to qualify, either in body or character, as Knights of the KU KLUX KLAN, you now have an opportunity to retire from this place with the good will of the Klan to attend you; for I warn you now, if you falter or fail at this time or in the future as a klanman, in klonklave or in life, you will be banished from Citizenship in the Invisible Empire without fear or favor.

This is a serious undertaking; we are not here to make sport of you, nor indulge in the silly frivolity of circus clowns. Be you well assured that: "he who putteth his hand to the plow and looketh back is not fit for the kingdom of heaven", nor worthy of Knighthood in the KU KLUX KLAN. Do not deceive yourselves, you cannot deceive us, and we will not be mocked. Do you wish to retire?

Step No. 6

Oath of Allegiance

Kleagle: You will raise your right hand, place your left hand over your heart and repeat after me, stating your individual name after "I":

I, _____ consciously, willingly and soberly..... standing in the presence of Almighty God and these mysterious Klansmen....do hereby pledge, swear and dedicate my mind, my heart, and my body.....to the Holy Cause of preserving Christian Civilization,.....the Dignity and Integrity of the Holy Writ,..... and the Constitution of the United States of America as originally written..... as the greatest safeguards of Justice and True Liberty ever written.....

I swear that I will remain constantly alert to the satanic force of evil..... which is, and shall remain, my eternal enemy,.....and I swear that I will oppose and expose this force.....at every opportunity.....in klonklaves and in life.....

Step No. 6 (cont'd)

Oath of Allegiance

I swear that I will offer the utmost of both my Physical Courage.....and my Moral Courage.....which may require the sacrifice both of bodily comfort in combat with the enemy.....and also the sacrifice..... of my ego and prestige in daily life.....

I hereby dedicate my Being not only to combat satan.....but, God Willing to the triumph.....over his malignant forces and agents here on earth. Not only will I die in order to preserve Christian Civilization..... but I will Live and Labor mightily... to Live for the Spirit of Christ in all men.

AMEN

Step No. 7

KLEAGLE: Sirs, have you ,without mental reservation, assumed your binding Oath to the Invisible Empire?

Mortal man cannot assume a more binding oath; Character, Courage, Prayer and Devotion will enable you to keep it. Always remember, that to keep this oath means honor, happiness and life; but to violate it means disgrace, dishonor, and death. May God grant that honor, happiness and life be yours.

With this transparent, life giving, powerful, God-given fluid, more precious, and far more significant than all of the sacred oils of the ancients, I set you apart from the men of your daily association to the great and honorable task you have voluntarily allotted yourselves: Citizens of the Invisible Empire, Knights of the KU KLUX KLAN. As a Klansman, may your character be as transparent, your life purpose as powerful, your motive in all things as magnanimous and as pure, and your clannishness as real and as faithful as the manifold drops herein, and you, a vital being as useful to humanity as is pure water to mankind.

You will kneel on your right knee.

TO THEE, O GOD: I CALL TO THEE
TRUE TO MY OATH, OH, HELP ME BE!
I'VE PLEDGED MY LOVE, MY BLOOD, MY ALL;
OH, GIVE ME GRACE THAT I NOT FALL.

Sirs, beneath the uplifted fiery cross, which by its Holy Light looks down upon you to bless with its Sacred traditions of the past, -- I dedicate you in body, in mind, in spirit and in life, to the Holy service of our country, our Klan, ourselves, each other and Christian Civilization.

(The Kleagle then performs the dedication act in four parts on each candidate: BODY, MIND, SPIRIT and LIFE, with the dedication fluid)

KLEAGLE: Thus dedicated by us, now consecrate yourselves to the sacred cause you have entered.

Step No 8
Dedicatory Prayer

Kleagle: Fellow Klansmen, let us pray:

Our Heavenly Father, we beseech Thee that an overwhelming Sense of Dedication will embrace these men kneeling before Thee. Look with Favor on that which they aspire, and Bless them in that which they hope to overcome.

Dedicate them, therefore, to the Fight for Right, Freedom, and a Klansman-like Spirit. Allow the Noble attitudes of Honor, Truth, and Brotherly Affiliation to ever Permeate their Lives, their Honor, their Homes and Ideals. Through Christ, our Lord, we pray.

AMEN.

Step No. 9

KLEAGLE: Sirs, you are no longer strangers or aliens among us, but are Citizens with us; and with confidence in your character that you have not sworn falsely or deceitfully in the assumption of your oath, I, on behalf of our Emperor and all Klansmen, hereby welcome you to Citizenship in the Empire of Chivalry, Honor, Industry and Love.

By the authority vested in me by our Emperor, I now declare and proclaim you a Citizen of the Invisible Empire, A white Knight of the KU KLUX KLAN of Mississippi, and invest you with the title of ---"KLANSMAN"---, the most honorable title among Christian Men.

All klansmen present then unmask and greet the new Klansmen

CONCLUSION

NO 157-1962
SMC:mam

NO T-1 advised on April 28, 1964, that a state meeting of the WKKKKOM primarily for recruiters was held on April 26, 1964, at Brookhaven, Mississippi. At this meeting a three-page printed piece of material entitled "Manual for Recruiters" was distributed. Also furnished was a one-page printed sheet of paper listing 20 reasons why an individual should join the WKKKKOM.

Copies of the "Manual for Recruiters" and the 20 reasons why an individual should join the Klan are set forth as follows:

MANUAL FOR RECRUITERS

Each Recruiter must keep the FACT solidly before him at all times that he, personally, is THE ORGANIZATION as far as the new members under him are concerned. This is a tremendous responsibility. The power and capacity to build a useful or a worthless unit is almost entirely in the hands of the recruiter. The ability of a unit to perform its functions properly after being released by its recruiter is an exact measure of that recruiter's worth to this organization. In order to help and improve the ability of all recruiters to perform their tasks efficiently and adequately, this short training lecture and guide has been prepared. All recruiters should study it closely and follow it as closely as possible.

There is ONE Quality, ONE Ideal, ONE Principle, and ONE Philosophy that comes before ALL else in this organization. CHRISTIANITY. The Spirit of the Christ, Jesus, must always remain our prime, motivating Force.

The recruiter should remember this and instill and drill this into the new members constantly during his tenure. Many new members have only heard all the malicious lies which have been told concerning our activities. It is up to the recruiter to correct this impression in new members from the very first and set them on the straight and narrow path. They must be informed in no uncertain terms that while it is true that this is an ACTION organization, it acts ONLY as a careful, sober, intelligent, determined group of men SHOULD act in the face of our terrible Enemy, that is, without Malice nor Vengeance, but as Christian Militants, ABSOLUTELY DETERMINED to preserve Christian Civilization.

Each Recruiter should become more familiar with his Bible. It will help and inspire him to greater works with his units if he will PRAYERFULLY read a chapter or so just before a meeting. As we read the Works of Paul, one of the Great Kleagles of all time, we see that our current problems are not new, and they become, therefore, lighter. As our problems become lighter, our spirits begin to rise and soar, and we are able to communicate our inspiration to others and inspire them. This is the proper work of a recruiter. We must all be about it constantly.

The Physical Equipment which each Recruiter must have is as follows :

1. The Holy Bible. (preferably in a WHITE cover)
2. Ritual
3. Sword and Flag (sword points to Holy Bible, is NOT laid on top of it.)
4. Robe and Hood
5. Bottle of Pure Water and Empty Glass.
6. Fiery Cross
7. Commission from Imperial Authority
8. Pad of Applications for Citizenship
9. Pad of 20 Reasons
10. Complete file of all Organizational Literature, Directives and Forms.

The recruiter should make every effort to see that each and every ceremony and meeting is conducted in a Sober, reverent and mysterious Manner. New members must be impressed with the strictness and seriousness of our work. NO horseplay and no foolishness should be condoned. A slight amount of relaxed conversation may occur after the meeting is closed, but whilst the Holy Bible remains OPEN, Strict REVERENCE is the Order of the Day.

A brief schedule of the Order of the Work which should properly be covered by the recruiter in starting a unit from zero thru the final stage follows. When this program is carried out, each unit will understand its function by the time it is able to perform its function. It must be understood that this is a guide and not an inflexible order. However, it must be followed wherever possible, and departed from only with good reason for so doing. Recruiters must TRAIN members that they recruit.

**Here are Twenty Reasons WHY you should, if qualified, join, aid and support the White Knights of the
KU KLUX KLAN of Mississippi:**

1. Because it is a Christian, fraternal and benevolent organization.
2. Because it is a democratic organization, governed by its members.
3. Because it is a dedicated and just organization.
4. Because it is a working organization which not only talks but ACTS.
5. Because it is a very secret organization and no one will know that you are a member.
6. Because it is a legal organization and no one can be prosecuted for being a member.
7. Because it is a politically independent organization, and is not pledged to any political party.
8. Because it is a Pro-American organization that opposes any thing, person or organization that is Un-American.
9. Because it is an organization that is sworn to uphold the lawful Constitution of the United States of America.
10. Because it is composed of native-born, white, gentile and protestant American citizens who are sound of mind and of good moral character.
11. Because the goals of the KKK are the total segregation of the races and the total destruction of communism in all its forms.
12. Because the KKK has twice saved this nation from destruction as history clearly records.
13. Because there comes a time in the life of every man when he has to choose between the right or wrong side of life.
14. Because there are today many alien forces entering the United States of America bent upon its destruction.
15. Because it informs its members, and an informed citizen is a good citizen.
16. Because a Christian-like brotherhood among men must be revived in America.
17. Because one of the goals of the KKK is States' Rights and complete State Sovereignty.
18. Because neither the Conservatives nor the Liberals will save our nation, for patriots always save a nation.
19. Because it is clear now that if communism is to be defeated in America it will be done in the South and primarily in Mississippi.
20. Because the KKK needs you today to help fight America's battles.

The White Knights of the KU KLUX KLAN of Mississippi is, of necessity, a SECRET organization. The administration of our National Government is now under the actual control of atheists who are Bolsheviks by nature. As dedicated agents of Satan, they are absolutely determined to destroy Christian Civilization and all Christians. We have nothing dishonorable to hide, but we must remain SECRET, for the protection of our lives and families.

All of our members must meet a strict set of requirements:

We are looking for, and enlisting ONLY: Sober, Intelligent, Courageous, Christian, American, White men who are consciously and fully aware of the basic FACT that their physical life and earthly destiny are absolutely bound up with the Survival of this Nation, under God. Our governmental principles are precisely those of the ORIGINAL U. S. Constitution. Our members are Christians who are anxious to preserve not only their souls for all Eternity, but who are MILITANTLY DETERMINED, God willing, to save their lives, and the Life of this Nation, in order that their descendants shall enjoy the same, full, God-given blessings of True Liberty that we have been permitted to enjoy up to now.

We do not accept Jews, because they reject Christ, and, through the machinations of their International Banking Cartel, are at the root-center of what we call "communism" today.

We do not accept Papists, because they bow to a Roman dictator, in direct violation of the First Commandment, and the True American Spirit of Responsible, Individual Liberty.

We do not accept Turks, Mongols, Tartars, Orientals, Negroes, nor any other person whose native background of culture is foreign to the Anglo-Saxon system of Government by responsible, FREE, Individual Citizens.

Our governmental system is a Constitutional Republic, primarily designed to protect the Responsible, Individual Citizens from all tyranny; which selects its representatives by both the direct and the indirect Democratic process; and recognizes the necessity for the existence of an effective Loyal Opposition to any current Administration. This type of Governmental System is unique, and found only where Anglo-Saxons control the Governmental Machinery of a Nation. With rare exceptions, people of other backgrounds simply cannot comprehend the Anglo-Saxon principle of "Equal Justice under Law" and the fact that EVERY "Right" must be balanced by an accompanying Responsibility. The inherent balance and reason of this system has little or no attraction for these persons of alien culture. They generally prefer to shirk Individual Responsibility, grab up as much material wealth as they can, and accept Centralized Authority and Dictatorship, in the hope that they can buy special favors and privileges for themselves.

The conflict between these two attitudes has now become a Life and Death matter in America. The people of the non-American cultures CAN and COULD live under the Anglo-Saxon System, but they prefer to see it destroyed. The true American Anglo-Saxons, on the other hand, CAN NOT live under a Dictatorship!

The issue is clearly one of personal, physical SELF-DEFENSE or DEATH for the American Anglo-Saxons. The Anglo Saxons have no choice but to defend our Constitutional Republic by every means at their command, because it is, LITERALLY, their Life. They will die without it.

If you are a Christian, American Anglo-Saxon who can understand the simple Truth of this Philosophy, you belong in the White Knights of the KU KLUX KLAN of Mississippi. We need your help right away. Get your Bible out and PRAY! You will hear from us.

F. Security Measures

NO T-1 advised on June 7, 1964, that a state meeting of the WKKKKOM was held on June 7, 1964, near Raleigh, Mississippi. Prior to gaining entrance to the actual meeting place, each car was searched by Klansmen who were on guard duty, and these Klansmen were armed with sidearms and one guard was observed to be armed with a .410 shotgun with a short barrel and a pistol grip. Also patrolling in the general area of the meeting were six other Klansmen who were on horseback. Two airplanes circled over the meeting place, and individuals in these airplanes were in communication with persons on the ground via two-way radios.

NO T-3 advised on June 14, 1964, that at the state meeting of the WKKKKOM held on June 7, 1964, near Raleigh, very close security measures were taken. Two aircraft circled over the meeting area, and there were guards on foot and on horseback patrolling the area of the meeting place. Additional guards were posted on the road leading to and from the meeting place for a distance of two miles. All of these guards were well armed, and no one was allowed to leave the meeting area during the meeting.

NO T-3 advised on June 14, 1964, that all passwords used by members of the WKKKKOM have been changed. In the event a Klansman enters a town or community and desires to locate another Klansman, the first Klansman will start making inquiries regarding a family or a street spelled "Kamin." If the individual contacted is a Klansman, he will reply that he knows of no such family or street spelled "Kamin" but that he does know of such a family or street spelled "Camin."

This source added that if a Klansman observes a second individual and wishes to determine by signal if this second individual is a Klansman, the first Klansman scratches the bridge of his nose with his index finger in a horizontal position. If the second individual is a Klansman, he will answer this signal by scratching his nose in a similar manner with his left index finger.

NO T-1 advised on April 30, 1964, that the WKKKKOM has issued printed instructions entitled "Secrecy" for all members, a copy of which is set forth as follows:

SECRET

No serious person will question the fact that SECRETY is the greatest asset which this organization possesses on the Militant side of its nature. It is second in importance only to our Christian Spirit and Motivation which is the basis for our inspiration and the Cause of whatever success we may achieve.

Every member must keep the concept of SECRETY uppermost in his mind at all times as he keeps the Spirit of Christ uppermost in his heart at all times. Secrecy must become second nature to all members, and they must learn to keep still without even thinking about it.

It is very difficult for the new member to adapt himself to this concept and each recruiter must impress it in a very forcible manner on each new member from the very first. The new member is usually so thrilled and enthusiastic that he is unable to contain himself and may say or do something that will reveal his affiliation to our sharp eyed and sharp eared enemies who are all about us, watching. This danger must be recognized by the trained recruiter.

New members must be impressed with the understanding that they are "green" to the concept of Secrecy, and that they must be more than careful. "A slip of the lip, may sink the ship." The communists have a saying: "Nothing is unimportant". Our members must realize this and slip nothing by word, manner or deed that an enemy could turn into worthwhile information.

Secrecy is not only a tight lip, but a tight manner. Members should avoid "getting together" on the outside of a meeting and gossiping. This is the most deadly work, that any group of men have ever been engaged in, and we must be deadly careful about it. Avoid using the name of the organization at all times. It is not necessary to use that name in conversation with a fellow member in order to make yourself understood. Develop the habit of talking in such a way that even if someone was to overhear your conversation, he would not be able to understand what it was that you were talking about. Develop your own private, substitute names for all proper names and offices in the organization.

Secrecy is more than just not talking. True Secrecy is a HARDENED MENTAL ATTITUDE by which an individual convinces HIMSELF that he is not a member and that there is no such organization. Secrecy is Mental Discipline and necessary for Victory. When a member is so able to discipline himself, he is not going to ACCIDENTALLY make slips of tongue and manner, and until he DOES so discipline himself he will continue to make such slips.

When the Veil of Secrecy is closed, each member should immediately change his personality back to the person that he was before he became a member, and reenter the Alien world as an Alien, with the knowledge of the Organization buried deep in his consciousness.

Members should learn how to steer conversations away from subjects which are related to the organization and its work. Members should always direct the attention of aliens with whom they converse TOWARD the Communist Enemy and Sympathizers and AWAY from ourselves.

The very highest essence of Secrecy is Deliberate Deception, but only highly Skilled extremely alert or gifted members should attempt this. It is extremely dangerous and requires a precise understanding of the Enemy. All members, however, should work and study in order to become proficient at this work of Deliberate Deception. When in doubt as to your ability to deceive, just remain silent and innocent.

ADVOCACY OF VIOLENCE

NO T-1 advised on May 20, 1964, and NO T-3 advised on June 5, 1964, that efforts were being made by the WKKKKOM to obtain two members from each klavern throughout the State of Mississippi who would be in a position to leave their particular areas for two or three days at a time. These members are to be sent into areas of Mississippi that are considered to be trouble spots or where demonstrations may occur, in order to help the law enforcement officers, should these officers need assistance. Members chosen will be between the ages of 21 and 35, physically fit, and will be dressed in a black suit, black tie and shoes, white Stetson hat and carrying a firearm and blackjack.

NO T-1 advised on June 7, 1964, that at a State meeting of the WKKKKOM held on June 7, 1964, near Raleigh, Mississippi, SAM BOWERS, the Imperial Wizard, was one of the speakers. BOWERS told those present in reference to the expected demonstrations in the State of Mississippi during the summer of 1964, to stay out of trouble until "you can catch them outside the law then under Mississippi law you have a right to kill them." BOWERS stated that this was the case at "Ole Miss" and claimed that six U. S. Marshals had been killed but "Bobby" KENNEDY would not let this be known for there was nothing KENNEDY could do about it, as the Marshals were at Ole Miss illegally. It was indicated at this meeting that the WKKKKOM had 97 "projects" working and that some of these projects, not further identified, were to be completed in the immediate future.

NO T-6 advised on June 17, 1964, that a meeting of the WKKKKOM was held at Jackson, Mississippi, on June 9, 1964.

This source added that BILLY BUCKLES, the Grand Giant, told the members that the klan was sponsoring an ex-convict to do a "job" in the Jackson area, which would cost \$1,200. BUCKLES claimed that he did not know the identity of this ex-convict, but that this person would be paid \$400 in

NO (157-1962) /sw

advance and \$800 when the job was completed. BUCKLES said that this "job" was so big that it would make the death of MEDGAR EVERS look sick. This source added that a total of \$100 was contributed by the members present.

It is noted that MEDGAR EVERS, referred to above, was formerly Field Secretary for the NAACP, at Jackson, Mississippi, who was shot and killed at Jackson, Mississippi, in June, 1963.

NO T-6 advised on June 17, 1964, that as of June 15, 1964, contributions were still being solicited and that on June 15, 1964, PRICE GRAY, the Exalted Cyclops of one of the klaverns in Hinds County, Mississippi, in reference to the "job" referred to by BUCKLES, made the statement, "It looks like Tougaloo is finally going to get it." It should be noted that Tougaloo Southern Christian College is a predominantly Negro college, located about 30 miles north of Jackson, Miss., and has been a focal point of integration activities.

NO T-3 advised on June 14, 1964, that at a State meeting of the WKKKKOM held on June 7, 1964 near Raleigh, Mississippi, the general idea conveyed by all of the State officials to the members present, was that they should keep off the streets this summer and take no action against the "agitators" that might come into their areas. Those present were urged to let local law enforcement officers handle any situation and that the members should be ready to take action only if it appeared that the local law enforcement officers would be overrun by the "agitators." This source stated that JULIUS HARPER explained to the members that violations of Federal laws should be avoided at all costs.

NO T-4 advised on May 14, 1964, that in reference to "projects", which local klaverns desire to undertake in their given district, the facts regarding a particular project other than a cross burning, are furnished to the head of the Klan Bureau of Investigation (KBI), who then conducts his own investigation to determine if permission is to be granted to the klavern to carry out the project. If the KBI approves of the project and it is of the type that requires assistance from

NO (157-1962) /sw

some other district, the KBI individual contacts the Exalted Cyclops of another klavern in another county and requests the Exalted Cyclops to send him a certain number of men. No information is given to the Exalted Cyclops of this klavern as to where his members are to be used or for what purpose and as soon as the klansmen from the other klavern arrive, the KBI man takes them to the area where the "project" is to be carried out and points out the "object" and issues instructions. When the project is completed, the klansmen then return to their own area. This source further advised that three days before a project is to be carried out, by klansmen from another area, there is no meeting of the local klavern in the area where the project is to be completed nor are there any meetings for a period of one week after the project is completed.

NO T-4 advised on June 23, 1964, that there has been a change in the policy regarding the klavern obtaining permission to carry out a project. The new policy is to have the Exalted Cyclops of the klavern desiring to undertake a project, contact the head of the KBI in the area in which the project is to be carried out. If the head of the KBI approves, then permission of the State officials is not needed. This new procedure eliminates State officers from becoming involved in any projects and leaves the local klaverns and members more or less on their own.

NO T-1, on June 4, 1964, provided a 2-page printed document entitled "Harrasment," which had been issued by State officers of the WKKKKOM. Set forth is a copy of the above-described document:

HARRASMENT

"An Enemy's Army which has been harassed for a long time may be easily defeated."
Old Sanskrit Proverb

Each local unit must make a through study of the technique of harassing the enemy at little or no cost to themselves. All members should tax their minds to devise new means and methods of accomplishing this important work.

In general, harassing should always have a humorous twist to it and should be in the nature of Halloween Pranks. This does not mean that it should be executed in a careless or haphazard manner. It must be done seriously and soberly and with a definite aim in mind. The purpose of preserving the humorous twist to the work is to obscure the deadly seriousness behind the work and to weaken and nullify any work that the enemy propoganda machine might use against us in connection with our work of harassment. The work should appear to be a ridiculous joke rather than the real and serious business that it is. One of the truly great weakness of our enemy is that he does not understand nor appreciate humor. Everything is a gray, drab, humorless situation to him. We can exploit this weakness by using trickery, pranksterism, wit and humor all wrapped up in a bundle that he cannot understand. We must be serious ourselves, but we should be Happy Warriors and never forget how to laugh and enjoy life even in the midst of deadly adversity.

- As far as our immediate work is concerned, harassment fulfils two important goals:
1. It provides a healthy, not-too-dangerous outlet for the Spirited Enthusiasm of the Membership and trains them to work together. If successful, it boosts morale.
 2. It always has the latent possibility of goading the enemy into premature or ill-considered action, whereby he may make a Major Mistake which we can capitalize upon.

Acts of harassment themselves must be confined to acts of minor importance as far as the alien authorities are concerned. This does not mean, of course that harassment is really unimportant. It is very important, but the Acts themselves should always appear to aliens as ridiculous and unimportant. Harassment itself should never aim at accomplishing any goal DIRECTLY. The purpose of harassment is to stir up and fret the enemy, then step back and wait for him to make a mistake, meanwhile preparing calmly and soberly to exploit any mistake that he does make to maximum advantage to ourselves, especially as regards propoganda. Careful harassment coupled with good propoganda directed against an enemy agent can expose him in his true colors and identify him to the general public of the community for the real enemy of Christian Civilization that he really is.

Some equipment which may be found useful in harassment is listed :

1. Roofing nails
 2. Sugar and Molasses
 3. Firecrackers
 4. Snakes and Lizards
 5. Mad Dogs
 6. Itching Powder
 7. Stink Bombs
 8. Tear Gas
 9. Paint
 10. Lacquer thinner
 11. Sling Shots, Marbles, BB guns, Air Rifles, Bow and Arrow, Crossbows
 12. Blank cartridges and pistols.
 13. Roman Candles
 14. Skyrockets
 15. Salt and pepper
 16. Noismakers
- K 50

In addition to the regular equipment herein listed, the proper use of the Telephone must be given tremendous weight as an effective means of harassment. Telephone numbers of all enemy agents and sympathizers should be kept in current form and listed on the roll of the Investigative Secretary. Telephone campaigns can sometimes produce wonderful results at very little cost. It should be borne in mind that many of our enemies are especially attached to their automobiles and telephones. Anything that can be done to interfere with his normal use and enjoyment of these facilities will annoy him to a great degree, and greatly disturb his operations.

All members should be careful not to get into a pattern or overdo any particular form of harassment, because effective countermeasures will always be set up against regular patterns of harassment. The harassment program should be systematic, but not of a regular pattern.

The use of sympathetic outsiders to engage in harassment is a technique that has many advantages. Many persons who are not qualified to be members for one reason or another can be stimulated into becoming effective harassers without ever knowing that they are working for this organization. This also helps to confuse the enemy investigators who can never be sure just who or what is behind any particular act of harassment. Care must be used in handling outsiders, but they can provide valuable assistance without breaching secrecy if they are properly approached and handled.

It must always be remembered that ours is a Nocturnal Organization. We work best at night and our greatest victories will be achieved at night. Cameras do not work so well at night. We must harass the enemy at night, and, in general have little or nothing to do with him in the daytime. We must stay out of daytime street fights and demonstrations if at all possible. We must remember that the communists who are directing the agitators want us to engage in pitched battles in the streets so that they can declare Martial Law. We must stand at the Ready during demonstrations in daylight hours and be prepared to move at a moment's notice, but we must try and support the regular Law enforcement authorities as disciplined assistants, rather than as a unit operating entirely on our own. Of course, this does not mean that if the regular Law enforcement units can not or will not bring the enemy under control and safeguard the community from their brutal savagery, we will not then openly take the fields of battle in the streets. This, however, should be only as a last resort, if it becomes necessary the chances of Saving this Nation and achieving a eventual victory over the Enemy will be very very slim. We must fight our enemies, but we must avoid the streets and we must avoid the daylight.

Harassment should always be executed in such a way that little or no risk is taken by our side. It should be approached from the standpoint that while only a little may be accomplished, practically nothing is risked. Always strive to make a "profit" in every contact with the enemy. That is, try to make his damage far greater than ours when the final bill is totaled.

The prime purpose of harassment which should be kept in mind at all times is that of worrying the enemy into making a mistake. Harassment should rarely aim at achieving a solid victory by itself, but only aim at producing a situation whereby the enemy may be provoked into a weak position where a victory can then be scored by our side.

Whenever an enemy is being harassed he must be carefully watched for counter attack. When he makes these counter attacks, the authorities should be brought in immediately to blame and prosecute him for the entire affair.

Harassment is done to cause the enemy trouble. It should not be done if the situation and circumstances are such that it is very likely to cause our side trouble.

NO 157-1962

NO T-1, on June 7, 1964, provided a 2-page printed document entitled "Imperial Executive Order," which was given to the members attending a state meeting of the WKKKKOM on June 7, 1964, near Raleigh, Mississippi. This document sets forth plans of the WKKKKOM to be taken during the summer of 1964 against the "demonstrators." A copy of this document is set forth:

IMPERIAL EXECUTIVE ORDER

Date : May 3, 1964

To : All Officers and Members

Subject : Forthcoming Enemy attack and countermeasures to be used in meeting same.

THIS ORDER WILL BE READ TO OR BY AND UNDERSTOOD BY EVERY MEMBER OF THIS ORGANIZATION

It is absolutely necessary that each and every member of this organization stand fast and remain calm at this time ; while he is working deliberately to prepare himself and his unit for effective combat against the enemy.

The military and political situation as regards the enemy has now reached the crisis stage. Our best students of enemy strategy and technique are in almost complete agreement that the events which will occur in Mississippi this summer may well determine the fate of Christian Civilization for centuries to come.

This organization is the physical Spear upon which the enemy will either impale himself and perish, or sweep aside, then to proceed almost unhindered in his evil work of destroying civilization. The manner in which we conduct ourselves and use our strength this summer will determine which of these fates our Nation will follow.

This is indeed an awesome and critically responsible position in which we now find ourselves. Every member must Soberly and PRAYERFULLY face this Responsibility, and draw his strength from the Spiritual Source which tells us, deep in our hearts, that our Cause is truly Just.

It must be emphasized that our Cause is far from hopeless. The enemy, it is true, appears to have victory within his grasp, but he is vacillating at this very moment when he should be closing it. His leadership is not as united as it should be, and there is conflict and dissention in his ranks. His naked and brutal methods are coming into more complete exposure every day and he is losing public support. He must achieve his victory soon or lose the initiative to our side. If this should happen, he is doomed, and his leaders know this. Our task now is to delay and frustrate him at the very brink of his triumph.

This summer, within a very few days, the enemy will launch his final push for victory here in Mississippi. This offensive will consist of two basic salients, which have been designed to envelope and destroy our small forces in a pincer movement of Agitation, Force by Federal Troops, and Communist Propaganda. The two basic salients are as follows, listed in ONE - TWO order, as they will be used

1. Massive street demonstrations and agitation by Blacks in many areas at once, designed to provoke White militants into counter-demonstrations and open, pitched street battles, resulting in civil chaos and anarchy to provide an "EXCUSE" for:
2. A decree from the Communist authorities in charge of the National Government, which will declare the State of Mississippi to be in a State of open revolt, with a complete breakdown of Law and Order, and declaring Martial Law, followed by a massive occupation of the State by Federal Troops, with all known Patriotic Whites placed under Military Arrest. If this Martial Law is imposed, our homes and our lives and our arms will pass under the complete control of the enemy, and he will have won his victory. We will, of course, resist to the very end, but our chance of Victory will undoubtedly end with the imposition of Martial Law in Mississippi by the Communist Masters in Washington.

Our situation calls for the highest degree of combined intelligence and courage, combined with a sincere, Christian Devotion, which Christian Soldiers have ever been called upon to demonstrate. We can not permit ourselves even one mistake in combating the enemy this summer. All of our actions must be disciplined, precise, courageous and intelligent. There is no margin for error.

When the first waves of Blacks hit our streets this summer, we must avoid, open daylight conflict with them, if at all possible, as private citizens, or as members of this organization. We should join with and support local police and duly constituted law-enforcement agencies with Volunteer, LEGALLY DEPUTIZED men from our own ranks. We must absolutely avoid the appearance of a mob going into the streets to fight the Blacks. Our first contact with the troops of the enemy in the streets should be as LEGALLY -DEPUTIZED Law enforcement officers. It must ALSO be understood at this point that there are many different local police situations. Where we find corrupt and cowardly Mayors and Police, obviously, our members cannot submit to their control, but we should still try to work with them at arms length in every reasonable way possible to avoid being labelled as outlaws.

NW: 12580 DocId: 59167814 Page 117

IN ALL CASES, however, there must be a SECONDARY group of our members, standing back away from the main area of conflict, armed and ready to move on very short notice who are not under the control of anyone but our own, Christian officers. This second group must not be used except in clear cases where local law-enforcement and our own

EXECUTIVE LECTURE OF MARCH 1, 1964

To be read and reread until thoroughly understood by all officers and members

The purpose and function of this organization is to preserve Christian Civilization. It has no other legitimate reason for existence, nor can any member have any legitimate reason for belonging other than to help carry out this aim.

The world, and all of the people in it are torn between two exactly opposite forces:

1. The Spiritual Force of Almighty God Championed by our Savior, Christ, Jesus.
2. The negative, materialistic force of destruction, Championed by Satan.

It is necessary that each and every member truly understand the above before he can ever become effective in this organization. It is necessary that each and every member keep a copy of the Holy Scripture close at hand at all times for frequent, careful, and PRAYERFUL reference. The Communist Conspiracy absolutely cannot be understood (and thereby successfully opposed) by any man, no matter how well educated he may appear to be, UNTIL that man has the FACT fixed clearly in his mind that when he is dealing with the Communist Conspiracy, he is dealing with an AGENCY of Satan, which owes all of its apparent successes to an evil, malignant, SUPERNATURAL Force. Until we all thoroughly realize that we are up against a SUPERNATURAL force, against which our FINITE minds and emotions and abilities are, by themselves, POWERLESS to defeat, we shall continue to suffer disappointments and defeats again and again.

Once, however, that we can bring ourselves to put our EGO aside and humbly admit to ourselves that our FINITE minds, and FINITE emotions, and FINITE abilities are, by themselves, incapable of defeating the Communist Conspiracy with its SUPERNATURAL assist from Satan, we will have taken a Tremendous step forward. We THEN, logically and practically turn and ask for assistance and strength from the ONE Source of SUPERNATURAL POWER that can overcome Satan. This is where and when we align ourselves with Almighty God, our CREATOR, our SAVIOR, and our INSPIRATION. We do not commit the popular blasphemy which says: "God is on our side", or "we are His Chosen people." Quite the contrary. WE have chosen GOD. We have placed ourselves under His direction. We have become His finite instruments with which, we earnestly pray, HE will choose to save Christian Civilization. He is our Shepherd, our Foundation, and our Strength, without which we will be hopelessly devoured by the Agents of SATAN. Let us choose, sirs, let us meditate soberly and seriously on this point. Christ has always been our Last Spiritual Hope. He is now become our Last Hope for earthly civilization and physical Life as we have come to know it under our governmental system of Equal Justice under Law. It is the Duty of every member to pray and to read his Bible every day, and it is the Duty of the Chaplain of each and every unit to see that this is being done, and to stimulate the Spiritual Awareness of all members at all times, in order that our feet remain constantly on the right path. Our Survival, and our Eventual Victory will depend upon a Constant, Christian awareness.

Every day, we hear so-called "anti-communists" and "wise men" praying aloud for The Almighty to "send us a Leader", some one who can show us the way out of this Collectivist Horror that we have let ourselves get trapped into.

Sirs, we were sent a LEADER, some Two thousand years ago. He was the last TRUE Leader that has been seen on the earth since that time. We have been Rejecting Him, in one way or another, to a greater or lesser degree, ever since that time. We have NOW come to the END of the ROAD. We are NOW, right now, each and every one of us going to begin NOW, to LIVE, IN, WITH and FOR the Spirit of Christ Jesus in ourselves and our civilized brethren about us, and thus purified, without Malice or Vengeance, begin, systematically, to DESTROY the atheistic, Satanic agents of communism in our midst, OR, we are going to see, before our very eyes, see our society degenerate into a Savage melee of Brutal, humanistic animals, snarling and fighting among themselves for the bare necessities of animal existence.

This is a CHRISTIAN, MILITANT Organization. We must, each of us, understand precisely what is meant by the combination of these two terms and govern ourselves and ACT accordingly. As Christians, we are disposed to kindness, generosity, affection and humility in our dealings with others. As MILITANTS, we are disposed to the use of physical force against our enemies. How can we reconcile these two apparently contradictory philosophies, and, at the same time, make sure that we do not violate the Divine Law by our actions, which may be held against us when we face that Last Court on the Day of Judgement? The answer, of course, is to purge Malice, bitterness and Vengeance from our hearts. To pray each day for Divine Guidance, that our feet shall remain on the correct path, and that all of our Act be God's will working through our humble selves here on this earth.

We are all going to face the fact that we must Fight and Destroy our enemies in order to save our Lives, our Nation, and our Christian Civilization, but we must remember, at all times, Consciously and Constantly, that we are Christian Soldiers, and we must conduct ourselves with Honor as did our forebears of old. This is not going to be easy to do. We are all of us in a highly irritated and excited state of mind at this time. The communists in the governmental administration and their fellow conspirators in the NCAAP are deliberately trying to goad us into making mistakes, which they can exploit to their political advantage. To counteract this, we must keep our heads and get down to WORK. We must not make the classic military blunder of permitting the enemy to choose the battleground and set the conditions of the battle. We must design our OWN attack program, AND STICK TO IT without distraction!!!

The affairs in our own domestic house have been in turmoil for several months, but we can now see that we now have a reasonable chance to achieve a sound and stable government under our new constitution. The entire question of success or failure of this organization is going to rest with the individual member, and how well he is going to be able to make his local unit function. The new constitution was deliberately designed to make the leading offices as unimportant as possible, since any student of communist technique, knows that any organization which depends on a powerful FUERHER can easily be wrecked, simply by killing the Fuerner, but that a MATERIALLY LOOSE, Decentralized Organization of Careful, Sober, Christian MILITANTS, who are RIDIGIDLY UNITED in principle and devotion, and who have trained themselves to think for themselves in the midst of confusion and emergencies, will constitute a Force in Being which will be very difficult to destroy. Any man can be killed, but an IDEAL of CHRISTIAN MILITANCY which lives and burns in the hearts and minds of each and every member of this order, will NEVER be destroyed, and THAT is what is IMPORTANT to us at this time.

The Militant phase of our organization at the local level is divided into three Primary Branches or Fields of Work, with almost infinite subdivisions under them. These Three Primary Branches are: 1. SECURITY, 2. INTELLIGENCE, 3. PROPAGANDA.

When a local unit is FIRST, maintaining a high degree of Christian Spirit among all of its members, and THEN maintaining absolute Secrecy and Military Protection and Security in connection with all phases of its work, and THEN maintaining a constant flow of INTELLIGENCE Information concerning all phases of enemy activity in their local area, to the higher headquarters, together with recommendations, and THEN systematically operating a verbal and printed PROPAGANDA network in their own area, in order to convince the average citizen, that OUR organization is a necessary and worthwhile asset to the Community, while those who oppose us are Dangerous Enemies who are responsible for all of the trouble in the local area; WHEN, a local unit is doing all of these things, and maintaining all of these phases of our work, Efficiently, Continuously and Simultaneously, Then it can be said of the Officers and members of that unit, that they are TRULY accomplishing the PURPOSE for which this organization was designed.

Volumes can, and have been written on SECURITY, INTELLIGENCE and PROPAGANDA. We will discuss them only briefly here, and each local unit should obtain some of the many worthwhile books available on these subjects, and the local officers should drill this information into the membership at frequent intervals, some of it at every meeting.

SECURITY takes in 1. The ability of a unit and its members to remain undetected by outsiders. 2. The ability of a unit to protect its meetings from detection and intrusion from outsiders. 3. The ability to protect the families of the membership from outside forces. 4. The ability to protect the entire community from outside forces. Obviously, only the first ability is within the immediate grasp of a new unit. The other abilities must be acquired thru skill, discipline and patience. But each unit should start immediately to work on acquiring and refining the first.

Let us start with a few PROVEN rules and see that they are STRICTLY observed:

1. Be careful that you are not followed in going to and from meetings. Do not park large numbers of cars around meeting places. Go in groups in one car, or park several blocks away and walk. Train yourself to see yourself as a skilled detective would see you. Always behave in a normal, average manner. You may ACT foolish in public, but you must BE careful.
2. In recruiting new members, always learn as much as possible, and make sure that he is strictly reliable before you approach him. Just being a "Conservative" or a "segregationist" is not enough. WE are looking for men who are Christian, American Patriots, to whom all secondary issues are SECONDARY. Do not hesitate to ask for an investigation on any proposed new member that you do not know. When in doubt, search. A good man can always be brought in later, but a bad one causes real turmoil. Remember, the men who join you are going to be walking around with YOUR life in THEIR hands. Do not object to a good man simply because you have a personal grudge against him. This is a Christian organization and grudges must be forgotten.

3. Always have several secret meeting places and mail drops in reserve so that you can switch on short notice. Change meeting places frequently, but do not confuse your own members about this.
4. Each unit must have one officer designated as a Security Officer who shall watch and criticize the other members for unsound conduct, loose talk or actions, carelessness etc. The local unit head will demand obedience to Security matters at all times for all members. A schedule of small fines for careless members should be set up at once.
5. Assume that all telephones are tapped (which they probably are). Learn to talk over the telephone in code in short, quick sentences. Talk in such a way that no outsider could understand the meaning of what you are saying. Use public phones.
6. Always use deceptive language when sending letters. Do not sign letters or any other paper in connection with this organization. USE YOUR NUMBER. Write with a typewriter that cannot be traced to you. On very important messages, write with the message enclosed in an envelope after it has been wrapped in carbon paper or tinfoil or something that will short circuit the cute infra red reading machines our enemies are now using to check PATRIOTIC (but not communist) mail. Never put a return address on a letter unless it is typewritten and completely fictitious. Seal all joints on the envelope with Scotch tape. Always try to mail letters from as far away from your home as possible, another city, if convenient. Each and every member is required to obtain two pairs of gloves. One pair of DARK, cheap cotton gloves, and one pair of high quality rubber gloves. These gloves must be worn at all times when handling printed material that is to be sent out, or when handling any other type of material that can be traced by fingerprints.
7. Occasionally, organize a systematic mailing campaign to see that certain of our enemies start receiving all kinds of "wild" suspicious mail, implicating him in all kinds of subversive plots and schemes. This will confuse the postal pimps and help protect our other members. Also, in reverse, you should try to act like you are just a pinko yourself who is really against our organization and wishes that everybody would just be "peaceful". Do this without encouraging any one else to believe this way, however. It is just as important to TRICK, CONFUSE and DECEIVE our enemies as it is to fight them. Each member must do his share of both.
8. Keep all records and communications at an ABSOLUTE MINIMUM and carefully hidden and in code. Keep them in such a manner that they can easily and quickly be destroyed. Always include a large number of enemy names on the list of any of our records so that the list will be confusing to any outsider.
9. Observe the "need to know" rule. This means that no officer nor member should have any information that he does not absolutely have to have in order to perform his duty. No member should feel "left out" because he is denied such information. Instead, every member should strive to avoid knowing anything that he does not need to know. Modern techniques of drugs, hypnosis and brain manipulation, have made it impossible for any man to withhold information under capture. Our only defense against this is that a man cannot tell what he does not know.
10. All members in a local unit should informally segregate themselves into groups according to the "name" of being a patriot that they have in their community. Under group A would be those who are known to be members by the Public or the Law enforcement agencies. Under group B are those who are not known to be MEMBERS, but who are recognized as being patriots in their community. Under group C are members who are not generally recognized as being outspoken patriots. Under group D are members who are unknown even to the other members of the unit, except for the one who SPECIALLY recruited him. All members should be very careful in having any outside contact with any members who are in a different group than themselves. Each member must constantly respect the Secrecy and Security of any other member and never reveal the identity of any member to another member without Specific permission on each occasion.
11. If you are already known to be a member or an outspoken patriot, you should start right away to change your public "image" to that of a person who has become disillusioned with the "right wing" and the "conservative" movement in general. You must be careful not to discourage any one else when you are doing this, however.
12. Do not write patriotic letters to magazines or newspapers under your own name. It is OK to write, if you have the ability, but don't sign a correct name or address. Use a typewriter at all times. Never WRITE a letter in handwriting.
13. Each local unit must maintain a squad of at least 8 well armed men, each man with a minimum of 50 rounds of ammunition. This squad should hike, drill and shoot together frequently and become proficient as an infantry squad. This squad will be the guard unit for the meetings.
14. A reserve supply of arms and ammunition should be cached or buried in several places within range of the unit, so that if an overnight crackdown of arms possession comes, the unit would not be disarmed. The "blue ribbon" weapons of the unit must always be kept in a secure and handy place. The squad should have among its arms both short range saturation fire weapons and medium and long range precision accuracy weapons. Squad members should become proficient with the knowledge and use of the latest and simplest home-made weapons. The local unit treasury should help in the purchase of any expensive arms that might impose an undue hardship on an individual squad member. However, as a general rule, it may be said that each squad member furnishes his own basic arms.

INTELLIGENCE consists of the gathering and transmission of all information concerning the enemy, or weaknesses or leaks in our own organization. In a properly administered local unit each man will be designated to watch and turn in regular reports concerning the habits and activities of ONE certain enemy. In addition, all members are charged to be on the alert at all times for any other additional information. All such information must be written up and turned in at each meeting to the local investigator, (or in his absence to the Investigative Secretary, who is a separate officer from the regular Local Unit Secretary, who is, primarily, an ATTENDANCE OFFICER rather than an Investigative Officer.) The point of this is, of course, to recognize the fact that the Investigator must have a private Secretary to assist him in the orderly arrangement of Investigative Data. The local investigator will maintain a file on each of the regular members of the enemy camp, and an additional file for general information and activity involving transient enemies. The local investigator will transmit all timely information at once to the province investigator together with any comments or remarks concerning the urgency of the matter to be covered. Also, the vote of the local unit concerning the wishes of the local unit regarding any Militant activity must be transmitted thru the office of the Province Investigator to the higher headquarters. All members must realize that ALL current information concerning communist activity must be turned in at once. It must also be realized that this is not a gossip society where enemy activity is discussed back and forth until it is worn out or the members have become so excited that they are ready to form a lynch party. Each report is to be written up PRIOR to the meeting by the individual member. After all reports have been turned in, any member who desires some discussion on his report may so request the Head, who will order the report read and discussed. ALL reports must be written up and turned in before they are discussed on the floor of the meeting. Investigation is a 24hr. process. The State Executives must know what is going on in the local areas without having to depend upon the newspapers and radio. All of the local units must gather and feed this information constantly and continuously. Car tags, owners names, car descriptions, physical descriptions of persons, photograph of communists agents in governmental office, information pimps hiding behind offices of authority, armament, dress, techniques, etc., etc., etc., As long as a unit is functioning it will be expected to pour out a constant stream of information. Local units must not become discouraged if action appears to be delayed. Fighting Communists is a slow, necessarily careful, deadly business. Hasty action will lead to either the bastille or the cemetery. Remember, ALWAYS, we are in this war to WIN it, not just to FIGHT it. Continuous, Current, Correct Information is VITAL to the success of this organization. KEEP SENDING IT IN !!!

PROPAGANDA is the weapon of modern war which our organization uses to convince the public that we are all good, and those who oppose us, or criticize us, or attempt to interfere with our activities in any way are all BAD, and are dangerous enemies of the Community. We must always keep the public on our side. As long as they are on our side, we can just about do anything we want to do to our enemies with impunity. If the public can be turned against us, our most Christian Acts will be made to appear wrong by our Satanic Enemies of the Established Press. Keepin the Public on OUR side, and against our enemies is the Vital Task of the Propaganda Dep't in each local unit. Our most important propaganda instruments at this time are Underground Newspapers. They are just as valuable in this war as bullets, and our enemies are actually more afraid of them than bullets. There are three ways that we can destroy an atheist or traitor in the community. They are :1. Socially, 2. Economically 3. Physically. The weapon of propaganda can accomplish the first two in nearly all cases, and it should at least precede and follow up the Action in the third case, if practical. The Will and Capability of Liberals, Comsymps, Traitors, Atheists and Communists to resist and subvert Christian, American Principles MUST BE DESTROYED. This is our Sacred Task. If our enemies can be humiliated and driven out of the community by Propaganda, well enough. If they continue to resist, they must be physically destroyed, before they can damage our Christian Civilization further, and destroy us. This is plainly and simply SELF DEFENSE. The public is now ready to accept this fact. Our propaganda efforts must get them to accept it. The State Organization will, from time to time, publish and distribute a State newspaper, and will assist local units in getting started in their own local distribution of printed matter. Each local unit must have the capability of WRITING, PRINTING and DISTRIBUTING their own Propaganda. The local propaganda must never be identified with the Classic Name of the Organization. Each local unit will have its own name for its newspaper, and it will be sympathetic in tone to our organization, but will be "Independent" in name. The name of each local publication should be well thought out to inspire the sense of Thrill and Mystery in the average reader. Spend a lot of time on the name and banner of your local publication. This is propaganda in itself. The materials which are necessary to operate a propaganda department in a local unit are a typewriter, mimeograph machine and supplies. All of this must be obtained in such a manner that it cannot be traced. About 4 or 5 men in the unit should be assigned to this work, usually under the Ritual and Lecture Officers, and the details of the actual operation should be unknown to the other members. The composing and printing of propaganda require skill but are in themselves, not particularly dangerous. When the time comes to distribute the Underground material. Danger really enters the picture. Of all the methods of Distribution

Mailing is probably the safest, although it is expensive and should not be relied upon entirely. Mail distribution is accomplished by preparing a mailing list in advance of people who are known to be sympathetic to our cause and who will distribute the copies when they receive them. ALSO, on this same list, should be included a substantial number of the enemy in order to protect our sympathizers from being identified thru the postal dep't. In order to speed things up and avoid a long typing list for each issue, the mailing list should be cut on a stencil, and about 50 copies run off. These copies can then be cut up and pasted on the envelopes for the addresses. The return address on each envelope should be the rubber stamped name of some long deceased Patriot such as J. Singleton Mosby, T. Jackson, R.E. Lee, G. Washington etc. The best places to send copies for distribution are Cafes, News stands, Barber Shops, Service Stations, Hotels, Tab rooms etc. If you have a college near your area, find out the names of some of the "good boys" and see that they get plenty of copies. One good safe method of distribution is to stash a bundle of copies in a hidden place with a couple of bucks in it. Then call someone who you think will be interested in earning the fee and tell them to go pick them up and put them out. If he does OK, you can give him some repeat business. Each member needs to scheme constantly for new ways and methods of distribution. The method must be changed often, because our enemies are going to be laying traps all the time. As soon as you have a distribution method down pat, you had better start changing it because it is getting OBSOLETE. It cannot be overemphasized too much that the DISTRIBUTION of Underground propaganda MUST be kept separated from those who are writing and printing the material. The enemy will spend tremendous efforts to track down the source of propaganda, and he must be frustrated from so doing. Be careful that your supplies are not being checked and observed. This is a dangerous point in the operation. Try to buy supplies in large enough quantities to where you can operate for long periods of time without buying any more. Try to buy supplies out of town or out of state. Always wear gloves when working with printed material. DON'T GET CAUGHT!!! The posting of Underground Material on Public Bulletin Boards has a wonderful effect on Morale and the Spirit of the members and Citizens. Always try to keep them covered, if the risk is not too great. Propaganda is the one weapon that we have at hand today that can be successfully used against the enemy in AGGRESSIVE fashion. If we will use it properly we can force him to fight on our terms rather than we having to fight on his. It is possible that we can use this weapon into goading our enemies into making mistakes. If we can begin to do this consistently enough, we can DEFEAT him. When propaganda is properly used, it actually disturbs the enemy more than the killing of his agitators. Scientific communists fear the weapon of Patriotic Propaganda more than any other. We must use this weapon constantly and efficiently against our enemies in order to keep the public on our side. The public must always be made to feel that WE are the ones who are doing the GOOD work and that those who oppose us are foul traitors, scoundrels and blackguards. We must never give an enemy an even break. This is a life and death struggle. We must strive at all times to break and destroy our enemies, while maintaining good relations with the public. As long as we have the public with us we can handle our enemies any way that we please, but if our propaganda fails, and our enemies turn the public away from us, THEY will be able to slaughter us. The most effective trick of propaganda that we can use is actually a true one at this time. We must constantly appear as the Honorable Underdog: David and Goliath, Daniel in the Lions den, the cold and hungry Continentals at Valley Forge etc., but we must never let the Spirit of the Underdog depress us. Actually we are not really the underdog, if we are aligned with Almighty God, although from the purely Materialistic standpoint, we are literally, overwhelmed. Propaganda, of course, is based on the materialistic standpoint, which it is sad to say, is about all the public appears to be able to comprehend. The importance of propaganda in this struggle simply cannot be overemphasized. If we can mould and maintain favorable public opinion, we can attain our objective, God willing. If we permit our enemies and opponents to convince the public that THEY are Good and WE are Bad, we will eventually lose, regardless of how many of the enemy that we kill. Every member must understand this thoroughly. Now let's get off it and on it!!!

This has been only a very brief and sketchy outline of the basic fundamentals of this organization. It will be supplemented from time to time. All officers are required to lecture the members on these fundamentals at every opportunity. State officers will be checking from time to time to see that this is being done. A good set of books on Guerilla warfare should be kept in each unit and studied by all personnell. Those who write the propaganda will do well to read Col. Virgil Mey's book: "Notes on Guerilla Warfare" available from Command Publications, Box 6303, N.W. Station, Washington 15, D.C. Cost: \$3.50, postpaid.

NO 157-1962

On March 24, 1964, Reverend WILLIAM DAVIS, Mississippi Baptist Seminary, Jackson, Mississippi, provided a leaflet entitled "The Most Awful Disease of Our Time" which Rev. DAVIS advised had been distributed throughout Lincoln County, Mississippi. Set forth is a copy of the above-described leaflet:

57

THE MOST AWFUL DISEASE OF OUR TIME

It's an ill government indeed, that will tolerate, much less advocate, and enforce, dissension, unrest — and even violence — among its own people. It seems stupid indeed that any government, most especially the government of the United States of America, would help a small minority group of its own people overthrow the majority of its own people, using all the force at this Government's disposal to do so; especially when the majority that is being overthrown is the absolute backbone and total support of this Government — and the minority that is doing the overthrowing and trying to gain control, is now and always has been a 75% "kept" people, by the knowledge, labor, money, and good will of the majority. We are not heading for serious trouble - - - WE ALREADY HAVE serious trouble when a people's government will bow down to a small, filthy, bearded Communist mongrel, just ninety miles from our doorstep, but on the other hand send all its whole military might — armed to the teeth and ready to kill all its own people within an entire state, if necessary — to see that one black man is placed in supremacy over that State (including the Governor of that State, — all the elected officials of that State) and to hell with the feelings of the people of that State who have worked very hard to make the State prosperous, and a decent place to live.

The very fact that our government is in full support of this revolutionary movement to divide its own people and bring about an all-out shooting war, is absolutely baffling.

Can it be that the Communists have already taken over?

Are we heading toward another Nazi Germany, and another Hitler within this Government?

There is certainly something very strange about all this that just does not, and never will, make things come out for the betterment of the United States of America. On the contrary, it will be our downfall and total annihilation if allowed to continue. The people whom we have elected to run the affairs of this nation are either very stupid or have joined a conspiracy to sell us all out, and that is a fact!

The leaders of our Country will spend billions of dollars and go anywhere in the World to sit down and talk to a Communist and make all kinds of concessions with him on any matter, to keep him pacified while he is infiltrating every phase of our lives in this country and brainwashing the American people, and cutting the very heart out of these United States of America, and destroying all things that are decent.

As yet, not one official of the United States government has tried to make any concessions with the Southern American white man, over his plight. We suppose the Southern States of America and their citizens are not worthy of consideration. Is it possible that the only way we will ever be recognized here in the South will be to pull out of the United States of America, get us a real black man with lots of wool on his head, who is an avowed Communist, or a member of the mau-mau, who has at least one white English slut for a wife, and join the United Nations? At this time we will be heard and listened to by the entire World, and the United States of America will sup-

port us with all its purse power, and military might, and, then they will let us tell them how to run the government of the United States, and the people within. This is the extreme you have to go to nowadays to get any voice at all in what is to happen to civilization.

The meaning of the word American Patriot has also been changed by the Communist, brainwashed American people. It now means fanatic, hot-head, extremist, and ignorant.

The only thing an American citizen can get nowadays from his government is an increase in taxes, so there will be more money available to support the Communist red and black satellites, and the poor old American negro that you see driving these new Cadillacs up and down the road, while you are working your behind off trying to pay doctor bills, grocery bills, notes on a home for your wife and children, clothes for them and many other things that you know are right and decent.

We bet that you are driving a five to nine year old car that half the time you can't afford to buy gas to go to Church with your wife and children; and if you could afford the gas you had to cut the collection plate short at Church or some other bill. We bet if you check real close on that poor old Southern negro driving that Cadillac, he has two or more negro women on Welfare that are drawing checks for half a dozen illegitimate negro kids of his — and we'll bet you find them living in a shack, with very little to eat, practically no clothes or running around naked; and we'll bet the father of those illegitimate negro kids is out in his new Cadillac, hustling new members for the NAACP, and stealing half the dues he collects, and getting another negro woman pregnant for the Welfare Department to take care of. And we'll bet the mother of those same kids is out begging some White person for something, trying to make

everybody feel sorry for her whole race; but we'll also bet if you offered her a job, she would say "Well I've just feel's too bad to work today, but if you white folks will lend me five dollars I will come back next week and work it out"; and if she does come back she will steal you blind, and leave while you are gone; and since they are already wards of the state and the all-powerful government, there's not one damn thing you can do about it — and if they go to jail, well, that's free room and board for a few days and a chance to rest, (again at your expense.) They don't go to Church anymore — they go to the Church house for a NAACP meeting to plan their strategy on how they can agitate the White folks that treat them so mean!

The Federal Government says that these people are to be placed in a position of society in life above you and me, and that we are to treat them as our equal and better — that our kids have to go to school with them, live with them, marry them, and if we don't, they will send the armed forces down here to stab our children with bayonets, shoot them in the heads with tear gas, beat them over the heads with black jacks, and billy clubs, and shoot you if you say anything about it.

You have all seen the Governors of the Southern States try to defend us with the written law of the Constitution of the United States of America, and they just pushed them aside as though there were no such thing as a Governor or a Constitution. These wonderful people of ours who have tried so hard to defend us with the law have been made jokes of by the communistic federally controlled news media and slandered on television to the whole world, and lied about by this same news media until it is absolutely disgusting to turn on a television set. These same Southern Officials have been fined and threatened by such people as the Maggot-in-

Human-Flesh — none other than Chief Justice Earl Warren, who does not enforce the law but makes his own as he sees fit, under the past and present administration on Capital Hill. There is nothing wrong with America. There is nothing wrong with the Constitution of the United States of America. There is much wrong with the parasites who have the reigns of this great Nation in their hands. There is much wrong with you White people who are sitting idly by with your fiddles, while America is screaming for help! All you have to do is stand up together one time and say: "Now that's it, we have had enough"! We do not believe there will be any shots fired if it's done soon. You know the Negroes, Jews, Communists, and some religious groups stand together. They stand together to destroy you, the White American Protestant gentile citizen. So what in GOD'S name will it take to make some of you white men and women stand together and speak your minds?

Do something to correct this situation now, while you still have a chance. Tomorrow could very well be too late.

Write a letter to your Mayor, Chief of Police, Sheriff, State Representative, Governor, your Congressman, to J. Edgar Hoover; yes, and even to the President of the United States — even tho we doubt if this one will help. But, let them all know how you feel. Let them know that you have had about all you can take: let your State officials know that you are behind them and where you stand, and mean it!

Talk to your children. Teach them what is going on in their country. Keep them from being brain-washed at school and with television shows. Teach them that America was not won on Liberalism, but was won by people who had guts enough to call a spade a spade any time, any place, on any occasion.

If Americans would teach this to their children, and live by it themselves, Communism would soon vanish behind the iron curtain, and the parasites in our own government would have the exact dose of antibiotic needed to destroy them. Then the right kind of capable, dedicated people would replace them because the replacement would come from you or one of your children to whom you taught the American way of life!

So you see: The answer to our problem is for everyone to do his or her share to correct it. Stick together and let your voice be heard. (loud and clear.)

There is a saying that is very true: "There is not enough darkness in the entire world to put out the light from one small candle". And just as true, there are not enough Communists or parasites in the whole world to kill the spirit of one honest-to-God American.

The White Knights of the KU KLUX KLAN of Mississippi are native white Mississippians and are not affiliated with any other Klan organization possibly operating within this state headed by people outside this state. We are solely responsible for this and all other work done by The White Knights of the KU KLUX KLAN of Mississippi and that alone!

What Will Our Descendants Be? Anglo-Saxon or Mulatto ???

With all the racial propoganda by the NAACP and their white stooges, and as the years roll by the prophesy and words of Abraham Lincoln may become a reality. At the rate we are now moving, in another hundred years the Ethiopian or mulatto will be the rulers of our Anglo-Saxon nation, founded by our great forefathers of Virginia and Massachusetts.

You cannot build in a Democracy a nation inside a nation of two antagonistic races. The future American must be Anglo-Saxon or Mulatto.

You can never have social and political equality with the Negro without asking him to your home sooner or later. If you ask him to your house, he will break bread with you at last. And if you seat him at your table, he takes the right to ask your daughter's hand in marriage.

The man or woman of Negro ancestry, though a century removed, will suddenly breed back to a pure Negro child, kinky-headed, flat-nosed, thick-lipped, black skinned. ONE DROP of Negro blood in your family could push it backward three thousand years in history.

In a debate with Judge Douglas at Charleston, Illinois, September 18, 1858, Mr. Abraham Lincoln expressed his views and his stand on the racial question, in part as follows:

"I am not nor ever have been in favour of bringing about in any way the social and political equality of the white and black races! I am not nor ever have been in favour of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people. I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality; and inasmuch as they cannot so live, while they do remain together there must be the position of the inferior and superior, and I am, as much as any other man, in favour of having the superior position assigned to the white race."

PUBLISHED by The WHITE KNIGHTS OF THE KU KLUX KLAN STATE OF MISS.

LINCOLN COUNTY

In America, the Beautiful, the home of the brave,
There seems little concern over this nation to save,
Where waving Old Glory in all its light,
You will get a call from Washington saying you are far to
the right.

Or if you are patriotic, and an anti-communist talker,
What will it get you? Ask General Walker!

Is this still America, the land of the free?

Five will get you ten it soon won't be.

But hark! In the distance, do I hear a rumble,

Such as the roar of a cannon or a clap of thunder?

It's coming from DIXIE; Glory be!!

Where good men are not afraid to take a stand

To save this precious and noble land.

They number in the thousands, this courageous band,

God go with them, the KU KLUX KLAN.

Gallant men these, tried and true,

Dedicating their lives to protect us and you.

Now listen, you COMMUNIST and NIGGERS and JEWS.

Tell all your buddies to spread the news.

Your day of judgment will soon be nigh,

As the Lord in his wisdom looks down from on high.

Will this battle be lost? NEVER! I say.

For the KU KLUX KLAN is here to stay !!!

** If you wish to become one of us, just tell a few of your friends,
and we will do the rest.

THE KLAN KREED

IN THE BEGINING GOD; ETERNAL, INFINITE CREATOR AND HIS SON; JESUS CHRIST, OUR CRITERION OF CHARACTER, OUR SAVIOUR. IN THIS WE PLACE ALL OUR FAITH.

We know no safe depository of the ultimate powers of society but the people themselves, and if any think them not enlightened enough to exercise their control with wholesome discretion, we believe the remedy is not to take the powers from them, but to inform discretion by education.

We believe there can be no compromise on the matter of the segregation of the Races.

We believe that for any single American citizen to survive the final battle that will be waged by the International Communist Conspiracy, America and its Christian Constitutional form of government must survive.

We believe with unqualified faith The Holy Bible, Romans 12:1, "I beseech you therefore brethern, by the mercies of God, that ye present your bodies a living sacrafice, Holy, acceptable unto God, which is your reasonable service"

We believe that the Holy Bible and The Constitution Of The United States of America are the Greatest Safeguards of true liberty, Justice and the Dignity of man ever devised.

We believe that failure to know the enemy, failure to understand him on all fronts; failure to prepare completely to battle him to the ultimate end in defense of this great nation will give him aid and a comfort. To give the enemy aid and comfort according to the Constitution Of The United States Of America is Treason.

We believe that our future will not redeem our past. We will only drift from one terrible fiasco to another in complete legarthy unless we come to realize that there can be no compromise on the battlefield; no halfway in the fight for the preservation of our religion and freedom; it must be all or nothing. We now rest our case to your courage. Our accusers are persons, not America, our objective is freedom, not peace.

 THE JOURNEY TO THE
 STATIONS AND POSITIONS INDICATED.

OPENING CEREMONY

Just prior to the opening of the Klonklave, the Klaliff will procure the mounted flag and stand it at and in front of his station; The Klakard will procure the altar flag and the unsheathed sword and place same on his station with flag folded compactly; The Kludd will procure the vessel containing the dedication fluid and the Bible and put same on his station; The Night Hawk will procure the Fiery Cross and stand it at and in front of the station of the Exalted Cyclops.

The time having arrived for the opening of the Klonklave, the E.C. (in his absence a substitute) will ascend to his station, and standing will give one rap with his gavel and say:

"ALL PRESENT WHO HAVE NOT ATTAINED CITIZENSHIP IN THE INVISIBLE EMPIRE, KNIGHTS OF THE KU KLUX KLAN, WILL RETIRE TO THE OUTER DEN UNDER THE ESCORT OF THE NIGHT HAWK!"

"THE KLEXTER AND THE KLAROGO WILL TAKE THEIR POST AND FAITHFULLY GUARD THE ENTRANCE TO THE KLAVERN!"

After all the applicants for membership have been secured, the Klexter and Klarogo will close their respective doors, the Klarogo making his secure. After this is done no one will be allowed to pass the Klarogo into the Klavern until the Klonklave is duly opened. All substitute officers shall be appointed at this time. E.C. will then give three raps with his gavel and take his seat. (The officers do not assume their stations at this time.) The E.C. will then command _____

"THE KLADD OF THE KLAN!"

The Kladd will advance to a point about five feet in front of the station of the E.C. and say:

"THE KLADD OF THE KLAN YOUR EXCELLENCY!"

E.C.----"You will ascertain with care if all present are Klansmen worthy to sit in the Klavern during the deliberations of this Klonklave!"

Kladd----"I HAVE YOUR ORDERS, SIR!"

The Kladd will then collect from each Klansman present the Court-ersign and password. As he approaches a Klansman, that Klansman will whisper the words into the ear of the Kladd and resume his seat immediately. If a Klansman should not have the word he will remain standing. The Kladd will proceed around the Klavern to all present. After he had finished he will return to the E.C. and report as follows.

Kladd----"YOUR EXCELLENCY: I RESPECTFULLY REPORT THAT ALL PRESENT ARE KLANSMEN WORTHY OF THE HONOR OF SITTING DURING THE DELIBERATIONS OF THIS KLONKLAVE." (If any present do not have the words, the Kladd will add to the above:) "EXCEPT THOSE STANDING BEFORE YOU; THEY PRESUME TO BE KLANSMEN, BUT THEY DO NOT HAVE THE WORDS."

The E.C. will ask of the Kligrapp if the one standing are worthy; if so, he will instruct them to advance to his station and procure the words. If they are not worthy all ceremony will cease until they become worthy or are ejected from the Klavern. If there be visiting Klansmen present they must be invited to the E.C. station at this time, met by him, then faced toward the sacred altar and introduced to the Klan. All Klansmen will arise and give the TSOG. The visiting Klansmen will return the TSOG. This done the E.C. will give two raps with his gavel and say:

"MY TERRORS, YOU WILL TAKE YOUR RESPECTIVE STATIONS AS YOUR NAMES ARE CALLED."

The E.C. sitting in his station will call the roll of officers. When an officers name is called, he will arise and answer: "HERE", and proceed to his station, stand erect and face the Sacred Alter. (If an officer is absent his substitute will arise and say "SUBSTITUTE" and proceed to his station.) When the names of the Klexter and the Night Hawk are called the Klarogo will answer for them if they are present, but if either of them or both of them are absent, the Klarogo will give the names of their substitute and so state.

No one will be allowed to sit on the station of an officer unless by consent of the E.C.

The E.C. will then arise; When he arises the Terrors will face him and salute; he will return the salute and charge them as follows:

"MY TERRORS; YOUR FELLOW KLANSMEN HOLD YOU IN HIGH ESTEEM. YOU HAVE BEEN CHOSEN TO FILL AN IMPORTANT PLACE IN THE AFFAIRS OF THIS KLONKLAVE AND TO SET AN EXAMPLE TO ALL KLANSMEN OF PERFECT OBSERVANCE OF OUR OATH AND DUTIFUL DEVOTION TO OUR GREAT FRATERNITY. THEREFORE, I CHARGE YOU TO DISCHARGE EVERY DUTY INCUMBENT UPON YOU WITH DISPATCH, EFFICIENCY AND DIGNITY. PRESERVE PEACE AND DECOURM IN OUR DELIBERATIONS AT THIS TIME, AND PRESERVE WITH HONOR IN PROMOTING AND GUARDING WELL EVERY INTREST OF THE INVISIBLE EMPIRE, KNIGHTS OF THE KU KLUX KLAN."

The E.C. will then give three raps and command:

"MY TERRORS AND KLANSMEN, MAKE READY."

All will arise and put on robes but leave their hoods off, and remain standing. (Robing may be admitted if there be no candidates in waiting, at the discretion of the E.C.) He will then say:

E.C.-----"PREPARE THE SACRED ALTAR!"

The Altar furnishings haveing been previously placed, The Klokard will advance to the Sacred Alter from his station with the Altar flag and sword; standing on the side of the Sacred Altar next to the Klaliff's station, he will place directly across the center of the Sacred Alter the sword, with hilt toward the E.C., then spread the flag across Altar with stars to his left and on opposite edge of flag from him they turn back under corner of flag to allow room for vessel of fluid to be placed there without the vessel touching the flag, and then takes position Number 1 facing the Sacred Altar.

As he leaves the Sacred Alter, the Kludd will advance to the Sacred

altar with the Holy Bible and vessel of dedication fluid; standing at the point of the sword, he will place the Bible, opened to the 12th chapter of Romans, on and near the corner of the Sacred Altar to his left and next to him, and the vessel of fluid on and near the corner of sacred altar to his right and opposite side from him, and takes position Number 2 and faces the Sacred Altar.

As he leaves the Sacred Altar the Night Hawk (in his absence, the Kludd) will advance to the Sacred Altar with the Firey Cross and place it at and against center of Sacred Altar on side toward the E.C.'s station, light it, and take position Number 4 facing the Sacred Altar.

The Klokard from his position, carefully surveys the Sacred Altar to make sure it is properly prepared, corrects any imperfections in its preparation, if any; from his position he faces the E.C. (the other three Terrors will do likewise) and address the E.C. as follows:

Klokard----"YOUR EXCELLENCEY, THE SACRED ALTAR OF THE KLAN IS PREPARED, THE FIREY CROSS ILLUMINATES THE KLAVERN."

E.C.----"FAITHFUL KLOKARD, WHY THE FIREY CROSS?"

Klokard----"SIR, IT IS THE EMBLEM OF THAT SINCERE, UNSELFISH DEVOTEDNESS OF ALL KLANSMEN TO THE SACRED PURPOSE AND PRINCIPLES WE HAVE NOW ESPOUSED."

E.C.----"MY TERRORS AND KLANSMEN, WHAT MEANS THE FIREY CROSS?"

All----"WE SERVE AND SACRIFICE FOR THE RIGHT."

E.C.----"KLANSMEN ALL: YOU WILL GATHER FOR OUR OPENING DEVOTIONS."

When he says this he will arise and advance to and occupy the position Number 2 occupied by The Kludd; as he approaches the Kludd that Terror will advance to the Sacred Altar and take position near the point of the sword. All Klansmen will form on the quadrate, forming straight lines between these four positions; these four positions occupied by Terrors, form the corners of the quadrate. The Terrors, in taking these positions should step out far enough to accomodate the members between them, about an equal number on each side of the quadrate. The distance between the Klansmen in this quadrate should be about three feet. If there be more than enough to form one line, the others will form back of the first line and so on untill all are in position. Great care must be exercised to form the quadrate correctly and symmetrically with the Sacred Altar in as near the exact center as possible. When the formation is complete all will join in the singing of the following Klode:

My Country, 'tis of Thee, Sweet Land Of Liberty, Of Thee I Sing,
Land where my fathers died, Land of the Pilgrims Pride,
From Every Mountian Side, Let Freedom Ring.

Our Fathers God! to Thee, Author of Liberty, To Thee We Sing;
Long may our land be bright, With Freedoms Holy Light,
Protect us by Thy right, Great God Our King!

After singing, The Kludd at the Sacred Altar leads in the following prayer (All must stand with bowed heads)

E.C.----"FAITHFUL KLALIFF: WHAT IS THE FOURFOLD DUTY OF A KLANSMAN?"

KLAROGO----"WHO SEEKS ENTRANCE TO THE INNER KLAVERN?"

NIGHT HAWK----"THE NIGHT HAWK OF THE KLAN WITH IMPORTANT INFORMATION AND DOCUMENTS FROM THE ALIEN WORLD FOR HIS EXCELLENCY."

The Klarogo reports and salutes to the E.C.

KLAROGO----"YOUR EXCELLENCY: THE NIGHT HAWK OF THE KLAN IS RESPECTFULLY WAITING TO ENTER THE KLAVERN WITH IMPORTANT INFORMATION AND DOCUMENTS FROM THE ALIEN WORLD!"

E.C.----"YOU WILL PERMIT HIM TO ENTER."

The Klarogo returns to the door and gives ALLW and is answered by the Night Hawk with a LLW, then the Klarogo opens the door and says:

"YOU HAVE THE PERMISSION OF HIS EXCELLENCY TO ENTER."

The Night Hawk enters, stands erect and GTSOG; All will answer the same from their seats. The Night will then proceed to the Sacred Altar. He will GTNH, then GTSOFC, then removes his hood and GTSOK-C, and stands erect and ready.

E.C.----"FAITHFUL NIGHT HAWK, YOU MAY NOW SPEAK AND IMPART THE IMPORTANT INFORMATION IN YOUR POSSESSION TO US."

NIGHT HAWK---(Bowing first)"YOUR EXCELLENCY: SIR, PURSUANT TO MY DUTY IN SEEKING LAUDABLE ADVENTURE IN THE ALIEN WORLD, I FOUND THESE MEN. (here he gives their names) THEY HAVING READ THE IMPERIAL PROCLAMATION OF OUR EMPEROR, AND PROMPTED BY UNSELFISH MOTIVES, DESIRE A MORE NOBLE LIFE. IN CONSEQUENCE THEY HAVE MADE THE HONORABLE DECISION TO FORSAKE THE WORLD OF SELFISHNESS AND FRATERNAL ALIENATION AND EMIGRATE TO THE DELECTABLE BOUNDS OF THE INVISABLE EMPIRE AND BECOME LOYAL CITIZENS OF SAME."

E.C.----"FAITHFUL NIGHT HAWK: THIS IS INDEED IMPORTANT INFORMATION, MOST PLEASANT TO HEAR. IMPORTANT IN THAT IT EVIDENCES HUMAN PROGRESS: MOST PLEASANT IN THAT IT REVEALS THROUGH YOU A KLANSMAN'S SINCERE APPRECIATION OF HIS SACRED MISSION AMONG MEN AND HIS FIDELITY TO DUTY IN THE BETTERMENT OF MANKIND. THEIR RESPECTIVE PETITIONS WILL BE RECEIVED AND JUSTLY CONSIDERED."

NIGHT HAWK---(Bowing first) "SIR, I HAVE IN MY POSSESSION THE REQUIRED PETITIONS FOR CITIZENSHIP OF THE MEN NAMED, TOGETHER WITH THEIR KLEC-TOKEN."

E.C.----"YOU WILL DELIVER THEM TO THE KLIGRAPH WHO WILL READ THEM TO ALL KLANSMEN ASSEMBLED."

The Night Hawk will deliver the petitions to the Kligraph along with the Klectokens and resume his position at the Altar. The Kligraph will then arise and read the names and give the petitions to the E.C. and resume his seat.

E.C.----"KLANSMEN, YOU HAVE HEARD THE NAMES OF PETITIONERS FOR CITIZENSHIP IN THE INVISABLE EMPIRE. DOES ANY KLANSMAN ON HIS OATH OF ALL-

EGIANCE, KNOW ANY JUST REASON WHY THESE ALIENS, OR ANY OF THEM, SHOULD BE DENIED CITIZENSHIP IN THE INVISABLE EMPIRE."

If there be no objections the E.C. will address the Night Hawk:

E.C.----"FAITHFUL NIGHT HAWK, YOU WILL INFORM THESE ALIEN PETITIONERS FROM ME."

" THAT IT IS THE CONSTANT DISPOSITION OF A KLANSMAN TO ASSIST THOSE WHO ASPIRE TO THINGS NOBLE IN THOUGHT AND CONDUCT, AND TO EXTEND A HELPING HAND TO THE WORTHY. THAT THEIR DESIRES ARE SINCERELY RESPECTED, THEIR MANLY PETITIONS ARE BEING SERIOUSLY CONSIDERED IN THE LIGHT OF JUSTICE AND HONOR, WITH TRUE FAITH A MAN MAY EXPECT A JUST ANSWER TO HIS PRAYERS AND HIS VIRTUOUS HOPES WILL ULTIMATELY RIPEN INTO A SUBLIME FRUTATION!"

The Night Hawk bows and says: "I HAVE YOUR ORDERS SIR!" then retires to the outer door of the inner den of the Klavern and through the wicket of the outer door informs the candidates as follows.

THEREFORE YOUR DESIRES ARE SINCERELY RESPECTED AND YOUR MANLY PETITIONS ARE BEING SERIOUSLY CONSIDERED IN THE LIGHT OF JUSTICE AND HONOR. WITH TRUE FAITH YOU MAY EXPECT A JUST ANSWER TO YOUR PRAYERS, AND YOUR VIRTUOUS HOPES WILL ULTIMATELY RIPEN INTO A SUBLIME FRUTATION. THIS IS THE DECISION OF HIS EXCELLENCY, THE EXALTED CYCLOPS, WITH ALL HIS KLAN CONCURRING!"

The Night Hawk then returns to his station in the Klavern without form.

E.C.----"FAITHFUL KLOKARD: YOU WILL EXAMINE UNDER WITNESS THE ALIEN PETITIONERS AS TO THEIR QUALIFACTIONS."

The Klokard with his assistants, the Klaliff and Kludd, retires to the outer den and will propound to the candidates in waiting the following required "Qualifying Interrogatories!"

9----WILL YOU FAITHFULLY OBEY OUR CONSTITUTION AND LAWS, AND CONFORM WILLINGLY TO ALL OUR USAGES, REQUIREMENTS AND REGULATIONS ? _____

10---CAN YOU ALWAYS BE DEPENDED ON ? _____

This done, he, with his assistants, will return to the Sacred Altar, he will salute and report as follows:

"YOUR EXCELLENCY, THESE _____ MEN IN WAITING HAVE EACH DULY QUALIFIED TO ENTER OUR KLAVERN TO JOURNEY THROUGH THE MYSTIC CAVE IN QUEST OF CITIZENSHIP IN THE INVISIBLE EMPIRE."

E.C.----"THE KLADD OF THE KLAN!" The Kladd will arise and advance to a position about five feet from the E.C. and say:

"THE KLADD, YOUR EXCELLENCY."

E.C.----" YOU WILL RETIRE UNDER SPECIAL ORDERS TO THE OUTER PREMISES OF THE KLAVERN, ASSUME CHARGE OF THE WORTHY ALIENS IN WAITING, AND AFFORD THEM A SAFE JOURNEY FROM THE WORLD OF SELFISHNESS AND FRATERNAL ALIENATION TO THE SACRED ALTAR OF THE EMPIRE OF CHIVALRY, INDUSTRY, HONOR AND LOVE."

The Kladd salutes the E.C. and says: "I HAVE YOUR ORDERS SIR."

He then retires to the room where the candidates are, lines them up in single file, the left hand of the rear man on the left shoulder of the man in front of him. He then takes his place in front of them and says: "FOLLOW ME." "BE A MAN (OR MEN)." HE then proceeds to the outer door of the inner den and gives thereon *0.

KLEXTER----(opening the wicket and saying) "WHO AND WHAT IS YOUR BUSINESS."

KLADD----"I AM THE KLADD OF THIS KLAN ACTING UNDER SPECIAL ORDERS OF HIS EXCELLENCY, OUR EXALTED CYCLOPS; I AM IN CHARGE OF A PARTY !"

KLEXTER----"WHAT BE THE NATURE OF YOUR PARTY."

NW KLADD----"WORTHY ALIENS FROM THE WORLD OF SELFISHNESS AND FRATERNAL ALIENATION, PROMPTED BY UNSELFISH MOTIVE, DESIRE THE HONOR OF CITIZENSHIP IN THE INVISABLE EMPIRE AND THE FELLOWSHIP OF KLANSMEN."

KLEXTER---"HAS YOUR PARTY BEEN SELECTED WITH CARE?"

KLADD----"THESE ARE KNOWN AND HAVE BEEN VOUCHERD FOR BY KLANSMEN IN KLONKLAVE ASSEMBLED."

KLEXTER---"HAVE THEY HAD THE MARKS?"

KLADD----"THE DISTINGUISHING MARKS OF A KLANSMAN ARE NOT FOUND IN THE FIBRE OF HIS GARMENTS OR HIS SOCIAL OR FINANCIAL STANDING. THEY SRE SPIRITUAL; NAMELY A CHIVALRIC HEAD, A COMPASSIONATE HEART, A PRUDENT TOUNGE AND A COURAGEOUS HEART. ALL DEVOTED TO OUR COUNTRY, OUR KLAN, OUR HOMES AND EACH OTHER; THESE ARE THE DISTINGUISHING MARKS OF A KLANSMAN, OH FAITHFUL KLEXTER! AND THESE CLAIM THE MARKS.

KLEXTER----"WHAT IF ONE OF YOUR PARTY SHOULD PROVE HIMSELF TO BE A TRAITOR?"

KLADD----"HE WOULD BE IMMEDIATELY BANISHED IN DISGRACE FROM THE INVISIBLE EMPIRE WITHOUT FEAR OR FAVOR, CONSCIENCE WOULD TENACIOUSLY TORMENT HIM, REMORSE WOULD REPEATEDLY REVILE HIM, AND DIREFUL THINGS WOULD BEFALL HIM."

KLEXTER----"DO THEY KNOW ALL THIS?"

KLADD----"ALL THIS THEY NOW KNOW, HAVE HEARD AND MUST HEED."

KLEXTER----"FAITHFUL KLADD, YOU SPEAK THE TRUTH."

KLADD----"FAITHFUL KLEXTER, A KLANSMAN SPEAKETH THE TRUTH IN AND FROM HIS HEART. A LYING SCOUNDREL MAY WRAP HIS DISGRACEFUL FRAME WITHIN THE FOLDS OF A KLANSMANS ROBE AND DECIEVE THE VERY ELECT BUT ONLY A KLANSMAN POSSESESS A KLANSMANS HEART AND A KLANSMANS SOUL."

KLEXTER---"ADVANCE WITH THE COUNTERSIGN."

Then only the Kladd advances and through the wicket whispers the countersign to the Klexter.

KLEXTER----(opening the wicket) "WITH HEART AND SOUL I THE KLEXTER OF THIS KLAN WELCOME YOU AND OPEN THE WAY FOR YOU TO ATTAIN THE MOST NOBLE ACHEIVEMENT IN YOUR EARTHLY CAREER. BE FAITHFUL AND TRUE UNTO DEATH AND ALL WILL BE WELL AND YOUR REWARD SURE. NOBLE KLADD YOU WILL PASS WITH YOUR PARTY."

The Kladd with his party will pass the outer door and stop. He will then give ALLW, and the Klarogo upon hearing the LLW will then announce:

"YOUR EXCELLENCY AND KLANSMEN ASSEMBLED: I HEAR THE SIGNAL OF THE KLADD OF THE KLAN ON HIS WAY WITH A PARTY."

E.C.-----"MY TERRORS AND KLANSMEN, ONE AND ALL: MAKE READY!"

NW 12580 DocId:59167814 Page 148

Each klansman will put on his hood, both aprons down, all robes completely buttoned. All lights must be turned down so as to make the Klavern almost dark. All must remain still and quiet. Only the

officers who must read will use a light and then only a small light. When all are ready, the Klaroge will answer the Kladd with ALLW, and begin to OTDS.

KLADD----"SIRS, THE PORTAL TO THE INVISIBLE EMPIRE IS BEING OPENED FOR YOU. YOUR RIGHTEOUS PRAYER IS BEING ANSWERED FOR YOU AND YOU HAVE FOUND FAVOR IN THE SIGHT OF THE EXALTED CYCLOPS AND HIS KLANSMEN ASSEMBLED. FOLLOW ME AND BE PRUDENT."

As the Kladd approaches the inner door with his party, the Klarogo will stop them by facing them with TSOF-C. He will then recover TSOF-C, face inward and stand erect and ready. (The Klokard or his assistant before this has stationed himself just inside the door and not seen by the party but to be heard by them will say:

"God give us men! The Invisible Empire demands strong,
Minds, great hearts, true faith and ready hands,
Men whom the lust of office does not kill,
Men whom the lust of office cannot buy,
Men who possess an opinion and a will,
Men who have Honor, and men who will not Lie,
Men who can stand before a demagogue,
And dam his treacherous flatteries without winking,
Tall men, sun crowned, who live above the fog,
In public duty and private thinking,
For while the rabble, with their thumb worn creeds,
Their large professions and little deeds,
Mingle in selfish strife, Lo! Freedom weeps,
Men who serve not for selfish booty,
But real men, courageous, who flinch not at duty,
Men of dependable character, Men of sterling worth,
Then wrongs will be redressed, and right will rule the earth,
GOD GIVE US MEN!!!

KLAROGO----"WILL EACH OF YOU AS KLANSMEN IN YOUR DAILY LIFE ALWAYS EARNESTLY ENDEAVOR TO BE AN ANSWER TO THIS PRAYER?"
He then faces the E.C. and says:

"YOUR EXCELLENCY AND FELLOW KLANSMEN: JUST SUCH MEN ARE STANDING IN THE PORTAL OF THE INVISIBLE EMPIRE, DESIRING THE LOFTY HONOR OF CITIZENSHIP THEREIN, READY AND WILLING TO FACE EVERY DUTY ON HIM THAT MAY BE IMPOSED."

E.C.----"FAITHFUL KLAROGO AND KLANSMEN, LET THEM ENTER THE KLAVERN IN QUEST OF CITIZENSHIP, BUT YOU KEEP A KLANSMANS EYE UPON THEM, AND IF ANY ONE OF THEM SHOULD FLINCH, SHOW UP AS A COWARD, OR AS A SCALAWAG NOW OR AT ANY TIME IN THE FUTURE, IT WILL BE YOUR DUTY TO THEN EJECT HIM OR THEM FROM THE PORTAL OF THE INVISIBLE EMPIRE AND DO SO WITHOUT DELAY: BE THOU NOT RECREANT TO DUTYS DEMANDS."

While the above prayer is being said the Night Hawk takes the firey cross from the Altar, lights it and takes a position in front of and about four feet from the Klaliffs station, facing the Klarogo, holding the firey cross above his head.

The Klarogo steps aside and will say to the Kladd, "PASS."

When the Kladd crosses the threshold of the Klavern he will stop and give TSOG. All Klansmen except the officers, will arise, face the Kladd, and give TSOG, face the altar and remain standing with TSOC-L. The Kladd will then proceed with his party toward the Night Hawk. As the Kladd approaches the Night Hawk and gets about six feet from him the Night Hawk will about face and march in front of him on the journey until he is halted by ALLW from the E.C. When he hears the signal he will stop his party, answer the signal with ALLW, then face his party toward the Sacred Altar. When this is done the Night Hawk with the firey cross takes a position in front of and about six feet from the party, facing the party with the cross uplifted. He will remain here until he hears the second LLW from the E.C. Then he will resume his position in front of the Kladd and move on with the party. When the Kladd hears the same LLW he will face his party as they were, answer the LLW with ALLW and follow the Night Hawk.

When the signal of ALLW of the E.C. is first given, all klansmen except the station officers, Klarogo and Klexer, will form from the seats, march around the hall in single file, the Klokard leading to his right, pass in front along the line of the party, between the party and the Night Hawk, with each Klansman looking the party right in the eyes but moving on, and after passing the party the Klokard will form the klansmen in a double line with open ranks about six feet apart and facing each other, holding TSOC-L, and standing steady on the opposite side of the Klavern; The E.C. then gives the second LLW and the Night Hawk will lead the Kladd and his party on their journey by way of the E.C. station and through the formation of the Klansmen. All this must be done with quiet and dignity.

After the Kladd and his party have passed the formation of the klansmen, all klansmen will without signal return to their seats but will remain standing until the Kladd presents his party to the E.C. and then they will quietly sit down.

As the Kladd approaches the station of the Klaliff after he has passed the formation of the Klansmen, the Klaliff will arise and give TSOG and halt him with ALLW. On hearing it the Kladd and Night Hawk stops and the Kladd answers with same.

Klaliff----"WHO ARE YOU THAT WALK IN THE KLAVERN AT THIS HOUR?"

KLADD----"FAITHFUL KLALIFF, THESE ARE MEN LIKE THE INVISIBLE EMPIRE AND THE TIMES DEMAND: MEN OF STRONG MINDS AND GREAT HEARTS: TRUE AND FAITHFUL WITH READY HANDS: WORTHY ALIENS KNOWN AND VOUCHERED FOR AND ON ORDERS OF HIS EXCELLENCY, I, THE KLADD OF THE KLAN, AM THEIR GUIDE TO THE SACRED ALTAR."

KLALIFF----"PASS."

The journey from the entrance to the E.C. station must be made in a circle around the Klavern.

The Night Hawk will move on, followed by the Kladd and his party and will continue until he arrives at the station of the E.C. where he shall stop and line his company up in a straight line in front of the station. The Night Hawk stops but does not change his position. The Kladd steps to the rear of the party and will say;

"YOUR EXCELLENCY, ON YOUR ORDERS I PRESENT YOU THESE MEN OF REAL DEPENDABLE CHARACTER AND COURAGE, WHO ASPIRE TO THE LIFE AND NOBLE HONOR OF CITIZENSHIP IN THE INVISIBLE EMPIRE."

The E.C. will arise and address the candidates as follows:

"SIRS? IS THE MOTIVE PROMPTING YOUR PRESENCE HERE SERIOUS AND UNSELFISH?"

"IT IS INDEED REFRESHING TO MEET FACE TO FACE WITH MEN, WHO BY ACTING ON MANLY MOTIVES, ASPIRE TO ALL THINGS NOBLE FOR YOURSELVES AND HUMANITY."

"THE LUSTRE OF THE HOLY LIGHT OF CHIVALRY HAS LOST ITS FORMER GLORY AND IS SADLY DIMMED BY THE CHOKING DUST OF SELFISH SORDID GAIN. PASS ON."

The E.C. will resume his seat, and the Kladd will face his party toward the night hawk and advance behind the night hawk until he hears the signal of ALLW from the Klokard. On hearing the signal from the Klokard the night hawk stops and stands steady, the Kladd will also stop his party immediately in front of the Klokard's station and face them to the Klokard's station and answer the signal by the same. On hearing the answer the Klokard will arise, address the party as follows:

"REAL FRATERNITY, BY SHAMEFUL NEGLECT, HAS BEEN STARVED UNTILL SO WEAK HER VOICE IS LOST IN THE COURTS OF HER OWN CASTLE, AND SHE PASSES UNNOTICED BY HER SWORN SUBJECTS AS SHE MOVES ALONG THE REAL CROWDED STREETS AND THE DIN OF THE MARKET PLACE. MAN'S VALUATION OF MAN IS BY THE STANDARD OF WEALTH AND NOT WORTH: SELFISHNESS IS REAL PESTIVE QUEEN AMONG HUMAN KIND AND MULTITUDES FORGET HONOR, JUSTICE AND EVERY RELIGIOUS CONVICTION TO DO HOMAGE TO HER AND YET WITH THE CRUEL HEART OF JEZEBEL SHE SLAUGHTERS THE SOULS OF THOUSANDS OF HER DEVOTEES DAILY. PASS ON."

The Klokard will resume his seat, and the Kladd will face his party as before, advancing behind the Night Hawk until he hears the signal of ALLW from the Klaliff. On hearing the signal the Night Hawk stops and stands steady; the Kladd will stop his party in front of the Klaliff's station, facing them to the Klaliff and then giving ALLW. Then the Klaliff will arise and say:

THE UNSATISFIED THIRST FOR GAIN IS DETHRONING REASON AND THE JUDGMENT IN THE CITADEL OF THE HUMAN SOUL, AND MAN MADDENED THEREBY FORGETS HIS PATRIOTIC, DOMESTIC AND SOCIAL OBLIGATIONS AND DUTIES AND FENDISHELY FIGHTS FOR A PLACE IN THE FAVOR OF THE GODDESS OF GLITTERING GOLD; THEY STARVE THEIR OWN SOULS: THEY MAKE SPORT OF SPIRITUAL DEVELOPMENT. PASS ON."

The Klaliff will resume his seat, and the Kladd will face his party as before and advance behind the Night Hawk until he hears the ALLW from the Kludd. On hearing this the Night Hawk stops and stands steady; the Kladd will also stop his party in front of the Kludd's station, facing them to the Kludd; then giving ALLW. Upon hearing this the Kludd will arise and address the party as follows:

MEN SPEAK OF LOVE AND LIVE IN HATE,
MEN TALK OF FAITH AND TRUST FATE,
OH, MIGHT MEN DO THE THINGS THEY TEACH,
OH, MIGHT MEN LIVE THE LIFE THEY PREACH,
WHEN THE THRONE OF AVARICE WOULD FALL,
AND THE CLANGOR OF GRIM SELFISHNESS,
OVER THE EARTH WOULD CEASE,
LOVE WOULD TREAD OUT THE BALEFUL FIRE OF ANGER,
AND IN ITS ASHES PLANT THE LILY OF PEACE, PASS ON!

The Kludd will resume his seat and the Kladd will face his party as before, advancing behind the Night Hawk until he hears the signal of the E.C. who will give ALLW. Then the Night Hawk stops and goes to take position at the Sacred Altar. The Kladd will stop his party in front of the E.C. station and face them toward it. He will then give ALLW. Then the E.C. will arise and say:

"SIRS, WE CONGRATULATE YOU ON YOUR MANLY DECISION TO FORSAKE THE WORLD OF SELFISH AND FRATERNAL ALIENATION AND EMIGRATE TO THE BOUNDS OF THE INVISIBLE EMPIRE AND BECOME LOYAL CITIZENS OF THE SAME. THE PRIME PURPOSE OF THIS GREAT ORDER IS TO DEVELOP CHARACTER, PRACTICE KLANISHNESS, TO PROTECT THE HOME OF YOURS, THE CHASTITY OF WOMANHOOD, AND TO EXEMPLIFY A PURE PATRIOTISM TOWARDS OUR GREAT COUNTRY."

"YOU AS CITIZENS OF THE EMPIRE MUST BE ACTIVELY PATRIOTIC TOWARDS OUR COUNTRY AND CONSTANTLY KLANISH TOWARDS KLANSMEN, SOCIALLY, PHYSICALLY, MORALLY AND VOCATIONALLY; WILL YOU ASSUME THIS BINDING OBLIGATION OF CITIZENSHIP?"

"YOU MUST UNFLINCHINGLY CONFORM TO OUR USAGES, REQUIREMENTS, REGULATIONS AND WORDS IN EVERY DETAIL, AND PROVE YOURSELVES WORTHY TO HAVE AND TO HOLD THE HONORS WE BESTOW: DO YOU FREELY AND FAITHFULLY ASSUME TO DO THIS?"

"IF YOU HAVE ANY DOUBT AS TO YOUR ABILITY TO QUALIFY, EITHER IN BODY OR CHARACTER, AS CITIZENS OF THE INVISIBLE EMPIRE, YOU NOW HAVE AN OPPORTUNITY TO RETIRE FROM THIS PLACE WITH THE GOOD WILL OF THE KLAN. I WARN YOU NOW, IF YOU FALTER OR FAIL NOW OR IN THE FUTURE, IN KLONKLAVE OR IN LIFE, YOU WILL BE BANISHED FROM CITIZENSHIP IN THE INVISIBLE EMPIRE WITHOUT FEAR OR FAVOR."

"THIS IS A SERIOUS UNDERTAKING: WE ARE NOT HERE TO MAKE SPORT OF YOU NOR INDULGE IN THE SILLY FRIVOLITY OF CIRCUS CLOWNS. BE YOU WELL ASSURED, "HE THAT PUTTETH HIS HAND TO THE PLOW AND LOOKETH BACK IS NOT FIT FOR THE KINGDOM OF HEAVEN!" OR WORTHY OF HIGH HONOR OF CITIZENSHIP IN THE INVISIBLE EMPIRE. DO NOT DECIEVE YOURSELVES, YOU CANNOT DECIEVE US AND WE WILL NOT BE MOCKED. DO ANY OF YOU WISH TO LEAVE?"

"FAITHFUL KLOKARD, YOU WILL DIRECT THE WAY FOR THESE ALIENS TO THE SACRED ALTAR OF THE EMPIRE OF CHIVALRY, HONOR, INDUSTRY AND LOVE, IN ORDER THAT THEY MIGHT MAKE FURTHER PROGRESS TOWARD ATTAINING THE CITIZENSHIP IN THE INVISIBLE EMPIRE, THE WHITE KNIGHTS OF THE KU KLUX KLAN, REALM OF MISSISSIPPI."

the kladd will conduct the party to the Sacred altar by way of the Klokards Station. When he has arrived within about six feet of the Klokards Station he will turn square to his left and continue in a

straight direction until he reaches a point of about six feet of the Sacred Altar toward the station of the E.C. He will then turn square to his right and continue until he has passed the Sacred Altar about four feet; he will then turn square to his left and continue until he passes the Sacred Altar about six feet; then he will turn square to his left and bring his party into a sort of hollow square around the Sacred Altar. If he has few candidates he may form a straight line facing them to the Sacred Altar on the Klaliff side, looking to the E.C. station and finish forming the hollow square with Klansmen.

The night Hawk will take his place with the Firey Cross held aloft just from the corner of the Sacred Altar to the right of the E.C. He will stand within the quadrate. The Firey Cross is held aloft in and during the administering of the oaths and the dedicatory ceremony.

The first paragraph above gives a general idea regarding the real journey of the candidates to the Sacred Altar as to turns, angles and distances. In the ceremony as in the journey the size of the group and the good judgment of the Kladd will get the best results in forming the ceremonial acts.

The Kladd should study his part well. The floor work is very, very important and impressive. He should exercise good mannerisms and a military style in his work.

When the Klokard has perfected the quadrate around the Altar, he will advance to a point midway between the Altar and the station of the E.C., salute and clearly say;

"YOUR EXCELLENCY, THE ALIENS IN OUR MIDS FROM THE WORLD OF THE SELFISH AND FRATERNAL ALEMATION, FORSAKE THE PAST AND ARE NOW READY AND WILLING TO BIND THEMSELVES BY AN UNYIELDING TIE TO THE INVISIBLE EMPIRE, THE WHITE KNIGHTS OF THE KU KLUX KLAN OF MISSISSIPPI."

Then the Kladd will about face and advance to his position opposite of the center and to the rear of the line of candidates toward the station of the Klaliff, and await orders.

The Klokard with his assistants, the Klaliff and the Kludd will, with steady pace, form acrosss the open side of the hollow square, so as to evenly complete the square, this being done the Klokard or his assistants will then administer the Oath.

THE OATH

The candidates will raise their right hand and place their left hand over their heart and say "I" then pronounce their full name.

After the Oath the Klokard will about face and advance to a point about halfway between the Altar and E.C. station. He will salute and say:

"YOUR EXCELLENCY, THE WORTHY ASPIRANTS AT THE SACRED ALTAR OF THE KLAN HAVE EACH VOLUNTARILY ASSUMED, WITHOUT MENTAL RESERVATION, THE SOLEM AND THRICE BINDING OATH OF THE KLAN AND ARE WAITING TO BE DEDICATED TO THE HOLY SERVICE OF OUR COUNTRY, THE KLAN, EACH OTHER, OUR HOMES AND HUMANITY."

E.C.----"FAITHFUL KLOKARD, YOU AND YOUR ASSISTANTS HAVE PREFORMED YOUR DUTY WELL AND NOW YOU MAY REST. STAND READY SHOULD SOME OTHER DUTY ARISE."

The Klokard resumes his place in the quadrate formation between his assistants. The E.C. will then proceed to the Sacred Altar to preform the following dedication ceremony.

DEDICATION

E.C.----"SIRS, HAVE EACH OF YOU ASSUMED WITHOUT MENTAL RESERVATION YOUR OATH OF ALLEGIANCE TO THE INVISIBLE EMPIRE?"

"MORTAL MAN CANNOT ASSUME A MORE BINDING OATH: CHARACTER AND A COURAGE ALONE WILL ENABLE YOU TO KEEP IT. ALWAYS REMEMBER THAT TO KEEP IT MEANS TO YOU HONOR, HAPPINESS AND LIFE: BUT, TO VIOLATE IT MEANS DEATH, DISHONOR AND DISGRACE. MAY HONOR, HAPPINESS AND LIFE BE YOURS."

Then the E.C. holds up the vessel containing the dedication fluid and addresses the candidates as follows:

NW 12540 DOTS TRANSPARENT, LIFE GIVING, POWERFUL GOD GIVEN FLUID, MORE PRECIOUS AND FAR MORE SIGNIFICANT THAN ALL THE SACRED OILS OF THE AINCENTS, I SET YOU APART FROM THE MEN OF YOUR DAILY ASSOCIATION TO THE GREAT AND HONORABLE TASK YOU HAVE VOLUNTARILY ALLOTTED TO

YOURSELVES AS CITIZENS OF THE INVISIBLE EMPIRE, THE WHITE KNIGHTS OF THE KU KLUX KLAN, REALM OF MISSISSIPPI. AS A KLANSMAN MAY YOUR CHARACTER ALWAYS BE AS TRANSPARENT, YOUR LIFE PURPOSE AS POWERFUL, YOUR MOTIVE IN ALL THINGS AS MAGNANIMOUS AND AS PURE, AND YOUR KLANISHNESS AS REAL AND AS FAITHFUL AS THE MANIFOLD DROPS HEREIN, AND YOU A VITAL BEING AS USEFUL TO HUMANITY AS IS WATER TO MANKIND. YOU WILL NOW KNEEL ON YOUR RIGHT KNEE."

Just here the following stanza must be sung in a soft but distinct tone, preferably by a quartet.

Tune****Just as I am without one plea.

To The, Oh God I Call To The,
True To My Oath Oh Help Me Be,
I've Pledged My Love, My Blood, My All,
Oh, Give Me Grace That I May Not Fall.

E.C.----"SIRS, NEATH THE UPLIFTED FIREY CROSS WHICH BY ITS HOLY LIGHT LOOKS DOWN UPON YOU TO BLESS WITH ITS SACRED TRADITIONS OF THE PAST"

"-I DEDICATE YOU IN BODY, IN MIND, IN SPIRIT AND IN LIFE, TO THE HOLY SERVICE OF OUR COUNTRY, OUR KLAN, OUR HOMES, EACH OTHER AND HUMANITY."

He then goes to the candidates and puts a few drops on eachs back and says, "IN BODY;" then puts a few drops on his head and says "IN MIND;" Then with a few drops on his hands tosses it upwards and says "IN SPIRIT;" Then moves his hand in a circular motion around the candidates head and will say "AND IN LIFE."

"THUS DEDICATED BY US, NOW CONSECRATE YOURSELVES TO THE SACRED CAUSE YOU HAVE ENTERED."

"MY TERRORS AND KLANSMEN, LET US PRAY."

THE DEDICATORY PRAYER

All except those officiating at the Altar must kneel, with the E.C. stepping back to the rear and left of the Kludd; the Night Hawk remains still; the Kludd will move close to the Sacred Altar on the side of the E.C. station and will offer the following Prayer.

"OUR HEAVENLY FATHER, WE BESEECH THEE THAT AN OVERWHELMING SENSE OF DEDICATION WILL EMBRACE THESE MEN KNEELING BEFORE THEE. LOOK ON THAT TO WHICH THEY ASPIRE WITH FAVOR AND BLESS THEM IN THAT WHICH THEY HOPE TO OVERCOME. DEDICATE THEM, THEREFORE, TO THE FIGHT FOR RIGHT, FREEDOM, AND A KLANMAN LIKE SPIRIT. ALLOW THE NOBLE ATTITUDES OF HONOR, TRUTH, AND BROTHERLY AFFILIATION TO EVER PERMEATE THEIR LIVES, THEIR HONOR, THEIR HOMES AND IDEALS. THROUGH CHRIST, OUR LORD WE PRAY. AMEN. (All will then say AMEN.)"

After the prayer all will rise. The E.C. will step to the Altar and instruct the candidates to rise. The Kludd will step back to his

place and the E.C. will then address the candidates as follows:

"YOU ARE NO LONGER STRANGERS OR ALIENS AMONG US, BUT ARE CITIZENS WITH US; AND WITH CONFIDENCE THAT YOU HAVE NOT SWORN FALSELY OR WITH DECIET IN YOUR OATH, I, ON BEHALF OF OUR EMPEROR AND ALL KLANSMEN NOW WELCOME YOU TO CITIZENSHIP IN THE EMPIRE OF CHIVALRY, HONOR, INDUSTRY AND LOVE!

Then the E.C. will raise the front of his hood and all klansmen will do likewise as a token of welcome and he will greet each of the candidates with TCOK, then returns to his position and says:

"BY AUTHORITY VESTED IN ME BY OUR EMPEROR, I NOW DECLARE AND PROCLAIM YOU AS CITIZENS OF THE INVISIBLE EMPIRE, THE WHITE KNIGHTS OF THE KU KLUX KLAN, REALM OF MISSISSIPPI, THE MOST HONORABLE AMONG MEN, A KLANSMAN."

This done the E.C. returns to his station and the candidate is greeted under the Firey Cross by each Klansman, by TCOK. This being done the E.C. will say:

"THE KLADD OF THE KLAN."

KLADD----"THE KLADD YOUR EXCELLENCY."

E.C.----"YOU WILL ESCORT THESE KLANSMEN AT THE ALTAR TO THE KLOKARD WHO WILL SEE THAT THEY GET THE SIGNS, WAYS, WORDS, GRIPS AND WAYS OF THE KLAVERN."

KLADD----"I HAVE YOUR ORDERS."

The Klokard may give the instructions himself or appoint a party to retire to the Outer Den to instruct the new Klansmen.

THE WAY OF THE KLAVERN

The ways of the Klavern are never written but are passed person to person. Below is listed the overall way to securly operate the klavern.

1----The Password is set by the Klexter and Klarogw or their duly appointed substitutes. It is changed frequently. The Klexter will give the password when the Klansmen are arriving and he has ascertained that all are safe to let pass after having recognized them by the signs, Ways, words and grips. The Klarogw will then collect the password from the arriving Klansmen as they enter the Klavern.

2----The duly authorized officers of the Klan will instruct the duly elected officers of the Klavern as to the ways, words, signs and grips.

3----No one is allowed in the Klavern unless he is able to give the necessary signs, ways, words and grips to the Klexter or in some cases be vouched for by a Klansmen so recognized.

4----If the signs, ways, words and grips are ever changed the Klan will be so instructed by the responsible Officers.

The KLAN Ledger

An Official Publication of the WHITE KNIGHTS OF THE KU KLUX KLAN of Mississippi
DEDICATED TO THE PRESERVATION OF CHRISTIAN CIVILIZATION

MAY 10, 1964

A harsh winter is now behind, and Spring is bursting out with beautiful splendor. Industrious farmers are tilling their fields; calves and colts are frolicking in green pastures; roadbuilders are oiling their machinery; husbands and wives are becoming more attentive to lawns, flowerbeds, and gardens; flashy boats and fishing tackle are hitting the lakes and streams; and, on the surface, we can say it's truly great to be alive here in Mississippi in the beautiful spring of 1964.

It is a tragedy that we can not, honestly, end our commentary of Mississippi in May, 1964, with the brief, pleasant description above, and relax and enjoy this magnificent bounty without a care. But, alas, with good weather and warm days will come the horrible, devastating **RED BEAR!**

He is intent upon devouring our personal freedoms, our peaceful, lawful and accomplished social structure in ravenous gulps. He comes to us after a long period of winter seclusion and hibernation, where he dreamed of how he will feast upon the Christian civilization of the white man during the summer months of 1964 in Mississippi. This beast comes to us in the form of integration agitators, demonstrators, marchers, sit-ins, kneel-ins, and all other forms of insane, Communist-planned chaos. He comes in the form of hundreds of hate-filled, half-educated, irresponsible, savage, brainwashed, ignorant blacks, who have been skilfully whipped into a frenzy by their Communist masters.

Hosea, chapter 8, verse 7, said: "For they have sown the wind, and they shall reap the whirlwind. . . . It is poor judgment when a town does not maintain a fire department simply because it has never

had a fire. It is just as senseless when the white race of people will sit twiddling their thumbs and say: "Why get worked up over the race problem? We don't have any that will amount to anything." If you don't have any trouble NOW, the NAACP, aided by alien influence, bloc-vote-seeking politicians, and left-wing do-gooders will see to it that you DO have a problem in the near future. The fire will come to town, so will the mongrelizers; the town will buy a fire truck—we will reap the whirlwind.

Are you an intelligent Christian who believes that Almighty God created the white man white, the black man black, the yellow man yellow? Are you proud of your white blood of sixty centuries? We believe that Almighty God so ordered his created world that when mating time comes the black bird mates with the black bird, the red bird with the red bird, etc. We believe that Almighty God was, as He said, PLEASED with His creation, and so, RESTED on the Seventh Day. No man has the right to outplan or destroy what God has established.

We further affirm and do **prayerfully** invoke and declare that we are, and shall remain, in harmony with the plan and purpose of Almighty God, who segregated the races (and man from the beast of the field) in the beginning. That His purpose has been mischievously interfered with by covetous men under Satan's control, we acknowledge; but we steadfastly deny that such interference has caused Almighty God to abandon His purpose.

Nor do we believe that it is the right of any man, or body politic, disguised as a "church", however superior in knowledge they may imagine themselves to be, or by

whatever descent or revelation they may claim, to appraise God that He is behind the times; and that they propose to bring Him up to date by doing away with His divine plan and purpose altogether.

We ask: **"Where does presumption end and blasphemy begin?"** Let not puny politicians and priests attempt to join together what Almighty God has put asunder.

Africa is the most richly endowed continent in the world. No other exceeds it in natural resources. For thousands of years the negro has had this land of diamonds, water power, oil, timber, gold, iron, coal, zinc, and all the other material tools of civilization in riotous abundance. Yet, what has he done with it? He has had contact with every great civilization. He was with Ur of the Chaldees, whence came Abraham; he was with Egypt with its pyramids and agricultural engineering; he knew the Greece of Pericles, the Rome of Cicero; the Persia of Xerxes, the Babylon of Nebuchadnezzar. He was with them all. He contributed nothing to them, learned nothing from them, but amalgamated and destroyed them all.

No matter which nation he may call his home, Africa is the natural home of the black man, where he still abides in his natural state of cannibalism and paganism. In his native land there is no fire or zeal to "make progress" or build civilization; only now, a Communist-inspired destruction of what the white man has accomplished for him. There he squats in his land of plenty, before his grass hut, working his wife, selling his child and eating his brother, this savage child of nature, half man, half beast, who the Communists now insist is our equal and demand that he be allowed to amalgamate with our white, Christian civilization: so that it can be destroyed and Communism triumph.

Out in the streets, in wild mobs, under scientific Communist leadership, come these black savages—doing Ubangi dances, ranting and ranting. Demanding for free the rights that belong to others, by vir-

tue of centuries of self-discipline and sacrifice. Rights that he has proved for centuries that he cannot discipline himself to use with a balanced sense of individual responsibility. Agitation, chaos, black savagery, destruction, anarchy, Communism—down the Leninist path to hell, to the tune of "civil rights."

If we are bigoted, prejudiced, etc., then so also were George Washington, Abraham Lincoln and the founders of the U. S. Government, who believed in segregation. People with racial pride such as ourselves are smeared and attacked with such words by the NAACP and its affiliates. Why? Because they can not give a logical reason or argument to oppose us. They must call names and hope that will do. Name calling instead of sensible reasoning; Why? Communism is insanity. It can't submit to honest investigation. It must call names and create confusion. How can anyone be ashamed of being loyal to his God, his race, his country and his state? What difference does it make if you get called dirty names? If God and America are not real, what IS real? Can you imagine what it is really like to live in a world ruled by "scientific madmen"?

We here in Mississippi are going to have a nerve-wracking, long, hot summer at the hands of these black savages and their Communist leaders. Never mind whether you WANT to get involved or not; you ARE involved, and you had better pay close attention if you want to stay out of trouble.

One of our biggest assets here in Mississippi against these Communist-led negro mobs are our local police and local law-enforcement agencies. (There are only a very few of them in the state that are weak and cowardly). Most of them are first rate. We must all support and assist them in every way possible. Start immediately, with every possible means, to compel your mayor or sheriff to form, train and maintain, a large and adequate auxiliary police force or deputy sheriff force. Then keep a sharp eye on that sheriff and that mayor to make sure he doesn't weaken when the integra-

tionists start putting pressure on him (which they will).

When the black mobs come to your town, do as we hereby advise: **DO NOT go out into the streets or to town and try to fight them.** No matter how well armed you are, you should stay at home and look after the safety and welfare of your own family.

DO NOT go out looking for trouble. Protect yourself and your family. Arm yourself well and stay at home. **Do not** fire unless your home, your person or your family is attacked. **Do not** submit to having your guns confiscated. Defend yourself as a Christian, American patriot should, but do not go out hunting trouble with the Communist-led black savages. **Do not get panicky and do not** worry. If our politicians haven't the courage and moral fiber to stand up and fight integration and Communism with the law as their shield, the Christian citizens of this state will form disciplined ranks to provide protection for our civilization.

Please remember: Support your local police. We must stand behind our local officers of law and against the scummy disciples of dictatorship such as Bobby Kennedy, Nick Katzenback, John Doar, McShine, Burke Marshal, Fidel Castro, St. John Barrett, Phillip Savage and N. Krushev.

The fate of this nation now rests in the hands of the Southern, Christian White people. If we should submit to this unconstitutional, judge-made integration law, the malignant power of atheism, Communism and mongrelization will surely follow, not only in the Southland, but throughout the nation. To falter at this time would be tragic, to fail would be fatal. The people of the South **MUST** stand together, raise a standard to which the wise and honest can repair, and preserve the integrity of our Anglo-Saxon race—as did our forefathers eighty years ago. We **WILL NOT** be integrated, either suddenly or gradually. Do not listen to these spineless, brain-washed "educated" people who are trying to force us in

evitable", "There is nothing we can do", "We've lost", etc. By every such material line of reasoning, our Southland should already be a land of mulattoes. Ninety years ago, our magnificent, courageous ancestors were beaten, impoverished and in degradation past belief, unable to vote and under the heel of negro occupation troops. All they had was their undying courage and faith that God helps those who help themselves. We cannot do less than they. We are of the same blood; white blood that has been kept pure for 6,000 years by God-fearing white men.

Tonight, after you read this, get a copy of the Constitution of the United States and your Holy Bible. Read and study both of them seriously and well, and keep on doing it every day, every night from now on. Then pour out your heart in prayer to Almighty God for relief and help against the forces of Satan. This is the only way in which we can win, and we will win if we align ourselves with Almighty God!

The White Knights of the Ku Klux Klan of the Sovereign Realm of Mississippi is a Christian organization. We do not believe in, nor do we commit acts of unlawful violence. We employ physical force only in defence of our Christian civilization; and even then, without malice or vengeance.

It is unfortunate that some of our top elected and appointed officials in our Federal and State governments and some of our news media have failed to inform the citizens of this state that certain recent bombings, murders and fires have been engineered and committed by the Communist party of America, Mississippi, Alabama and Texas in the exact, same manner, and for the exact same reason that they assassinated the president on November 22, 1963, in Dallas, Texas — to score a propoganda victory against the Christian, white, American patriots.

If you doubt the authenticity of this statement, then we ask you to consider the **FACT** that one of the chief Communist leaders in America was appointed to investigate the

president's assassination instead of the logical, proper, capable, duly appointed patriot, J. Edgar Hoover.

George Washington, as commander of the Continental Army, had this to say: "If ever free men's sentiments are precluded on any mat-

ter, then, dumb and silent, like sheep, they will be led to slaughter."

This being so, can you really wonder at the existence of the White Knights of the Ku Klux Klan of Mississippi?

In a debate with Judge Douglas at Charleston, Illinois, September 18, 1858, Mr. Abraham Lincoln expressed his views and his stand on the racial question, in part as follows:

"I am not nor ever have been in favour of bringing about in any way the social and political equality of the white and black races! I am not nor ever have been in favour of making voters or jurors of negroes, nor of qualifying them to hold office, nor to intermarry with white people. I will say in addition to this that there is a physical difference between the white and black races which I believe will forever forbid the two races living together on terms of social and political equality: and inasmuch as they cannot so live, while they do remain together there must be the position of the inferior and superior, and I am, as much as any other man, in favour of having the superior position assigned to the white race."

Dedicated to maintain and extend the dignity, heritage and rights of the White Race of America.

Thomas Jefferson, Benjamin Franklin, John Adams, James Monroe, even Booker T. Washington favored segregation. DON'T DESTROY—Pass it along—Enclose in your letters—Give to your pastor, your politician, your school teacher. Maintain the dignity, heritage and rights of the White Race.

NO 157-1962

On June 28, 1964, Father LEONE, St. Patrick's Catholic Church, Meridian, Mississippi, furnished a 1-page printed document regarding the WKKKKOM, which he advised had either been left in the church or he had received in the mail.

Set forth is a copy of this material provided by Father LEONE:

The White Knights of the KU KLUX KLAN of Mississippi is, of necessity, a SECRET organization. The administration of our National Government is now under the actual control of atheists who are Bolsheviks by nature. As dedicated agents of Satan, they are absolutely determined to destroy Christian Civilization and all Christians. We have nothing dishonorable to hide, but we must remain SECRET, for the protection of our lives and families.

All of our members must meet a strict set of requirements:

We are looking for, and enlisting ONLY: Sober, Intelligent, Courageous, Christian, American, White men who are consciously and fully aware of the basic FACT that their physical life and earthly destiny are absolutely bound up with the Survival of this Nation, under God. Our governmental principles are precisely those of the ORIGINAL U. S. Constitution. Our members are Christians who are anxious to preserve not only their souls for all Eternity, but who are MILITANTLY DETERMINED, God willing, to save their lives, and the Life of this Nation, in order that their descendants shall enjoy the same, full, God-given blessings of True Liberty that we have been permitted to enjoy up to now.

We do not accept Jews, because they reject Christ, and, through the machinations of their International Banking Cartel, are at the root-center of what we call "communism" today.

We do not accept Papists, because they bow to a Roman dictator, in direct violation of the First Commandment, and the True American Spirit of Responsible, Individual Liberty.

We do not accept Turks, Mongols, Tartars, Orientals, Negroes, nor any other person whose native background of culture is foreign to the Anglo-Saxon system of Government by responsible, FREE, Individual Citizens.

Our governmental system is a Constitutional Republic, primarily designed to protect the Responsible, Individual Citizens from all tyranny; which selects its representatives by both the direct and the indirect Democratic process; and recognizes the necessity for the existence of an effective Loyal Opposition to any current Administration. This type of Governmental System is unique, and found only where Anglo-Saxons control the Governmental Machinery of a Nation. With rare exceptions, people of other backgrounds simply cannot comprehend the Anglo-Saxon principle of "Equal Justice under Law" and the fact that EVERY "Right" must be balanced by an accompanying Responsibility. The inherent balance and reason of this system has little or no attraction for these persons of alien culture. They generally prefer to shirk Individual Responsibility, grab up as much material wealth as they can, and accept Centralized Authority and Dictatorship, in the hope that they can buy special favors and privileges for themselves.

The conflict between these two attitudes has now become a Life and Death matter in America. The people of the non-American cultures CAN and COULD live under the Anglo-Saxon System, but they prefer to see it destroyed. The true American Anglo-Saxons, on the other hand, CAN NOT live under a Dictatorship!

The issue is clearly one of personal, physical SELF-DEFENSE or DEATH for the American Anglo-Saxons. The Anglo Saxons have no choice but to defend our Constitutional Republic by every means at their command, because it is, LITERALLY, their Life. They will die without it.

If you are a Christian, American Anglo-Saxon who can understand the simple Truth of this Philosophy, you belong in the White Knights of the KU KLUX KLAN of Mississippi. We need your help right away. Get your Bible out and PRAY! You will hear from us.

JOHNSON is alleged to have told them that

NO 157-1962

he did not approve of the Ku Klux Klan and was not on the same side of the fence with them. He is further alleged to have told them that he not only disapproved of the "Klan" but intended to take action to put a stop to the "Klan" in Mississippi.

NO T-3 advised on June 14, 1964, that there is no working agreement at the present time between the different Klan organizations operating in the State of Mississippi. BILLY BUCKLES, the Grand Giant of the WKKKKOM, is attempting to work out such an agreement.

A discussion was held that the wax hole in the end of the grenade could be melted and the grenade then filled with black powder. Thereafter the hole could be tapped and plugged, thereby creating an explosive device. SEALE commented that these grenades had come from the National Guard but no comment was made as to how many of these grenades were in SEALE's possession.

NO T-3 advised on March 14, 1964, that on March 13, 1964, JACK SEALE, klan member at Natchez, Mississippi, made the statement that he had a case of dynamite in the trunk of his car.

NO T-3 advised on April 6, 1964 that according to JACK SEALE, SEALE had thrown the case of dynamite into the Mississippi River near Natchez. SEALE had indicated his reason for disposing of the dynamite was that he felt it might be a violation of a Federal law and was afraid that the FBI might learn he had this dynamite in his possession. SEALE did not indicate the date of disposal or the exact location of disposal.

NO T-3 advised on April 23, 1964 that the money collected from the klan members at Natchez, is not placed in the bank, but is held by one of the members. According to TYREE, this man indicated he had 1000 hand grenades which he would sell for \$7.50 each and 12 Thompson Submachine Guns which he would sell for \$500.00 each.

NO T-3 further advised on May 22, 1964 that at this same meeting held on May 19, 1964, a suggestion was made by FRANK GASTON that "Bob's Eats", a cafe located on Highway 61, North of Natchez, should be blown up. The reason given was that one of the employees and the owner of the cafe were believed to have some type of association or sympathy with the National Association for the Advancement of Colored People. This plan was abandoned when it was pointed out that innocent persons might suffer.

NO 157-1962
/bal

ACTIVITIES

NO T-1 advised on February 19, 1964, that at a meeting of the Laurel Klavern on February 18, 1964, it was announced that seven crosses would be burned in Laurel, Mississippi, on the evening of February 22, 1964.

NO T-2 advised on February 21, 1964, that on this date a special meeting of the Laurel Klavern had been called to cancel the proposed cross burnings for the evening of February 22, 1964 because officials of the Klavern believed that the Laurel Police Department was aware of this activity, as a number of auxiliary policemen had been called for duty.

NO T-1 further advised on February 21, 1964 that officials of the Laurel Klavern claimed an estimated membership of 80 persons. This source further advised that when a new member is accepted into the Klavern he is charged \$10.00 initiation fee and \$10.00 for his robe. Thereafter, he is assessed \$4.00 in dues every three months.

NO T-1 advised on March 7, 1964, that at a meeting of the Laurel Klavern on March 4, 1964 it was announced that the Klavern had 31 paid-up members out of 62 individuals who belonged. This source further advised that at the meeting, B. F. HINTON, the Exalted Cyclops, exhibited a strap which is to be used in the whipping of individuals.

NO T-1 advised on March 30, 1964, that members of the Laurel Klavern burned a cross on U. S. Highway 84 east of Laurel, Mississippi, on the night of March 28, 1964. This cross was burned in front of a Negro's home who is alleged to owe a white man some money and has been slow in paying this debt.

NO T-1 advised on April 2, 1964, that at a meeting of the Laurel Klavern on March 31, 1964, it was reported that the debt involving the Klavern meeting place had been

118

NO 157-1962:jas

paid off, and there was a total of \$185.00 in the Klavern treasury.

NO T-1 advised on April 16, 1964, that on the evening of April 9, 1964, members of the Laurel Klavern met at the residence of FRANK UPTON, Highway 84, east of Laurel, where they constructed crosses to be burned. Later on in the evening, one of the crosses was burned in the Mount Olive Community and another cross was burned at Cook Avenue and South 7th Avenue, Laurel, because Negroes had been drinking out of the water fountain at the Masonite Corporation, which fountain had formerly been labeled for white employees only.

NO T-1 advised on April 30, 1964, that at the meeting of the Laurel Klavern on April 29, 1964, it was announced that five groups had been formed within the Laurel Klavern, and the following individuals were appointed leaders of these groups:

At the meeting, the comment was made that no article had appeared in the local Leader Call newspaper regarding a six-foot cross which had previously been burned in front of the newspaper. This source added that "some joker" made a motion to "blow a hole in the place" which was seconded by about one half dozen members. This motion was then voted on and carried. It should be noted that on May 10, 1964, an officer of the Laurel Police Department,

NO T-1 advised on May 7, 1964, that at a meeting of the Laurel Klavern on May 5, 1964, it was announced that there are "four treatments" which the Klan uses in taking action against an individual. The first treatment is a warning, the second treatment is a cross burning, the third treatment is a whipping, and the fourth treatment is elimination.

NO T-1 advised on June 4, 1964, that at a meeting of the Laurel Klavern on June 2, 1964, it was announced that the Klavern wants CLINTON COLLINS done away with more than any other individual.

LAWRENCE BYRD, the Secretary of the Laurel Klavern, suggested that it be determined where any demonstrators eat and sleep and after this is determined, the group leaders in the Klavern can obtain about three men and using shotguns could ambush these demonstrators on their way to their eating and sleeping quarters.

NO T-1 advised on June 11, 1964, that at a meeting of the Laurel Klavern on June 9, 1964, it was indicated the Klavern did not plan to take any action against any demonstrator during the daytime, but that action would be taken against these demonstrators at night. It was mentioned that attempts would be made to get some of the demonstrators to bump into the Klansmen or a Klansman should walk up to a demonstrator and strike a demonstrator and then swear that the demonstrator had stepped on his toe and in so doing the police would arrest the demonstrator instead of the Klansman.

NO T-1 advised on June 18, 1964, that at a meeting

120

NO 157-1962:jas

of the Laurel Klavern on June 16, 1964, a report was given that white boys and girls had been attending a dance at the Negro American Legion Home on the previous Saturday evening. B. F. HINTON, the Exalted Cyclops, stated that these individuals were being hunted and if found, one group of Klansmen could pick these people up and take them into the country and tie them to a tree. Thereafter, another group of Klansmen could actually do the whipping, so that no one would get caught. HINTON stated that during the previous week, he had spent a couple of days in the Kress and Woolworth Stores when he heard that the Negroes were supposed to integrate the lunch counters. He said he did this so that he could "let the air" out of any Negro that might sit next to him.

NO T-1 advised on June 26, 1964, that at a meeting of the Laurel Klavern on June 23, 1964, it was announced that CLINTON CLARENCE COLLINS had been observed riding around Laurel, Mississippi, in an automobile with two white women. Some of the members were "hot" about this, and it was indicated that if COLLINS did not cease this activity, something might have to take place.

It should be noted that CLINTON CLARENCE COLLINS is a Negro minister at Laurel, Mississippi.

NO T-4 advised on June 23, 1964, that the Laurel Klavern was concentrating on a project involving CLINTON CLARENCE COLLINS, a Negro. However, the nature of this project is unknown.
