On July 14, 1967, at 8:45 PM the Agents conducted a physical surveillance of a 1962 green pickup truck bearing 1967 Louisiana license 616-013, which is the property of RAELIEH JACKSON GLOVER of 143 Lee Avenue, Vidalia, Louisiana, and it was parked in the parking lot in front of the Jefferson Davis Hospital, Sergeant S. Prentiss Drive in south Natchez, Mississippi.

At 11:30 PM TOMMIE L. JONES of 75 Cloverdale Drive, Cloverdale Section, Natchez, Mississippi, was observed to drive into the hospital parking lot, driving past GLOVER's truck and to the rear of the hospital in a 1963 white Chevrolet bearing 1967 Mississippi license 1-574. The agents observed that the individual on the passenger's side of the front seat was RAELIEH JACKSON GLOVER. This vehicle was then driven back to the highway in front of the hospital and then in a southerly direction on Highway 61 By-pass which leads to Vidalia, Louisiana, or to the downtown Natchez area if one were to turn off of this By-pass.

The surveillance was discontinued at 11:33 PM.

It is to be noted that TOMMIE L. JONES has on various occasions asked the Agent who was interviewing him if the FBI had received any of its information from a woman. The possibility exist that JONES might have confided some information about the Silver Dollar Group to one of his girl friends and now is concerned she might be furnishing that information to the FBI. Consequently this source will attempt to learn the identity of JONES' girl friend.

Source furnished the following information on

***

JOE DANIEL HANKINS, JOE DENVER HAWKINS, and BENNETT WADEJR.

Source advised he traveled to Jackson, Miss., in the night of 7/6/64 and he talked with JOE DANIEL HANKINS, reportedly a member of the Silver Dollar Group (SDG), at the campaign headquarters of JIMMY SNODGR, who is a candidate for Governor for the State of Miss.

Source told JOE DANIEL HANKINS that the bomb in the Blackwall Real Estate Office in Jackson had put "heat" on the people in Natchez. JOE DANIEL HANKINS told he was sure that it would have taken some "heat" from the Natchez people. At this point in the conversation DANIEL HAWKINS called his father, JOE DENVER HAWKINS, to the location where he and the source were talking, that the source had stated that the combini real estate office did not take any "heat" off the

Source advised he traveled to Jackson, Miss., on the night of 7/6/67 and he talked with JOE DANIEL HAWKINS, reportedly a member of the Silver Dollar Group (SDG), at the campaign headquarters of JIMMY SWAN, who is a candidate for Governor for the State of Miss.

Source told JOE DANIEL HAWKINS that the bombing of the Blackwell Real Estate Office in Jackson had put "heat" on the people in Natchez. JOE DANIEL HAWKINS replied he was sure that it would have taken some "heat" off the Natchez people. At this point in the conversation JOE DANIEL HAWKINS called his father, JOE DENVER HAWKINS, over to the location where he and the source were talking and told him that the source had stated that the bombing of the real estate office did not take any "heat" off Natchez.

JOE DANIEL HAWKINS told the source that "they", without naming a particular law enforcement agency, had accused him of bombing this real estate agency.

Later during the conversation, a white male, 32 years of age, 5'10", 195 - 200 pounds, who had blond dishwater hair (crew cut) came up to the source and HAWKINS made the statement to him which he had made to his father regarding the bombing of the real estate office. This unknown individual made the statement that he had heard of...
the source and he knew his father well. This individual told the source he had been in Heidelberg, Miss., when a movie had been shown there sometime in the past. Source took this to mean that this individual had been present in Heidelberg when a Klan Unit or the Americans for the Preservation of the White Race (APWR) showed some type of a movie to the people in that area during the latter part of 1966. Source stated he could not recall this individual's name but he is confident he can identify him if he were shown a photograph of him.

HAWKINS asked the source on three or four occasions if there was anything they could do to get the 'heat' off Natchez, and the source answered in the negative. Source stated he is of the opinion, based on the comments made by JOE DANIEL HAWKINS to his father, and the unknown individual, that these individuals know who bombed the real estate office or they participated in the job with JOE DANIEL HAWKINS. Source stated he told HAWKINS he will recontact him in the near future and at that time he will attempt to obtain additional information regarding the bombing of this real estate office.

BENNIE WALDRUP, reportedly a member of the SDG, was also present at the SWAN Headquarters but source did not have an opportunity to talk to him at length because there was a political meeting of some type in progress.

Source stated that RICHARD BARRETT of Jackson, Miss., was also present at the SWAN Headquarters. BARRETT had that day returned to Jackson from some place in South Carolina. Source stated BARRETT had an album of newspaper clippings which he tried to show to the source and some of the other individuals. Source states these newspaper clippings were about some of the marches which BARRETT had been connected with.

RALEIGH JACKSON GLOVER.
Source stated that RALEIGH JACKSON GLOVER telephonically contacted him in the early evening of 7/6/67. GLOVER told the source to telephone him on the night of 7/7/67, and they would meet at the Chef Restaurant in Vidalia. Source telephonically contacted the Vidalia, la., residence of JAMES WATTS, GLOVER's step-son, on the night of 7/7/67, and learned that GLOVER was not at home but he had been there early in the night.

Source advised on 7/8/67, he had made further efforts to contact GLOVER on the night of 7/7/67, with negative results.

TOMMIE L. JONES.

Source advised that TOMMIE L. JONES formerly had a girl friend in the Natchez area and he would attempt to learn her identity.

Source advised he planned to travel to Jackson, Miss., on the night of 7/6/67, in an effort to contact JOE DANIEL HAWKINS and learn from him what he can about the recent acts of violence in Miss., and particularly the bombing of the Blackwell Realty Office.

Source advised that when he talked with TOMMIE L. JONES on 7/3/67, JONES mentioned that when he was interviewed by the FBI he was questioned about the meetings of the SDG which were held on the Homochitto River. Source advised he did not know if JONES was testing him by making this comment. Source was of the opinion JONES is the individual who had originally told him about these meetings and the one meeting of this group at Clear Springs Lake, near Meadville, Miss. It is to be noted source reported on 5/16/67, that T. L. TORGERSEN is the individual who furnished him the information about these meetings.

Source turned over to the Agents the dynamite fuse caps and the fuse and these items will be disposed of in the immediate future.
RALEIGH JACKSON GLOVER

Source advised that RALEIGH JACKSON GLOVER teledphonically contacted MYRON WAYNE "JACK" SEALE on the night of 7/3/67, and they agreed to meet at the Chef Restaurant, which is attached to the Amoco Service Station located on Highway 84 in Vidalia, Louisiana, a short distance from the residence of GLOVER. GLOVER told SEALE he was at the residence of JAMES WATTS when he made the telephone call; however, SEALE telephoned a neighbor of GLOVER and learned GLOVER's vehicles were not parked at his residence.

Source advised after the telephone conversation SEALE immediately got into his pick-up truck and proceeded toward Vidalia. After SEALE had gone a short distance from his residence, a white automobile pulled in behind him and began following him. After SEALE had driven about a mile on Highway 61 By-pass, GLOVER (in his white Buick) pulled along side SEALE and blew his horn. SEALE recognized GLOVER and they both pulled off the road and stopped. Source stated SEALE is of the opinion GLOVER is the individual who pulled in behind him a short distance from his residence and he believes GLOVER was attempting to determine if anyone was following SEALE when he was on route to meet him.

After they parked, GLOVER asked SEALE if he still wanted the "stuff". Source stated in the recent past SEALE had asked GLOVER if he had any dynamite fuse caps and inferred he needed two of these caps. GLOVER had told SEALE he did not have these items. Source stated SEALE repli
in the affirmative to GLOVER's question whereupon GLOVER produced a plastic pill bottle filled with sandlust and he began taking dynamite fuse caps out of the bottle. He wiped his fingerprints off each one with his handkerchief. After he had wiped his fingerprints off each cap, he placed all of the caps back into the bottle and gave the bottle to SEALE. GLOVER then gave SEALE a piece of dynamite fuse, which was about five feet in length and orange in color, which he had taken from an envelop. GLOVER then tore the envelop into numerous pieces. GLOVER told SEALE he had given him a few extra caps so he could test them prior to using them.

Source stated GLOVER then told SEALE he had looked into the chain saw matter and had learned that there is some "stink" going on about it. GLOVER commented that SONNY TAYLOR, who had something to do with the chain saw, and some other individuals supposedly were going to come see him about this matter. GLOVER said he was not concerned about these individuals and he did not think they would contact him about the chain saw. However, GLOVER had mentioned earlier he might need SEALE's assistance because some individuals were coming to see him. SEALE told GLOVER if he needed any assistance he could count on him and GLOVER commented he knew he could count on SEALE.

Source stated GLOVER then commented he is going to need an attorney in connection with the bush hog case, and SEALE told him if he so desired SEALE would help him get an attorney for him. The matter of GLOVER's bond in the case came up and GLOVER said some men followed him down town and signed the bond for him, indicating he knew nothing about it at first. Only answer questions which SEALE asked, so SEALE spent only a few minutes with GLOVER. Source stated SEALE had talked to TOMMIE L. JONES in Natchez, Miss., earlier in the evening of July 3, 1967, and JONES had told SEALE he had found out about the bush hog matter and that he had learned the identity of the owner.
Source stated JONES told SEALE the FBI or
of the bush hog. Source stated JONES told SEALE the FBI or
some police officers had told the owner they knew the
whereabouts of his bush hog and if he would sign an
affidavit, they would tell him where the bush hog was
located. JONES told SEALE when the owner learned that
GLOVER had his bush hog, he wished he had never heard of
the bush hog. JONES told SEALE the owner of the bush hog is
supposed to be a good friend of GLOVER.

Source advised SEALE told GLOVER of the above
mentioned conversation with JONES and GLOVER wanted to locate
JONES in order to learn the identity of the owner of the
bush hog. They drove to JONES' residence in the Cloverdale
Section of Natchez, but JONES' automobile was not there and
there were no lights on at his home. SEALE telephoned the
Moose Lodge in Natchez in an effort to locate JONES, but
he was not there. GLOVER told SEALE he would attempt to
contact JONES in a day or two and they then departed company.

KENNETH NORMAN HEAD.

Source advised he had learned that KENNETH NORMAN HEAD
and MYRON WAYNE SEALE had talked for approximately 15 minutes
at 4:30 PM on 7/3/67, at the Shamrock Restaurant in Vidalia.
Source advised SEALE asked HEAD what was going on with the
boys (Klansmen) in Louisiana and HEAD replied nothing
that he was aware of. Source advised SEALE tried to talk to
HEAD about the chain saw which GLOVER supposedly had some
connection with. HEAD only commented he had heard about the
matter, but he understood it had been misplaced rather than
stolen. Source advised HEAD was not talkative and he would
only answer questions which SEALE asked, so SEALE spent only
a few minutes with him.

Source stated HEAD did comment that the FBI had
interviewed him on a number of occasions in the recent
past, and SEALE commented the FBI had been harassing him also.
TOMMY LEE JONES, 75 Cloverdale Road, was advised of the identity of the interviewing Agent and immediately volunteered that he was completely aware of his rights and that he had no objection whatsoever to talking to the interviewing Agent.

JONES emphatically denied any participation or prior knowledge of the bombing of WARELENT JACOBS on February 27, 1967. He volunteered that he should not be considered a suspect in this matter because of the fact that he was in bed with a back injury during and several weeks prior to this incident. He further stated that he should not be considered a suspect in the bombing of GEORGE METCALFE in August, 1965, because he was "lucky" enough to be in jail during the time a fish fry was held at RED LEE's residence in June, 1965. JONES explained that he was in jail in Ferriday, Louisiana, during this fish fry and that most of his friends believed that the FBI was of the opinion plans were made at this fish fry for the bombing of GEORGE METCALFE. JONES stated that since he was not present at this fish fry, he should not be considered a suspect. JONES reiterated that he had never heard any discussions concerning either METCALFE or JACkSON regarding plans to injure them while at any gathering.

In response to questions concerning his involvement in the Klan, JONES advised he would not deny the fact he belonged to the Original Knights of the Ku Klux Klan of Louisiana. He stated he did not desire to talk about this Klan participation but did go on to state that sometime ago, DOUGLAS BYRD, whom he worked with and was socially acquainted with, got him to join this Klan group. He advised that "some time ago" he learned that BYRD had pocketed Klan money and that he, JONES, then got out of this Klan group.
In response to questions concerning any other Klan organization, JONES stated he did not desire to comment. He was asked if he had any affiliation with a group known as the Silver Dollar Group, to which he stated he would not deny the fact that he was a member of this group. He stated that he did not desire to talk about his affiliation in this group but would, if ever called upon to testify concerning this group, handle the situation at that time.

JONES volunteered that the FBI did, in fact, have good information concerning the Silver Dollar Group in view of the fact that soon after JACKSON was bombed, many Silver Dollar Group members were subjects of investigation. JONES stated, however, that he has no information whatsoever indicating that the Silver Dollar Group had anything to do with the METCALFE and JACKSON bombings.

JONES made the following comments after viewing photographs of individuals listed below, indicating it was his "best guess" in regard to their possible membership in the Silver Dollar Group:

ERNEST PARKER - Member
E. D. MORACE - Member
JAMES SEALE - Member
JAMES LEE SCAROBOROUGH - Member
JAMES "RED" LEE - Member
WOODROW HOLLOWAY - Unknown

ERNEST AVANTS, Klan member, "hot-head," but unknown in regard to the Silver Dollar Group.

T. L. TORGERSEN - Close friend, possible Klan background and possible member of Silver Dollar Group.
JACK SEAL - Does not know if he is a member of the Silver Dollar Group; only thing he knows about SEAL is that SEAL picks up his garbage.

JOE DANIEL HAWKINS - Unknown

R. J. GLOVER - Member Silver Dollar Group

BUCK HORTON - Member

L. C. MURRAY - Not member

BILL BLANEY - Not member

O. C. POISSOT - Unknown

ELDEN GLEN HESTER - Possibly member

WALTER GENE HALL - Unknown

DONALD HOLLAND - Unknown

JAMES HORACE TAYLOR, JR. - Unknown

RAYMOND SCOTT WRIGHT - Klansman and former officer but not member Silver Dollar Group

JEWEL LEE BURT - Unknown

WARREN G. WILSON - Unknown

REGGIE CARTER - Active in "some other Klan group" but not in Silver Dollar Group.

JONES commented without giving further details that he was of the opinion that there are more Silver Dollar Group members than those mentioned above. He reiterated that he
knows of no information indicating this group was responsible for the METCALFE or JACKSON bombings.

JONES concluded by stating that he had been on "an incident or two" involving Negroes which might be called harassment but that he has never harmed anyone. He emphatically denied any participation or prior knowledge of either the JACKSON or METCALFE bombings.
TOMMY LEE JONES, located at his residence, 72 Cloverdale Road, Natchez, Mississippi, was advised by the interviewing Agents by SA REESIE L. TIMMONS who also advised him that he did not have to furnish any information and that any information he did furnish could be used in a court of law.

JONES advised that he heard in his neighborhood that the FBI had searched the house of one of his neighbors in the Cloverdale Section of Natchez, Mississippi, found a case of dynamite, and arrested his neighbor. JONES declined to furnish the identity of his neighbor or the source of his information.

JONES further advised that he heard in rural Amite County, Mississippi, where he was born and raised, that the FBI "gave WILLIE JOE CRUISE five days to confess to the Liberty bombing or else." JONES advised that he knew WILLIE JOE CRUISE for approximately 18 to 20 years, was very close to him until approximately 6 or 8 years ago, knew him to be a good Christian man who could not be involved in such acts of violence.

JONES advised that he would readily appear before any Grand Jury at any time and state that he had no knowledge or information whatever regarding the GEORGE METCALFE bombing or the WHARLEST JACKSON bombing in Natchez, Mississippi. He stated he could so testify without fear of anyone testifying to the contrary. He stated that if he were subpoenaed to testify before a Grand Jury concerning his knowledge of the Silver Dollar Group, he would tell what he knew of the Silver Dollar Group. He stated that he could not go before a Grand Jury and testify that he had no knowledge of the Silver Dollar Group. He advised that he would not discuss the Silver Dollar Group with Agents of the FBI.

JONES advised that he has heard from an unrecalled source that "RED" GLOVER has left this part of the country, but he has not heard where he has moved. He stated it was his understanding that GLOVER no longer works at the

JONES inquired as to the amount of money currently offered as a reward to any individual furnishing information regarding the bombing of WHARLEST JACKSON. He inquired as to how much of that money the FBI has paid to date.

At approximately 8:30 AM on May 3, 1967, RED GLOVER appeared at E. D. MORACE’s place of employment and asked to see the two fragmentation grenades which he had given MORACE the evening of May 2, 1967. GLOVER proceeded to check the screwed-in plug on the bottom of the two grenades and then told MORACE that the grenades were all right. MORACE was of the opinion that GLOVER was checking to see if the grenades had been tampered with.

After finishing the inspection of the grenades, GLOVER gave E. D. MORACE two more grenades for safekeeping.

These grenades are white, round, simulator, projectile, ground burst grenades, Number M115A2-G. The grenades are approximately six inches long and one and one-half inches in diameter. The grenades were dated October, 1964.

The following information was printed on each grenade:

"Remove safety clip from ignitor. Carefully pull off cap until cord is free of container. To fire, grasp the shell burst simulator in the throwing hand, with the other hand jerk the cord, then immediately throw the device. There is a five to ten second delay from the time the cord is pulled until the device explodes."
Personal closer than 15 yards may be struck by
blown paper fragments. The explosive violence is such that
gravel, sticks, etc., may be projected at a dangerously high
velocity. Therefore, care should be taken to see that the
device is thrown on ground that is free of projectible de-

GLOVER continues to visit various members of the
Silver Dollar Group to assure them that everything is all right
and that GLOVER is standing firm.

During conversation with E. D. MORACE and JAMES
"SONNY" TAYLOR on May 8, 1967, GLOVER stressed the need for
unity in the Silver Dollar Group and cautioned against Agents
of the FBI trying to turn one member of the group against
another member, thereby creating dissension among individual
members.

GLOVER continues to express great concern with the
split between Vidalia, Louisiana, Chief of Police BUD SPINKS
and his Patrolman, JOHN HENRY. On May 8, 1967, GLOVER once
again discussed this situation with E. D. MORACE. GLOVER used
this conflict between SPINKS and HENRY as an example of the FBI deliberately putting SPINKS against HENRY and vice versa, so that they would start attacking each other.

On May 8, 1967, SONNY TAYLOR made a remark to the effect that we should get something going. GLOVER counseled against this, pointing out that due to the tremendous pressure being put on individual members of the Silver Dollar Group by the current FBI investigation, the group would be better off to remain quiet for the time being.

The question, as to who the FBI's source was concerning the fish fry held in June of 1965 and which has been a focal point of current FBI investigation, was discussed and GLOVER pointed out that it did not necessarily have to be anyone from the Silver Dollar Group furnishing this information. GLOVER recalled that during the fish fry they ran out of grease and JAMES and JACK SEALE and ERNEST FINLEY went to the store next door to the LEE residence and bought grease. While at the store two Klan cards were left by these individuals. GLOVER pointed out that this woman's son is a Louisiana State Game Warden and she could have told him of this, as well as furnished the Game Warden with licenses of cars present at the fish fry.

GLOVER also said that he had been interviewed by the FBI concerning the
MORACE is alleged to have said that he recalls these individuals going to the store for grease and returning laughing about something; however, he did not know that they had left Klan cards in the store until GLOVER related the story.

TAYLOR brought up the fact that information is presently in the hands of the FBI concerning the stump blowing incident by SONNY TAYLOR and JIM LEE. GLOVER pointed out that this information could have come from any source, since the stump was blown in the country where other people could have heard the explosion and that the FBI had been talking to everyone, not only Klansmen and Silver Dollar Group members. Once again GLOVER cautioned TAYLOR about the FBI's attempt to create dissension among the Silver Dollar Group members.

On May 8, 1967, GLOVER told MORACE and TAYLOR that the FBI would never be able to get a conviction of any kind without exposing their informants. If and when this was done, then the group would be able to deal with the informants.

At about noon on May 8, 1967, shortly after GLOVER had departed from MORACE's place of employment, TOMMY LEE JONES, Silver Dollar Group member from Natchez, Mississippi, came by MORACE's place of employment, stating that he was looking for a rear end for a trailer that he planned on building. JONES indicated that he had been interviewed by the FBI concerning the
rounding of JACKSON and the fish fry and that he had not told the
agents anything. JONES was overheard to say that he had not
blown up the "nigger JACKSON", but possibly could figure out
who had done it but once again stated that he would never talk.

JONES pointed out that the group might never be able
to get the FBI "pimps" because of FBI protection, but that they
would be able to take care of the "pimp's" families.

E. D. MORACE has heard through the grape vine that
C. D. FREEMAN of Natchez, Mississippi, wants to meet with him
and again discuss the incident where a Negro boy is supposed to
have pointed a gun at FREEMAN.

MARGIE BRITS, who in the past worked as a bartender
at the King Hotel in Ferriday, Louisiana, is the old girl friend
of E. D. MORACE and O. C. POISSOT. BRITS, at one time, had a
silver dollar but told MORACE that she got it over the bar.
BRITS told MORACE that O. C. POISSOT had confided in her about
his Ku Klux Klan affiliation. BRITS has recently married and
is living in Wisner, Louisiana.

MORACE identified (TNU) LEE who tried to leave the
trial on 11/2/65, as the husband of a woman who works in the
credit bureau in Ferriday, Louisiana. Mrs. LEE reportedly
passed on to the Klan names of individuals checked through the
credit bureau.
Source advised that TOMMIE LEE JONES seems to distrust RAELIE JACKSON GLOVER. T. L. TORGersen told source about past meetings of the Silver Dollar Group. RAELIE JACKSON GLOVER tells source not to reveal the fact he had been given a silver dollar.

Source advised he had talked with T. L. JONES, Silver Dollar Group (SDG) member, on three occasions during the past couple of weeks and the only significant bit of information he obtained from JONES was that JONES is of the opinion that RALPH JACOBSON GLOVER is the individual who is putting out a lot of information and he is acting like one who had done something and is trying to put the blame on someone else.

Source advised that JONES did not mention any members of SDG on the occasions on which he spoke to him.

Source stated JONES had returned to his work at the International Paper Company in Natchez, Mississippi. Source noted that JONES had been off from his work for a considerable period of time recuperating from a back operation.

THORE LEE TORGERSEN

Source advised he had learned from TORGERSEN, SDG member, during the past week that the SDG had, in the past, had four meetings in Mississippi that TORGERSEN knew of and three of these meetings were held on a sand bar on the Homochitto River, just off highway 98. Source stated this would be a couple of miles south of a point where highways 84 and 98 intersect. These highways intersect at a point approximately two miles east of Meadville, Mississippi. TORGERSEN told the source that the fourth meeting was held at Clear Springs Lake which is located in Homochitto Forest in Franklin County, Mississippi. Clear Springs Lake is located about four miles west of Meadville, Mississippi, on highway 84. TORGERSEN did not identify any individuals who attended these meetings nor did he mention the dates on which these meetings were held.

Source stated that TORGERSEN mentioned the FBI's interest in a fish fry, but when source questioned him...
Source advised that RALEIGH JACKSON GLOVER telephonically contacted him on May 3, 1967, and requested the source to meet him at their previous meeting place. Source stated this meeting place is a few miles south of Natchez, Mississippi, on highway 61 south. Source stated he met GLOVER and GLOVER wanted to know if he had told anyone that he, GLOVER, had given source a silver dollar and source replied in the negative. GLOVER told source not to tell anyone that he had given him a silver dollar. GLOVER mentioned to source that ERNEST FINLEY, prior to his death, had vouched for the source and TOMMIE JONES had talked to GLOVER about the source. GLOVER commented that members vouch for one another.

Source stated he questioned GLOVER regarding any ceremony that was connected with becoming a member of the SDG. GLOVER told source there was no ceremony connected with becoming a member of this group.
