BILL BLANEY advised source he accompanied RALEIGH JACKSON GLOVER on a trip from Vidalia, Louisiana, to Kentwood, Louisiana, on 9/16/67. According to BLANEY, GLOVER wanted him to go along to be a witness for GLOVER if anything happened in the Kentwood area while GLOVER was there. BLANEY stated he and GLOVER went to the home of GLOVER's mother in Kentwood and GLOVER did not engage in any other activity while BLANEY was with him.

BLANEY advised GLOVER came by his residence on 9/29/67, and requested that BLANEY accompany him. BLANEY said GLOVER did not say where he was going and BLANEY refused to accompany him.

RALEIGH JACKSON GLOVER and E. D. MORACE went to see JAMES SCAROBORCUGH on 9/29/67, and invited SCAROBOROUGH to attend the meeting of SDG members at 2:00 p.m. on 10/1/67. SCAROBOROUGH said he could not attend the meeting as he was going to the rifle range to practice.

GLOVER told SCAROBOROUGH he must make up \$500 for an attorney fee in the bushhog trial. GLOVER stated he had already received \$395 from various individuals. GLOVER asked both SCAROBOROUGH and MORACE for a contribution. MORACE gave GLOVER \$20. SCAROBOROUGH promised to give GLOVER a contribution the following day. On 10/1/67, GLOVER was overheard to say that SCAROBOROUGH had not made a contribution

yet.

On 9/29/67, RALEIGH JACKSON GLOVER requested E. D. MORACE to take him to talk to Sheriff NOAH CROSS of Concordia Parish as GLOVER had evidently never been introduced to CROSS. GLOVER and MORACE went to the residence of CROSS where GLOVER was introduced to CROSS. GLOVER thanked CROSS for his moral support in the bushhog matter. GLOVER told CROSS that FRED SCHIELE, who was running against CROSS, had done GLOVER dirty about getting an attorney. GLOVER said he had dropped the attorney SCHIELE got for him as he discovered SCHIELE was not really helping him.

GLOVER promised CROSS the Klan would back him and CROSS expressed his appreciation for GLOVER's help.

GLOVER and MORACE discussed the SDG meeting planned for Sunday, 10/1/67, and GLOVER said that persons other than SDG members could be invited. GLOVER stated no important business should be discussed in an open meeting anyway.

There was a meeting of SDG members on 10/1/67, at the hunting lodge owned by E. D. MORACE and PAUL TOLBERT, which lodge is located on the east side of the Levee near Ferriday, Louisiana. There were eight men present. The meeting started at 2:45 p.m. and lasted until about 4:00 p.m. E. D. MORACE arrived at the meeting alone as did JACK SEALE. FNU JACKSON, who is not a SDG member, arrived with an unknown man about 28 years old, who works at Armstrong Tire and Rubber Company in the Curing Department. JACKSON was overheard to tell GLOVER the directions to his home in Natchez. JACKSON stated you turn down Linda Lee Drive by the Chevrolet garage and after getting on Linda Lee, take the first street to the right and his house is the second or third house. RALEIGH JACKSON GLOVER arrived in his pickup

truck accompanied by TOMMIE LEE JONES. JAMES LEE and SONNY TAYLOR arrived in TAYLOR's pickup truck.

There was a discussion of GLOVER's financial LEE, and JACKSON. JONES said if GLOVER from TAYLOR, money by the following day, he would go up-town with GLOVER and get the rest of the money needed.

GLOVER stated that every man should carry at least \$100 on him at all times. One man said it was hard to get \$100, and GLOVER told this person he would help him get his \$100. LEE was displeased at GLOVER's statement and said that he thought there was an understanding there would be no more stealing. GLOVER said he did not mention stealing and might take the money off of a dead Negro.

get a drink of water and SEALE asked GLOVER what the deal was on JONES. GLOVER replied that he knew what he was doing concerning JONES and he would take care of it.

There was a discussion of helping Sheriff NOAH CROSS to be re-elected. GLOVER talked of his bushhog trial. GLOVER said they were not after him for the bushhog, but were trying to put pressure on him to make him talk about other things. GLOVER stated he could not have stolen the bushhog as one man could not lift it. TOMMIE JONES told

GLOVER it would take three men to lift the bushhog, so GLOVER must have used a winch truck.

GLOVER told JONES that if he shot off his mouth, he would take him down to where the chlorine barges were sunk. JONES replied, "I know you son of a bitches want to kill me but you would not do that". Some persons in attandance thought JONES and GLOVER were speaking of a particular place in the river where a violent crime might have been committed by them in the past.

JACK SEALE suggested that men from outside the Natchez--Ferriday area should be invited to meetings and in turn they should attend meetings elsewhere in Mississippi.

GLOVER said it was too far to travel and SEALE pointed out that it takes only two and a half hours to drive to Jackson. Mississippi. It was decided that SEALE and GLOVER might meeting.

There was some target practice during the meeting automatic pistol at a beer car. GLOVER then shot his shooting, GLOVER gave the shotgun at the can. After the requested TAYLOR keep it for him for a while.

GLOVER said BLACKIE DRANE and ED FULLER wanted to know what the FBI was doing and they waited at the riverbank to talk to the fishermen who were being questioned. GLOVER said the FBI took the fishermen out on the other side and DRANE and FULLER did not determine what was going on.

BURNING OF NEGRO JOINT LOCATED ON THE LEVEE SIDE OF HIGHWAY 84 ABOUT 13 MILES EAST OF FERRIDAY, LOUISIANA, IN LATE 1963 OR EARLY 1964:

Source advised that on September 30, 1967, he discussed again with JOHN DAWSON of Natchez, Mississippi, the subject of DAWSON, R. P. CARTER, and others meeting with RALEIGH JACKSON GLOVER for the purpose of discussing some project or projects and DAWSON furnished the source the following information:

Source advised DAWSON told him that when he and CARTER and the others met GLOVER in Vidalia, Louisiana, as mentioned below, it was during late 1963 or early 1964 while E. L. MC DANIEL was the Province Investigator for the WKKKKOM.

DAWSON told the source that RALEIGH JACKSON GLOVER telephoned R. P. CARTER in Natchez and asked him to get some Mississippi boys together and meet him in Vidalia, Louisiana. DAWSON told the source that CARTER contacted JOHN DAWSON and JIMMY WHITE and they drove in DAWSON's automobile to Vidalia, Louisiana, where they met GLOVER, JAMES LEE SCAROBOROUGH, and TOMMIE LEE JONES.

When they met these individuals, CARTER got out of DAWSON's car and got into the automobile with GLOVER and the other individuals. After a few minutes, CARTER returned to DAWSON's automobile and stated that he had to return to Mississippi and get approval from E. L. MC DANIEL to handle some project. DAWSON told the source that when they returned to Natchez, CARTER told DAWSON he would get in touch with him at a later date and they thereafter departed company.

DAWSON told the source that a couple of days later, CARTER contacted him and stated that everything was off, referring to the proposed project, because E. L. MC DANIEL would not approve the projects. DAWSON stated at this time he did not know anything about the projects which CARTER had been referring to.

DAWSON told the source that about two weeks later, CARTER contacted him and as they were riding around, CARTER told him that the two projects that GLOVER and the Louisiana boys wanted done when he and DAWSON had met with him a few weeks before were (1) Burn the Carrio Drive-In which is located on Highway 84 between Vidalia and Ferriday, Louisiana, and (2) Burn a Negro joint located on the levee side of Highway 84 about one and one-half miles east of Ferriday, Louisiana.

DAWSON told the source that after this contact with CARTER, these projects were never mentioned to him again. Source stated that DAWSON told him that both of the above mentioned places were burned a few months after CARTER told DAWSON about the proposed projects. Source stated that DAWSON told him he did not know who had burned these two places.

Source advised that several weeks ago, JACK SEALE, PETE TYRE, PEANUTS CARNELL, and himself, all of whom are or have been in the past associated with the Klan, met with an unidentified white male from Jackson, Mississippi, who was attempting to sell Thompson submachine guns.

The meeting was held at a welding shop on Highway 61 North which is owned by CARNELL and when source arrived there, he observed five old Thompson Submachine gun receivers which belonged to CARNELL spread out on a work bench.

The price which this unidentified white male was asking was too high for the group present, and source recalls CARNELL taking a barrel out of one of the receivers and telling the man he could make his own Thompsons which would be better than any of those the man could sell them.

Several weeks after this meeting, source recalls that he met with CARNELL at MIKE's place on Highway 61 North, Natchez, Mississippi, where he was informed that CARNELL had made an M-2 Carbine and that JACK SEALE, JAMES

HAWKINS told him that he and J. L. HARPER were at the residence of his father, JOE DENVER HAWKINS, during the early morning hours of 9/19/67. They were there because they knew that as soon as the Agents learned about the bombing, they would come to his house and to the house of his father. They had planned to have a chase with the Agents and harass them in order to keep them in that area of town. HAWKINS started to further explain this comment, but stopped. Source stated it is his opinion that HAWKINS was going to tell him that they were going to try to keep the Agents in that area of the town so some of the other individuals could get to their homes.

HAWKINS told the source that while they were in the house they saw the Agents circle the block in front of his father's house a few times. He stated that J. L. HARPER was just about to leave when the Agents started circling the block. He stated that HARPER did leave and when the

HAWKINS stated he turned left and followed the Agents and when the Agents accelerated their automobile, he accelerated his to show the Agents he could keep up with them. Source stated HAWKINS said that this voice came from behind the Agents and source was of the opinion that HARPER had returned to that area and had made the statement.

HAWKINS told the source he stayed at this location for a few minutes and then returned to the residence of his father. About the time he arrived there, he heard HARPER's car coming down the block. He stated he knew it was HARPER's automobile because HARPER's car had a muffler dragging on the street. HAWKINS stated he went out into the front of his father's residence so that he could tell HARPER to drive into his father's driveway, but about that time the Agents pulled up and stopped HARPER. HAWKINS told the source that both he and his father walked to where the Agents and HARPER had stopped. He stated the Agents told HARPER he was under arrest and when HARPER inquired as to the reason that he was under arrest, the Agents told him for assaulting an officer.

HAWKINS told the source that when he arrived at the scene, one of the Agents told him if he had continued to follow them, he would have gotten six bullets in his brain. HAWKINS said he told the Agents that they too would have gotten bullets in their brains.

HAWKINS commented that they had gotten all of the Agents out of Jones County and one other county. They knew that they had gotten all the heat off Laurel just like they had planned.

HAWKINS told source that we need "ya'11" to get

HAWKINS did not mention any other names than those mentioned above.

Source declined the offer, but told HAWKINS if he could locate him a .45 caliber pistol, he would appreciate it. HAWKINS commented that he did not like .45 caliber pistols, but added that BYRON DE LA BECKWITH did like them.

Source stated it was his opinion from his contact with HAWKINS that JOE DANIEL HAWKINS, JOE DENVER HAWKINS, J. L. HARPER, and DANNY HAWKINS' mother certainly knew that the bombing of the synagogue was going to occur, but he could not state that they actually participated in the bombing.

Source stated he will contact HAWKINS and any other members of his family or associates who travel to Natchez with him on 9/30/67, and attempt to solicit more information about this bombing.

TOMMIE LEE JONES:

Source advised that he saw TOMMIE LEE JONES driving away from the Moose Lodge in Natchez, Mississippi, on the night of 9/23/67. JONES saw the source and waved him down so they could talk. Source stated that JONES told him about being in the Riverroad Lounge in the Eola Hotel in Natchez in the recent past and an Agent of the FBI came into the lounge and talked to him. JONES stated that the Agent was standing up next to him as he was talking and he told the Agent to either sit down or leave. He stated he told the Agent that in the recent past his wife had received a telephone call from a woman who stated that she had overheard two men talking, and these men planned to kill him. Source stated about this time L. C. MURRAY drove up and from this point on they merely had a "bull session".

September 24, 1967, JAMES F. LEE, R. J. GLOVER, L. C. MEMRAY, and JACK SEALE drove from the Natchez, Mississippi, area to the newly sequired residence of NORMAN HEAD on Lake Concordia, Louisiana, in the old 1955 sutomobile of RED GLOVER.

mobile over there and during the trip. R. J. GLOVER began to assemble a sawed-off .16 gauge shotgun that was completely broken down.

Source advised that the residence of NORMAN HEAD was reached by turning right at the old Negro club called "The Silver Dollar" on the Natchez - Ferriday Levee. The source advised that when the above four individuals arrived at the HEAD residence, NORMAN HEAD and MORACE were there.

MORACE seemed to be the one responsible for calling the meeting and announced that it was a good deal to get part of the Silver Dollar Group (SDG) together again. He stated they should meet more often to show the "Feds" that they can continue to operate and continue to trust each other. GLOVER announced that no "jobs" were to be discussed, that they were getting together for a big "bull session."

Someone asked GLOVER if he took R. P. CARTER into the group. GLOVER advised that he did not give CARTER a silver dollar at any time. MORACE then stated that CARTER "was with us when we traded a pistol for a carbine." GLOVER then stated, "Yes, I know that."

MORACE, in discussing TOMMIE JONES and his talking with FBI Agents, stated "they (the FBI) have told me all about the burning of the night club down on Horseshoe Lake and JONES was in on it and knew all about it."

LEE then spoke up stating, "You have not heard a not there." Source does not know what the river, JONES was he is stating that another place was burned, that JONES was not in on it; therefore, the FBI does not know about

It was decided that the SDG would meet again on "on the levee," and that anyone can come. at a hunting lodge if TOMMIE JONES would be there and LEE stated, "I would not invite him." After a brief discussion, it was decided that only SDG members should be invited, that all six present should contact everyone they know who was given a "dollar"

MORACE announced that JAMES SCAROBOROUGH could not be present as planned due to his wife undergoing surgery.

Someone inquired as to why there were only six members present at this function and GLOVER stated, "That is all we can trust."

Source could not recall just how it came up but in some manner during the discussion of JONES, LEE mentioned the great coincidence of Agent FRANK WATTS and himself sitting next to each other at the football game in Baton Rouge on Saturday night. He stated, "If someone had seen me there, they might have thought something of it. It was just a coincidence."

MORACE stated during the discussion of JONES, "that every time the FBI comes to see me, just as he leaves, he turns and asks, 'Where do you get your shoes shined now?'"

SEALE told HEAD that he should borrow the bushhog that BUZZARD (GLOVER) stole and clean his place up. SEALE stated, "I just don't know about a man who would steal a bushhog when he didn't have a tractor to pull it."

or anyone making comments at an SDG meeting in Mississippi about the burning of the GEORGE METCALFE home at Nine St. Catherine Street, Natchez, Mississippi, but did recall it being discussed at a meeting of the OKKKKOL many years ago when the NAACP first came to the attention of the Klan in Natchez about 1963.

Source advised that JOE DANIEL HAWKINS and all his family will be at the Klan rally in Natchez on Saturday night and he intends to invite JOE DANIEL to the Sunday afternoon SDG meeting at "the levee" and feels if he can get him there, JOE DANIEL cannot resist the opportunity to brag about the Jackson synagogue bombing during the past few days.

Informant advised that JAMES LEE and R. J. GLOVER picked up L. C. MURRAY and JACK SEALE in the Morgantown area of Natchez, Mississippi, at about 7:30 p.m. on September 24, 1967, and the four of them went to the home of NORMAN HEAD, Concordia Lake, Louisiana, where NORMAN HEAD and MORACE were waiting for them.

The informant advised that en route to HEAD's residence, GLOVER put his double barrel shotgun together and when they arrived at the HEAD residence, he noticed that MORACE had a .45 Magnum pistol tucked into the waist of his pants and HEAD went to his old station wagon and got a P-38 and stuck it in his pants.

MORACE apparently got the group of six together and advised them they have an old hunting camp the group can use for future meetings. He stated that they should have meetings to keep in touch and find out what is going on within the group.

The informant advised that most of the discussion concerned the conversations TOMMIE JONES has been having with FBI Agents and the possibility that he is a "fink" for the FBI.

MORACE stated that the FBI always questions him about the old Negro "that burned up" in Ferriday, Louisiana. The informant advised that MORACE either knows about this incident or is trying to leave the impression that he knows about it. MORACE, according to the informant, also stated "whoever bombed METCALFE and JACKSON did it on their own. It will never come out because he will not tell on himself."

9/24/67, all six present were instructed to get in touch with all individuals who had been given a "dollar" and invite old hunting lodge on the levee.

The informant advised that on the past Saturday, September 23, 1967, according to JACK SEALE, TOMMIE JONES stopped him on the Natchez Bypass and told him that he had been trying to get in touch with him to tell him about his drinking with an FBI Agent at the Eola Hotel the past Monday night.

According to SEALE, JONES also advised him that he had learned from the FBI Agent that some of the boys were going to kill him. SEALE also told the informant that JONES questioned him about the "two" Negroes who disappeared from the Shamrock Motel during the time JONES was hanging around over there.

Source advised that he would attend the Klan rally sponsored by MC DANIEL at Natchez, Mississippi, on Saturday night, September 30, 1967.

He advised that during the course of the September 24, 1967, SDG meeting, L. C. MURRAY and JACK SEALE told those present that they did not believe MC DANIEL would be able to get another Klan group started in the State of Mississippi.

E, D. MORACE:

Source advised that he talked to E. D. MORACE at his place of business in Ferriday, Louisiana, about 10:00 a.m. on 9/16/67. Source stated he told MORACE that he had seen TOMMIE LEE JONES talking to an Agent of the FBI at the River Road Lounge, Eola Hotel, Natchez, Mississippi.

Source stated MORACE told him that about three weeks ago, he was en route to Jordan Auto Company in Natchez and he happened to get behind an Agent's automobile and JONES was riding in the car with the Agent.

MORACE said he told GLOVER he was tired of running him down in order to talk to him and he felt that GLOVER should come to see him on occasions so that he might confer with him.

MORACE stated that GLOVER told him that he had someone watching JONES' home and also watching him at the International Paper Company. He told source that GLOVER had told him that sometime in the past, someone in a Plymouth automobile had picked up JONES at his residence and JONES was gone for approximately two hours before this individual returned him to his residence.

Source stated that MORACE commented that maybe MORACE, JAMES FREDERICK LEE, and the source should pay JONES a visit. Source stated MORACE did not explain what he meant by the term "visit." Source stated he asked MORACE if JAMES FREDERICK LEE knew that JONES had been talking to Agents of the FBI and MORACE said he did not know.

And the Real Property in the Party of the Pa

Source stated that MORACE commented that if the source and RED GLOVER think he is the one talking to the FBI, he, MORACE, GLOVER, and the source would just go out and get them one. Source stated MORACE did not explain this comment but he was certain he was talking about getting them a Negro.

MORACE said that some individual had come to see him and told him, MORACE, that he, the individual, had heard that MORACE is the individual who had been talking to the FBI. MORACE said he told this individual that he would wait until all the information had come out regarding the FBI's investigations and when they learned that MORACE was not the individual who had been talking, he would visit this individual and obtain from him the identity of the person who had told him that MORACE was the one talking to the FBI and he would thereafter deal with that individual.

FRANK MORRIS MURDER:

Source stated he told MORACE that the FBI had tried to blame him for the burning of FRANK MORRIS' shoe shop and he asked MORACE if TOMMY LEE JONES knew anything about this murder. MORACE stated he did not know if JONES knew anything about the murder and further stated, "I don't know anything about it either." MORACE further stated that he had been home on the night that MORRIS' shoe shop had been burned. Source stated that these were the only comments that MORACE made regarding the MORRIS incident.

REGGIE P. CARTER:

Source stated that on the night of 9/18/67, he and E. L. MC DANIEL talked to JOHN DAWSON, who is a former UKA state official in the State of Mississippi. Source stated that in past years, CARTER and DAWSON were very close associates. He stated that they formerly were as close as TOMMIE LEE JONES and THOR LEE TORGERSEN.

CARTER came about because DAWSON is of the opinion that CARTER has, in the past, furnished information to the FBI and he believes he is furnishing information to the FBI

two years ago, CARTER visited RED GLOVER's house about two or three times a week.

Source stated that DAWSON commented that he MURRAY told him about a fishfry being cancelled and supposedly R. P. CARTER had been the individual who brought the word from GLOVER thatthe fishfry had been cancelled. Source stated he did not recall this incident but he thought that DAWSON might have been in the company of JACK SEALE, L. C. MURRAY, and others when someone had commented about a fishfry being cancelled. Source stated he had been to a number of fishfries in the past and he does not believe that the fishfry which took place at the residence of JAMES FREDERICK LEE in the Summer of 1965 had been cancelled.

JOHN DAWSON - RALEIGH JACKSON GLOVER - JAMES LEE SCAROBOROUGH:

Source advised that when he and E. L. MC DANIEL were talking to JOHN DAWSON on 9/18/67, DAWSON mentioned that a few years ago, RALEIGH JACKSON GLOVER had asked REGGIE P. CARTER or TOMMIE LEE JONES to get in touch with some Mississippi people and have them meet him on the levee over in Louisiana. DAWSON stated that either JONES contacted CARTER or CARTER contacted JONES and thereafter CARTER contacted JIM WHITE and JOHN DAWSON. He stated these individuals met on the levee in Louisiana with GLOVER and JAMES SCAROBOROUGH. He stated that they discussed three projects; however, DAWSON did not mention the nature of
